

For I Know Whom I Have Believed

DR. DAVID OYEDEPO

**“FOR I KNOW WHOM I HAVE
BELIEVED” 2TIM 1:12**

Knowing God is realizing who he is and what he is capable of doing. It is who you know you that you follow. The bible gives example “I know my sheep and my sheep know me”. For a sheep to know and believe in a shepherd, they have heard and know who he is and he is able to lead them (sheep) aright, not astray. It is who you know you will be delighted in spending the rest of your life with. Sometimes, you might have been following him without asking where the one taking the lead is heading to. That is

trust because you cannot get lost. It is
who you know that you hand over
anything in your care to be it your
property, and also able to keep that
which I have committed onto him against
that day believing in whom you know,
you will be desperate to do things that
are detriment to you. 2 Timothy 1:12
gives example "for if we be dead with
him, we shall also live with him. If we
suffer, we shall also reign with him. If we
deny him, he also will deny us.

Thomas was desperate, if at all, Jesus
went and truly prepared a place for them
and receive not them he was eager to

know the way, if at all they didn't see
him. John 14: 3-5.

Thomas knew who he was and also
believed him but only asked of the way
that lead to many mansion in Jesus'
father's house while for Phillip, though
he had been hearing him but never knew
who he was and never believing Jesus
saying until he sees the father "Phillip
saith unto him, lord show us the father
and it suffices us".

For I know whom I have believed, you
have seen the way, the truth, and the life.

For you to truly know who you have
believed, you must face hardship and not

be ashamed because he has said it “if you believe in my name, you shall be saved”. He will surely save you.

Knowing whom you have believed must not be seen by following, hearing him alone but must be seen in your actions, thoughts, doings etc. An example of Jesus’ follower that only believed in his signs and wonders but never knew him was Simon Peter. He hadn’t even tasted the hardship before denying that he doesn’t know him John 13: 38 “Peter said unto him, Lord , why can’t I follow thee now, I will lay down my for thy sake. And Jesus said unto him “will thou lay down

thy life for my sake? Verily, verily, I say
unto thee, the cock shall not crow, till
thou hast denied me thrice.

It is who you know and believe that you
keep searching for, because you enjoy
staying with him.

It is who you don't know and you don't
believe his words that you betray. Jesus
knew from the beginning who they were
that did not know and believe him.

Some people know him as miracle
worker by the miracle he performs and
the believed through that. After
miraculously feeding 5,000 people, after
seeing the miraculous meal they want

him to do another sign before they can believe him.

It is whom you know and you believe that you will obey “not everyone who says to me Lord, Lord shall enter into the kingdom of heaven, but he who does the will of my father in heaven.

Marriage in Canaan of Galilee made us to realize that without seeing his signs and wonders, you can still believe him through those that really know him e.g. those like the mother of Jesus. She knew who Jesus was and she knew who she had believed that they can't be put to shame but wanted those that never knew

or believed him to see who Jesus was and also his abilities. Finally, why did she go to meet Jesus in the first place when she knew his hour is yet to come.

John 2:3-5 “and when they wanted wine, the mother of Jesus saith unto him, they have no wine, Jesus saith unto what have I to do thee, mine hour is not yet come.

His mother saith unto the servants, whatsoever he saith unto you, do it”.

Whenever you obey him, there is assurance that you are about to know and believe him.

Verse 11

“This beginning of miracle did Jesus in

Canaan of Galilee, and manifested forth
his glory, and his disciples believed on
him. Application of proving that you
know whom you have believed can come
inform of trials, temptation, hardship etc.
bible records in 2timothy 3:12: "yea, and
all that will live godly in Christ Jesus
shall suffer persecution". Let's consider
this little scenario from this play-let
below as a prove of what the scripture
says:

SCENE 1

their life experience base on Christianity.

Conversation among the three friends)

TITUS: - Friends you know have been in the Christian Journey, its being long, Christian race no be beans. You know the nature of my job is time demanding but anything that involves God's work I participate wholeheartedly. The time I spend in church is not that's its time wasting but going to church every day doesn't worth it. After all when I pray he answers me. You know man must eat, I focus more on my business apart from my job I still do another work, you know that no be one route lead to the market. Believe in whom I had known that he his able to rescue and deliver me from this.

(Friend all laugh excluding Peter, we're not condemning you but upright Peter you need to wise up, they all take Their Leaves)

Some distance away, there come a long Vehicle that lost its break but the driver tried all his possible best, but all was abortive, but the long vehicle went ahead with increased in motion and crushed the whole pedestrian to death while some pedestrian wanted to cross back to the other side, the speed of the other vehicle was much compared to the first side but in short it crushed them all.

Immediately we tried to search for their information in other to contact their relatives to come claim their corpses, while searching we saw some students identity card showing their parents number and there

(Some year later, peter and his wife appear on stage)

PETER; - (his wife assisted him to the stage due to his condition) Honey thank you.

WIFE: -You welcome honey. Are we still serving a living God in spite your commitment to God's work, see what he has recompense us with. Our children died the same day, you also lost your job the same day and now you are paralyzed.

TITUS; - behold you have instructed many, and you have strengthened the strengthened the weak hands. But it has come to you, and you are impatient, it

touches you and you are dismayed. Can mortal man be righteous before Gog! Can a man be pure before his maker? Eyes in his servant he put no trust, and his angles he change with error your own month condemns you, not I, your own Lips testify against you.

Can you find out the deep things of God? Can you find out the limit of the Almighty? If iniquity is in your hand, put it far away, and let not wickedness dwell in your tent. You will forget your misery; you will remember it as water that has passed away.

PETER: - What is man, that thou dost make so mush of him and that thou dost set thy mind upon him dost visit him every morning and test him every moment.

