DEDICATION

This book, *Violent Prayers to Disgrace Stubborn Problems*, is dedicated to late Apostle Joseph Ayodele Babalola, a minister of God, who understood the power of prayer. He was a man mightily used by God to ignite the fire of the first Christian revival in this country in the nineteen thirties.

Brother J. A. Babalola and his team of aggressive prayer warriors entered forbidden forests, silenced demons that demanded worship, paralysed deeply-rooted, anti-gospel activities. Sometimes, beginning from the highest places, they emptied hospitals by the healing power of the Lord Jesus Christ, rendered witchdoctors jobless, and started the first indigenous Holy-Ghost filled church in Nigeria. So fat, -and we stand to be corrected - none has equalled, let alone surpassed this humble Brother in the field of aggressive evangelism in this country.

INTRODUCTION

Prayer is a gift to you and a privilege. The gift is offered to all that all may become the wielders of the great power in prayer. However, the fact remains that the power of prayer is least exercised by the average believer. You will do well to learn the art of warfare prayer. The present temperature level of the prayer of many Christians needs to rise if they expect serious breakthroughs.

The prayer points in this book are targeted at certain needs so that as you are praying, you will not be beating the air. This is how to use the book:

1. Locate your area of need by looking at the table of contents.
2. Select appropriate scriptures promising you what you desire. Meditate on them and let them sink into your spirit.
3. Go about the prayers in any of the following ways as led by the Holy Spirit:
 - a. Three days' night vigil, i.e., praying from 10:00 p.m. to 5:00 a.m. for three consecutive nights.
 - b. Three days' fast (breaking daily), i.e., praying at intervals and breaking the fast at 6:00 p.m. or 9:00 p.m. daily.
 - c. Seven days' night vigil, i.e., praying from 10:00 p.m. to 5:00 a.m. for seven consecutive nights.
 - d. Seven days' fast (breaking daily), i.e., praying at intervals and breaking the fast at 6:00 p.m. or 9:00 p.m. daily.
 - e. Three or more days of dry fast, i.e., praying and fasting three or more days without any food or drink.
4. Pray aggressively.

NOTE: Spend part of vigil or fasting praying in the Spirit - Praying in the Spirit is an ability to pray in tongues as given utterance by the Holy Spirit. To pray in the Spirit, you must have been baptised in the Holy Ghost (not water baptism) - 1Cor. 14:15.

You will be victorious in Jesus' name.

Message One

The Ministry of Conflict

You cannot demonstrate the power of God unless you are ready to come into confrontation with the devil. It is unfortunate that the ministry of confrontation or conflict has been neglected in this century. Many are satisfied with treading the path of least resistance. Christians who are supposed to live like soldiers prefer to lie on the sofa of ease and comfort.

There is no victory without conflict and no conquest without warfare. The pathway of conflict is the only route that will lead you to the city of victory.

You must fight the good fight of faith if you want to win the conquerors' crown. In any case, failure to go into conflict with the devil will not grant you immunity from attacks. If you refuse to attack the devil, he will attack you. If you fail to exercise your authority in Christ, the devil will exercise his authority over you.

The days of complacency and living as non-conformists are over. The Bible has declared, unequivocally, that from the time of John the Baptist, the kingdom of God suffereth violence. And the violent taketh it by force. Therefore, we are living in the era of conflict.

We are also fighting with a devil who can neither be begged nor appeased. The only language the devil understands is the language of violence and resounding defeat. You must take up your arms, therefore, and fight until every foe is vanquished, and Christ is Lord indeed.

The ministry of conflict is the ministry which every child of God, especially believers who live in these last days, cannot afford to disregard.

The ministry of conflict is the ministry which everyone who wants to experience victory in the battles of life must pay attention to.

The ministry of confrontation is so important that every believer must give time and attention to it on a daily basis. The Bible says,

Psalm 94:21-23: They gather themselves together against the soul of the righteous, and condemn the innocent blood. ²²But the Lord is my defence; and my God is the rock of my refuge. ²³And he shall bring upon them their own iniquity, and shall cut them off in their own Wickedness; *yea*, the Lord our God shall cut them off.

This passage makes it very clear that the believers are constantly facing warfare from the camp of the enemy.

Life itself is a battle and we all have battles to fight regardless of our disposition towards those battles. Whichever part of the world you travel to, you will discover that all men in all nations have something in common; Life is a battle. You will hardly find anyone who has not fought battles or who is not presently fighting one. Some people come across their own battle very early in life. Others come across their own battles at the middle of their lives. Unfortunately, some people come across their own battles at old age.

I don't know what your personal history looks like but I suppose you have probably had one or two bouts with the battles of life. Here is a startling truth which is worthy of urgent consideration. Until you understand the ministry of conflict, you will continue to suffer.

Many people come to our services and programmes because they could not obtain relief or total solutions to their problems from all the places they had gone for help. Some people have discovered that the false assurances which they were given by those who patted them at the back, telling them everything was over, turned out to be untrue and mere palliative.

Some people were told to claim their victories and believe that all their problems were solved. Such people were told to believe. They later realized

that such theoretical statements are far removed from the realm of reality. They noticed that what they were told could only pass the test of theory. The practical realities which they faced made them to know that their problems were intact.

We have had very strange experiences when we tried to minister to such people. We have noticed that fierce and vicious demons often answered us saying that they are lords over the victims. Victims of such satanic problems generally come to us after discovering that television-show-business and modern day Christian dancing has not provided the help which they were looking for.

If you are a black man, you must realise that your situation is quite different from the situation of the white man. The environment in which you live is quite different from the environment which can be found in the white nations. Any Christianity that does not emphasize spiritual warfare is mere children's play.

Christians are not supposed to fear the devil, but they must recognise the existence of sinister forces. It is gross stupidity to misjudge your enemy. Satan is the original law breaker. He will never hesitate to exploit any weakness in your life against you. He will use all his slackness in your spiritual life to gain advantage over your life.

The devil often attacks people in the realm of the dream. Your dreams can be divine while it can also be demonic. A divine dream leaves a positive impact upon your life. You remain calm, happy and blessed after such a dream. The moment you have a satanic dream, it brings misery, sorrow, emptiness, and confusion into your life.

Do you know that most of the sleeplessness which people sometimes experience is caused by some wicked spirits? If you fail to incubate your sleeping time in the fire of the Holy Spirit, you will continue to experience nightmares. A wise man once said "If you have a bad night, you will surely have a bad day." Perhaps, that statement was made in realisation of the fact that the devil generally attacks peoples' nights in order to destroy their days.

The reason why many of our problems have remained resistant to prayer can be traced to the fact that the roots of such problems have remained unknown to us. As long as the roots of your problems remain unknown, it will linger for a long time.

A woman was brought to one of our services half dead. She had jumped down from a two-storey building and knocked her head on the ground. She cried bitterly until a good Samaritan rushed her to the hospital. As soon as she was rushed to the hospital, doctors ran her through diagnosis and concluded that she was perfectly O.K. She began to cry because she knew that she was not O.K. She was brought to the church and prayed for and she became alright temporarily.

However, she discovered that she had a strange problem. Here is the problem. Whenever there was a lot of food in the house her brain would begin to function abnormally. Whenever there was no food in the house, and the whole house was empty she would be hungry but she would be mentally O.K.

She became so tired of herself that she wanted to commit suicide. That was what brought her to the church. She told us that she had gone to several places without receiving tangible help. We ministered to her and the Lord delivered her from the bondage. God gave us an insight to the root of her problem. That was how we were able to tackle her problem from the root.

As we ministered to her, we discovered that two weeks after she was born, she started crying day and night. Her parents and relatives did not understand her strange behaviour. However, some doctors later discovered that her problem could be traced to the fact that her mother had insufficient milk. Although they thought that they were feeding her, the baby was getting nothing from the mother's breast. That experience invited demons into the life of the innocent baby. The spirits stayed quietly in her and remained unnoticed until she grew up and got married. She was always OK whenever the husband had no money to buy food. Immediately the husband was able to stock the pantry with food items, she would begin to misbehave. The demon of hunger and poverty would begin to make her behave like a mad woman.

Can you see that, that woman's case was quite complicated?

It is crystal clear therefore, that whenever a situation has a deep demonic root we must employ the ministry of conflict to tackle it. Evil spirits can remain in obscurity for decades. They can wait patiently until the time of their operation is due. They can remain concealed until something provokes or activates them to commence operation:

We have dealt with lots of cases which were brought into the open as a result of being challenged through aggressive warfare prayers. The victims of such problems came to the church and prayed like others. They also went back to their houses to continue such fervent prayers. As a result of such continual fervent prayers, the spirits that were formerly residents in them became challenged.