JIDE: - If you are pure and upright, surely then he will rouse himself for you. And reward you with a rightful habilitation, though your beginning was small, your latter days will be very great. Behold God will

not reject a blameless man, nor take the hand of evil doers, he will yet fill your mouth with laughter and your Lips with shouting.

JIDE: - Behold, even the moon is not bright and the star are not clean in his site, how much less man, who is a maggot and the son of man, who is a worm if God does not act to your matter. Titus and I have come because of you we don't like the condition you are. Titus and I have decided to take you out to consult your situation natively. There is a great possibility that you will recover your health back and what you have lost will be recover back, he will also assist you to be wealthy like us, we only need your consent.

TITUS: - peter that is it. It won't be okay if we call pour selves friend and we can't show each other love. What jide has said is good, if only you can concur with it, and we wish to take a move today.

PETER: - have had you all and you people call yourself Christian but as for me my God is able to do

the Impossible. No doubt you are the people, and wisdom will sprout again and that its shoots will not cease. If a man die, Shall he live again; all the dogs of my Services I would wait till my release would come. In spite of my condition I know it will be well with those who fear God but it well not is well with the wicked. Better is the end of a thing than its beginning and the patient in spirit is better than the proud in spirit .The Eye of the lord are in every place keeping watch on the evil and the good. For I know whom I have believed he is able to rescue me.

JIDE: - (Titus clam him down) Titus leave him, he believe in whom he had know don't you know the more you believe in him, the more your problem and it affects your family badly. I never see strong heart like these before.

PETER: - (Talks aggressively) If you've come here to mock me and my God. Kindly stop it don't want you to say negative words to my God.

TITUS: - (Face Mrs. Peter) you better talk to your husband to have it calm.

WIFE: - (Faces the visitors) we are really sorry.

PETER: - (Face the two friends) please kindly go, go, go.

WIFE: - (As the two friend take their leave) Honey take it easy ooo, what your friends had said is far your good. Do you still hold fast your Integrity and do you still believe in him? Curse God

WIFE: - See what your uprightness has caused you.

PETER: - (Replies her) you speak as one of the foolish women would speak shall we received good at the hand of God and shall we not received evil.

(In all Peter did not sin with his lips, the curtain Closes)

“FOR I KNOW WHOM I HAVE

BELIEVED”

SCENE 7

O Lord your ways are perfect and the promise of the lord proves true, he is a shield for all those who take refuge in him. You said in your word “for the lord will comfort Zion, he will comfort all her waste places, and will make her wilderness like Eden, her desert like the garden of the Lord. Joy and gladness will be found in her thanksgiving and the voice of song.

(An Angel of the Lord Came and Touched him)

For I know whom I have believed is able to rescue me from all evil and save me for his heavenly kingdom. Lord to you who by the power at work within us is able to do far more abundantly than all that we ask or

Some years later the CEO came back that was he

MAN: - You may not ----but is this Mr. Peter am Mr. Peter by name.

PETER: - O Yes, hope there is no problem?

MAN: - No problem, some years Ago, an accident occurred which led to the lost of your two children. What really happened was that, In deed the long vehicle break failed and killed some set of people but before it came near them, two student have seen the long vehicle from afar before the vehicle came near them they had crossed the road with out the dictate of the road light. They got injured due to the other side they fall into a canal which was not far from my farm I heard the sound of a fall but I thought it was an animal so I decided to take my gun and follow the path but when I got to the place. I saw two young school students inside the canal. Immediately I rescue them, took them to my house for a proper treatment, when they stay and the name of their school. As I asked for their parent number but they told me they can't remember offhand that it is was inside their student Identification card (I.D Card). These children searched for their school I.D Card but could not found

it .so they decided to take me to their house, but when we got there some years later they told that their parent are no longer living here again. Since the incident had been the one taking care of them with my children. It was this year that one of the children saw their dad's friend and told him where there parent now stay that's why we have decided to follow the address given to us.

PETER: - (Was surprised) Ah ah Really, Are the children still alive, where are the children now.

MAN: - The children are all alive; these are the children Peter Zopher and peter billiard.

PETER: - (Wife started crying as she approaches the children) so my children are still alive. I thought they were dead. Thank God, Thank you Sir

MAN: - They are alive

PETER: - Ah ah what a glorious God? The young lions suffer want and hunger but those who seek the lord lack no good thing. My Lord is upright, he is my rock

and there is no unrighteousness in him.

(And the lord gave peter voice as much as he had before and lord blessed the latter days of peter more than his beginning-----The whole family sang to God for what he has done and the curtain closes immediately.)

However, it is important to note that Satan and his cohorts easily identify the time of one's favour and move at such time to provoke the proposed recipient to take steps capable of triggering a loss.

Whatever it was the point is that with God, there can be a new beginning no matter how far back the record of disorderliness and darkness in anybody's life may go. There is however no way God can be with you if your ways do not align with his ways. The most important period in your life begins when God gives you a beginning. The wastage of the past will give way for a new beginning when God commands a new sunrise in your life. Knowing whom you have believed is just committing your life to him because he is able to redesign your life which the enemy may have

bartered.

If you are truly his child, walking uprightly before him, be aware that he knows of that experience you are having for which you earnestly desire a change. When facing hardship, people wonder why at the end he intervenes, why can't he first intervene before allowing me to face such hard times. God is never too early, and he is never too late. He has his own ways of doing things, he is never too early and he is never too late. His timetable is set on purpose, the purpose is not only for your sake but also for His. In all things his name shall be glorified. His timetable is not necessarily in tune with your own timetable, even when it concerns situations or issues of your life which you desire his intervention.