Such powers would become angry and begin to react violently. If you step on a broken bottle and you are given some first aid treatment you cannot be completely free from the effect of such broken bottles until the pieces of the bottle are removed from your leg. If you scratch the place the pain will come back. This will show you that the solution is grossly unsatisfactory.

Spiritual warfare is directed against powers of darkness; not towards a person. If you are warring against human beings you are wasting spiritual times. If you want to wage a successful spiritual warfare in the spiritual realm, you must discern your enemy.

You must ask yourself the following questions.

- What is the problem?
- Is it a natural malfunctioning of the human body?
- Is it a curse?
- Is the victim under conscious or unconscious covenants?
- Is the victim demonised?

- Is he suffering as a result of a self-inflicted curse?
- Is he suffering because of the activities of drinkers of blood and eaters of flesh?
- Is the problem caused by household enemies?
- Can it be traced to being bewitched by demons, witches and wizards?
- Is there an enemy in the camp of the victim?

If the root is unknown, the problem may remain forever. Many people's problems are persistent because they are unable to identify the root of what they are going through.

Many people who come to church are unable to detect the source of their problems. The enemy has succeeded in putting cataract in their eyes so that they will not see. Satan has blinded many people with lack of vision. The enemy has placed a strongman in charge of many peoples' cases. Such demonic strongmen are deaf to weak prayer commands which are issued against them.

Mechanical prayers will amount to sowing seed on hard concrete. No matter how regularly you water a seed that is sown on concrete it will never grow. No matter how effective your fertilizer is, it will not make any seed to grow if the seed is sown on the wrong soil. The most experienced farmer in the world will not succeed in growing seed on a rock. Such seeds will not grow once there is no contact between the soil and the seed.

It is unfortunate that the devil has erected concrete slabs on the lives of many people. The presence of such concrete slabs can be both dangerous and frustrating. Unless you crack the concrete open you may not be able to grow any seed successfully. All concretes must be cracked open so that the good seed which God wants to plant in your life will grow and flourish.

If what I have said so far describes your situation it means that you are qualified for the ministry of conflict.

THE WAY OUT

There are three major ways that believers can be delivered from bondage, from any spirit that is not of God.

Become mature in Christ - The moments you become mature in Christ, you will experience a level of deliverance. Automatic deliverance can take place in your life as you get more and more on fire for the Lord. Certain spirits will find your life too hot to handle. Some spirits will leave your life alone because of the discomfort which they find within the vicinity of your life.

You must know the truth and let the truth set you free - You must read, study and memorise the word of God. When you know your authority and rights as a Christian and go ahead to claim the promises of God, you will experience deliverance. However, if these two methods cannot grant you your needed deliverance then you must go for the third method.

The ministry of conflict - What is the meaning of conflict? Simply put, it is the declaration of war against the powers of darkness. You will also go ahead to contend seriously for what they have captured from you. The Bible says,

Eph. 6:12: For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high *places*.

Satan is a thief who must be prosecuted. You cannot succeed in prosecuting a thief without proving your case beyond the reasonable doubts. You must know what the enemy is doing and how you got into the situation. You must detect the different door ways open to him and how he got there. You must also know how to close such doorways. You must recognise the fact that thieves also know their rights.

A man was incessantly harassed and attacked by armed thieves. He decided to employ a very clever means of catching the thieves. The man

actually employed a satanic method to start looking for brooms with which they would continue sweeping the surrounding of the man's house. The thieves continued sweeping until it was daybreak.

The man turned them over to the police and the case was transferred to the court. Everybody thought that the case would be decided in favour of the man since it appeared to be very straightforward. The judge asked a very strange question "Were these men caught stealing anything? The answer was clear, they were found sweeping. That was how the judge had no option but to acquit them and pronounced them guiltless because there was no law against sweeping. The thieves escaped on technical grounds.

That is exactly how demons behave. They also know their rights. That was why they told Jesus: "Have You come to torment us before our time?"

Many evil spirits that are attacking modern day believers are doing so because they have been provided with secret places of abode. Until you identify the abode of the enemy in your life, you will not be able to experience total freedom.

Perhaps you have been taught that once you are born again all your problems would disappear. It is totally unrealistic to imagine that you are automatically free from all your past satanic associations. It is also unreasonable to believe that your present evil actions will not have any impact on your future. Supernatural forces work against the body, the soul and the spirit.

Salvation does not exempt anybody from the battles of life. It only gives us the equipment to fight and win the battles of life. Being born again is not the solution to deep demonic problems. Being born again is only a step to having the support of our Lord Jesus Christ to use His Name, His Blood and His Word for fighting and winning the battles. It is to enable you handover your life to Jesus Christ, so that He would fight the battles along with you.

You must therefore attack all the wicked problems right from their roots. The days in which we live are not the days when believers should bargain for

partial victory.

WHAT LEADS PEOPLE INTO BONDAGE

Not living in God's will - When Christians fail to acquaint themselves perfectly with the will of God, they open themselves to attacks. Demonic attacks prosper in people's lives when there are sins in the lives of such people.

Inherited curses - Inherited curses have led many people into deep bondage and curses.

Emotional traumatic experiences - A lot of people have gone into bondage through certain traumatic experiences which left psychological wounds upon their lives.

Submission to an ungodly cover - Many people are under bondage today because they submitted their lives unknowingly to an ungodly cover. Staying under an evil umbrella will lead you into bondage.

Worldliness - Worldliness will encourage satanic attacks into your life.

Ownership of unclean demonic objects - If you keep demonic items in your house, it will lead you into bondage.

Failure to cleanse your property and environment from all evil spiritual contamination - If some aspects of your life remain unclean, such will invite problems into your life.

Failure to pay tithes - Those who fail to tithe, often open the doors of their lives for demonic attacks. The promise of God is to open the windows of heaven to those who pay their tithes regularly, and to bless them. God will rebuke the devourer for your sake. Those who fail to pay their tithes have the curse of God in their lives. Nobody can break these curses. It is only God who can. Devourers will constantly be the companion and heaven will be

closed against them. They will end up always borrowing and never getting out of debts. Their businesses do not prosper. It is a terrible thing to rob God.

Lack of forgiveness - If you fail to forgive those who offend you, you may be inviting the devil into your life.

Lack of separation from the things of the world - Christians who do not separate themselves from the world will invite the devil into their lives.

KEYS TO THE MINISTRY OF CONFLICT

What then are the keys to the ministry of conflict? What steps must a believer take in order to successfully carry out the ministry of conflict? If you have discovered that your involvement in the ministry of conflict is unavoidable, what must you do to carry it out? What must you do in order to contend for the territory which has been stolen by the enemy? What must you do in order to reclaim lost ground? Here are the keys.

Repentance - Perfect repentance requires speaking the truth concerning the area in question. If you want to receive total freedom from bondage and experience victory over the devil, you must repent genuinely from all known sins. Any sins which you fail to repent of will keep you under bondage. You cannot deceive the devil. He's a legal expert who is well versed in the book of the law.

I remember somebody who once issued a command against some demonic forces. He said: "You evil spirit causing problems in my life, I command you to depart from my life, in the name of Jesus!" The demon said "OK. I have heard you but I demand a phone call. I want to telephone my headquarters." The demon said: "Can you help me check up the records, Brother so and so is asking me to go out." A reply came back; "He must be joking! We cannot obey such orders because he is not free from sin."

That was how he was not able to get a positive response in spite of the fact that he had given out orders, in the name of Jesus.

Any area which you decide to hide from the man of God will increase the bondage in your life. It is difficult to be set free if you are not honest with

yourself. It is the truth that sets free. You cannot experience total victory until you have fully repented.

Complete repentance is essential. Without it, evil spirits will seek a re-entry into your life. The moment you repent of all sinful activities, the spirit attached to such sins will no longer have a legal hold upon your life.

I have discovered that most of the people who complain about their being attacked by spirit husbands also have illegal physical husbands or partners. Ignorance of the principles of repentance leads to sorrow. An unrepentant sinner is a failure in the ministry of conflict. Every hidden sin in your life will make you a laughing stock before the enemy.

Discernment - Your ability to discern what you are fighting against is crucial to your victory. Most bad spirits are not easily identified; for their survival actually depends on their ability to conceal their identity. If you don't know what you are fighting against, you will not know how to overcome the enemy.

Those who understand the art of warfare know that violence is a very vital weapon in the spiritual realm. In real life, nobody expects you to fight physically but in the spiritual realm, you could be as ruthless as anything.

Persistence - It is very rare to come across a demonic structure, which took many years to build, being destroyed within a split second. If some evil spirits started building their stronghold when somebody was two years old and the person knew nothing about it until he became 50 years old, the destruction of such a structure will take a long time. Such problems need persistent attacks before they can give way. You must not give the enemy any room for reinforcement.

You must be persistent in your demand and command that the enemies structure should be demolished. If you have multiple conflicts and yokes, you have to apply the force of persistence because such problems can be overcome.

Violence - Those who understand the act of warfare know that violence is a very vital weapon. Violent prayers are sometimes strange. Some Christians often find it difficult to understand some violent prayers which experienced warriors and warfare experts offer when they are dealing with very difficult cases.

For example, you can pray like this:

1. Father Lord, send Your angels with boxes and put the enemies in them, in the name of Jesus.
2. I command the leaders of the forces fighting against me to be bound and I demand that the angels of God should continue to read Scriptures to him and let the demon have no rest, in Jesus' name.
3. Father Lord, let the angels of God turn the demons that are fighting against me round and round until they become confused, in the name of Jesus.
4. Father Lord, let the angels of God pursue all my enemies, in the name of Jesus.
5. I crush the head of the serpents and cut off the tails of the scorpions, in the name of Jesus.
6. I command civil war to start right now within the camp of the enemy, in the name of Jesus.
7. I command the holy angels of God to write the blood of Jesus at the forehead of the demonic powers fighting against me, in Jesus' name.

By the time you take this kind of prayer point for one week the demonic powers will become weakened and depart from the territory of your life.

The ministry of conflict is a ministry which many believers are ignorant of. Many people suffer from the cradle to the grave unless they have learnt how to practise the ministry of conflict. You must know how to use warfare Scriptures against your enemy. You must know how to attack your enemy.

When a situation arises, this is what you should do. You must calm down. Get yourself into a neutral gear and the Holy Spirit will be able to give you instructions as to the appropriate step which must be taken by you. However, if you begin to panic, the devil will put negative pressure on you.

When you declare war on a particular thing and you begin with a barrage of prayers, the powers you are fighting against, may decide to ignore what you are saying momentarily. They know that most believers do not generally persist. So, they would wait for you to get tired. They know that the more you attack them the more weakened and paralysed they become. If they notice that you are the type who will not give up, then they would begin to fight back violently. They would try to close all doors against you. If you happen to get discouraged when they fight back, you may lose the battle.

Do not give the demonic powers any opportunity to re-group, reinforce and launch a counter attack against you. When they launch a fresh attack against you, you will discover that you need to muster more strength than you did previously.

If you want to fight against them, if you are able to succeed in inflicting wound on the enemy, you must expect some manifestations of anger within a couple of days. You may receive a strange visitor or something strange may happen to you. That is an evidence of the fact that the enemy is suffering from the wound which you inflicted on him. A strange visitor may come to your house to find out how you managed to escape.

I don't know what your own battle looks like but I can assure you that the moment you get involved with the ministry of conflict, a lot of strange things will begin to happen to you. Bondage will disappear, yokes will be broken, sicknesses will vanish and long-standing problems will be nowhere to be found.

Your situation had remained unchanged because you did not apply the pressure of conflict against it. Begin the ministry of conflict today and you will have the last laugh against the devil.

PRAYER POINTS

1. I set myself loose from all problems emanating from the womb, in the name of Jesus.
2. Every strongman attached to any area of my life, be driven out and release that area, in the name of Jesus.
3. Power of God, come down, in the name of Jesus.
4. I break myself loose from any satanic bondage and from every dark place, in the name of Jesus.
5. You spiritual thieves, release my property, in the name of Jesus.
6. Any secrets behind my problem that I do not know, Lord, reveal them unto me, in the name of Jesus.

Message Two

The Science of Spiritual Violence

Beloved we are considering the message entitled, "The Science of Spiritual Violence." We would start by meditating on three scriptures:

Matthew 11 :12: And from the days of John the Baptist until now the kingdom of heaven suffereth violence, and the violent take it by force.

Matthew 17:20-21: And Jesus said unto them, Because of your unbelief: for verily I say unto you. If ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place: and it shall remove; and nothing shall be impossible unto you. ²¹Howbeit this kind goeth not out but by prayer and fasting.

Jesus is saying that some problems will not go unless fasting is added. Meaning that some situations require more than prayers for solutions to come.

Luke 16:8: And the lord commended the unjust steward, because he had done wisely: for the children of this world are in their generation wiser than the children of light.

If you take a very close look at these three scriptures, you will notice a common feature in them, which is violence and aggression. When a person is described as violent, it means that he or she is uncontrollable, fearless and dangerous in his or her action.

It also means that the person is forceful or aggressive. The Greek explanation of Matthew 11:12 says snatching away or 'catching by force'.

This is the zeal or aggression required from all those who wish to disgrace the powers of darkness and make heaven.

Holy violence is required to be where God wants us to be. You may be wondering why violence is necessary. It is necessary because Isaiah 42:7 says,

To open the blind eyes, to bring out the prisoners from the prison, *and* them that sit in darkness out of the prison house.

This verse makes us to understand that there are prisoners guided by warders who do not want them to be set free.

And Isaiah 14:16 says.

Isaiah 14:16: They that see thee shall narrowly look upon thee, *and* consider thee, *saying, Is* this the man that made the earth to tremble, that did shake kingdoms;

Some human beings have been made prisoners and there is a prison warder who does not want the captives to be free. For somebody to take anyone out of that place, violence is required.

The Bible says further in Matthew 12:29,

Matthew 12:29: Or else how can one enter into a strong man's house, and spoil his goods, except he first bind the strong man? and then he will spoil his house.

If God opens your spiritual eyes to see the terrible things demonic people do, you will prefer to stay indoors.

I know a young man called Sunday, whom the Lord called at the age of 21. His assignment was to preach the gospel in his village which was very demonic. God told him that he would turn the place right side up for Jesus. There was no single gospel in that place and all the young men there were interested in only masquerades and demonic shows.

By the time he started, he was able to convert just one person whom he trained as his interpreter. They were rejected by members of their families for

preaching the gospel. The villagers tried very hard to stop them but they could not. Sunday and his interpreter tried very hard to win more souls for the Lord for almost a year without any success.

Then, one day, around 1.00 a.m., the Holy Spirit instructed him to go to a forest in the outskirts of the village. He woke his interpreter up and both of them took off. They arrived at the place around 2.30 a.m. and saw cars parked along the road. As brother Sunday moved in, he saw a demon sitting down, and in front of her were men of substance from different parts of the country. Some were kneeling down while others were lying prostrate. The demon was a big woman with long breasts touching the floor. When she saw the brother, she became very angry. Then the brother started praying. Immediately he mentioned the name of Jesus, the gathering scattered, then he prayed aggressively, calling the thunder and fire of God which caused pandemonium. The people ran back to their cars and drove away.

As soon as brother Sunday and his interpreter walked back to the village, they knew that something was wrong. The elders of the village gathered and decided that they should leave the village for causing more trouble for them by going to that forest. But they refused, saying it was God that put them there.

The elders then invited brother Sunday's uncle who was one of the most wicked men in the village. But when he wanted to destroy brother Sunday, God intervened and he was not hurt. When all the young men who hitherto, were only interested in masquerade and demonic shows, saw how God miraculously saved the life of brother Sunday, they decided to follow him. This was how he turned the village right side up for Jesus. He was indeed a battle axe in the Lord's hands.

Beloved, if you want the Lord to use you that way, then you must become violent.

There is no army that wins a war by only defending, the best method of defence is to attack. You can only defeat the enemy when you take the battle into his camp. In this country, demonic people take live animals, call the

names of those they want to harm into these animals and bury them. Once that is done, no matter what the victims do, they cannot make a headway. If it is a person's marriage, promotion, etc., they want to get at, those areas will remain buried and it is only through violence that you can restore them.

The Bible is a violent book which talks about wars, arrows, stones, *etc.* The Bible says that forceful men will lay hold on the kingdom. Forcefulness is an attitude of determination. It is when you are determined to go ahead with something, no matter what happens.

Violent people never give up. They are not the kind of person that will pray for one week and give up if nothing happens. They operate a formula which says, "Pray Until Something Happens." (P. U. S. H.)

Jesus advocated violence. The Bible says that the devil is out to kill, steal and to destroy. We should not be kind to a destroyer who is ready to destroy a believer at the slightest opportunity. This is why backsliding is dangerous. The devil will ensure that a backslider never comes back to the Lord.

The Bible says that if we must run, wrestle agonise in prayer, or fight to paralyse opposition, we must do it with all our might. We must have the desire to be victorious at all cost, all the time.

Recently, I met a woman of 59, whose life was turned upside down. Her marriage was not working, and she had wasted 25 years in dead churches without success. She wasted another 10 years consulting witchdoctors before she came to Jesus. This woman told me that she wanted a child if it was still possible. I told her that it was possible because with God, all things are possible. I gave her some prayer points for the restoration of her menstruation and told her to start from there. She started the prayers and her menstrual cycle was restored.

Eventually, she got what she wanted because she aggressively demanded for it. So, we must contend for the faith. It is a fact that dark powers are responsible for most problems of the black man and we have a mission as Christians to identify, confront and conquer them. Jesus said,

"Behold I give you power to trample upon serpents and scorpions". That gift is for Christians and not unbelievers. So, the responsibility lies on us.

Christians who want to win warfare do not come to church on Sundays only. The apostles were permanently in the presence of God. They knew the Lord whom they served. They upset the world, worried the devil, and harassed demons. They conducted Holy Ghost services in the streets where people received the baptism of the Holy Spirit and spoke in tongues.

But nowadays, some people say that the time of the Holy Spirit and speaking in tongues has passed. They argue that only the apostles received the Holy Spirit and spoke in tongues.

The good things that many of us desire may not come until we enter into warfare.

Sometime ago, we organised a programme entitled, "Covenant breaking meeting" for married women only. That programme was organized because the Lord told us that 95 percent of women in our environment were not enjoying their marriages because they were consciously or unconsciously into one evil covenant or the other.

Also that the demons in this environment were distributing all kinds of anti-marriage forces into people's lives. As a result, some had bad husbands, some became widows after a few years of marriage, some were saddled with the problem of bad and contaminated children, some got involved with the problem of polygamy while some suffered from late marriages.

At that programme, many things happened through violent prayers, One of them was the case of a woman who was living with her husband in the husband's family house with all the in laws. Whereas, the Bible says, that "Therefore shall a man leave his father and his mother and shall cleave to his wife." When you get married and stay in the family house, you are looking for trouble. Her husband's bedroom was next to her mother-in-law's on the first floor of the building while her own bedroom was downstairs. Any time she wanted to see her husband at night, her mother-in-law would block the

way.

But at that prayer meeting, violence was declared and she prayed with holy madness. By the time she got home, she met her husband fighting with her mother-in-law. She was even the one who settled the quarrel. After the fight, her husband made sure his mother moved downstairs while his wife moved up. Things are now in the correct order. 'The situation would have remained that way if she did not get aggressive.

When you get violent, things begin to happen in away that you do not expect.

I would like you to close your eyes and ask for this anointing before we go on:

Let the anointing to destroy the works of the enemies come upon my life, in the name of Jesus.

THE MINISTRY OF JESUS

Jesus came to this world to do three things:

1. He came to save
2. He came to heal
3. He came to deliver.

A lot of people need deliverance before they can be free. Deliverance is an act of spiritual warfare to set a person free from any form of bondage.

How to obtain deliverance

You can obtain deliverance through the following four methods:

Spiritual growth - As you make progress in your Christian race your spiritual life grows as well. You will no longer be influenced by certain things which had a hold on you before. Some people will begin to avoid you and certain things in you will just leave by themselves.

Word of God - You can obtain deliverance by confessing the word of God. Joshua 1:8 says,

This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.

As you keep saying the word of God which is what God says about your life every day, your life would be fashioned after the things you confess and what the devil says about your life will not prosper anymore. The devil cannot withstand somebody who is always praising God.

The ministry of conflict - As discussed in the first messages, the ministry of conflict is when the enemy wages war against you and you too declare war against him by attending deliverance services or by conducting personal deliverance programmes. You can obtain deliverance that way.

Personal effort - This is the most difficult method but it is the most effective. It is always better to pray through by yourself, that way, your deliverance remains permanent. Anybody who prays effectively does not have any problem. Problems come when you cannot pray because anything you do, has to be soaked in prayer to make it work. Part of the tragedy of modern day Christianity is that we have a lot of prayerless Christians, prayerless churches, prayerless ministers and prayerless people who come to the house of God.

The Lord is calling for aggressive Christianity today. The battle is not for the chicken-hearted Christians who are afraid of their own shadows because anything can happen at the battle' front. You could be confronted by any power.

The battle is not for those who are easily discouraged. Many of us, especially the sisters, need to get stronger. All the crying exercise, Jeremiah's kind of anointing has to go so that you can stand your ground and fight.

Time is running out, the devil is becoming more wicked and evil men are waxing stronger. So, it is not the time for us to cry rather, we should begin to silence them. That is the reason God has called us. The last battle is for those who will not give up. God is looking for violent soldiers who will drink the blood of the enemies and slay giants. God is looking for people who will confront and conquer.

All the men of God in the Bible were confronters. Immediately the devil sees that you are a very violent person, he would avoid you since he knows that if he gives you a punch, you will respond with seven and his agents will not want to come to you because of the casualty they will suffer if they do.

This kind of spiritual violence has nothing to do with your height,

colour, shape or intellect. It is knowing your authority and using it effectively. Many Christians are very lazy in spiritual things. If you pray only when there is a problem, then you are not a soldier. You should always be prepared. All evil powers that ever attacked serious Christians, ended up collecting their obituaries. That is the stand of the scripture.

Beloved, you too can distribute that kind of spiritual obituary today to all the forces oppressing you. You may say that this kind of language is too harsh, but remember that the devil is not nice. Therefore, you have no business being nice to him. We are at war and during warfare, there is no room for nicety. What you need is victory at all cost. The enemies are busy firing arrows day and night on people so that it will be difficult for them to settle down. As they are getting out of one problem, they are putting them into another. Until such people stand up and start some aggressive work, nothing good is going to happen.

I prayed with a woman and based on what the Lord revealed to me, I asked her to go for deliverance, but she argued with me and refused to go. Education, wealth or fame does not matter in spiritual matters. When it comes to spiritual things, you must drop everything and deal with the devil squarely. This woman's husband brought a strange woman into the house and sent her to the, boy's quarters. She had three cars and all of them were grounded. She had an uncompleted building which had been taken over by grasses because she could not finish it.

These and many more were the reasons why she came for prayers, yet she refused to go for deliverance. These evil forces continued to deal With her so badly until she was on the hospital bed. On her own, she declared a five-day prayer programme. On the last day of the programme, she had a vision in which the Lord showed her the secret behind her problems.

After those revelations, she started some deliverance prayers and was praying them aggressively all on her own in the hospital. The first thing that happened was that the strange woman was cleared out of her home by the angel of death.

Deliverance is important because with it, you can remove the ladder

with which the enemies find their way into your life. If you are fighting without deliverance, the enemies will give way and wait for you to finish only to come back more equipped than before, because the doors through which they come in are still there. It is like leaving your back door open and manning the front one with a gun, forgetting that the enemy can come in through the backdoor and take the gun from you.

If your enemies have planted all kinds of things in your body, including remote control agents while you were growing up in your village, wherever you go, they would still be controlling you from there. When you now realize that your problems come from your village and you want to fight them, clear those things which they planted into your body first or else you will not be successful.

There are some prayer points I would not recommend for some people because they are prayers which can suddenly make you find yourself in a witchcraft meeting where they are discussing you. If you do not have the Holy Spirit and have not undergone deliverance ministrations before to clear their demons, they will just finish you up.

When you run yourself through deliverance, God clears all their plantations in your life, then you can fight. If you allow the enemies to drink your blood, they will do so, but if you say no, my blood is not for you. then things begin to happen.

I would like you to close your eyes at this point and pray the following prayer points aggressively:

Every evil finger pointing at me, I command you to wither, in the name of Jesus.

Every spiritual evil tree planted against me, be frustrated, in the name of Jesus.

THE LAWS OF SPIRITUAL VIOLENCE

Spiritual warfare must have a purpose - You must have a purpose for declaring a war. Do not fight purposeless wars. The purpose may be to regain your blessings which have been stolen. It may be your marriage, *etc.* The purpose must be well defined. One of the greatest headaches that we have is that we lump many things together when we pray. We must take them one after the other.

You must receive proper instructions - In spiritual violence you must be properly trained to receive proper instruction.

You must carry out thorough self-examination - You must examine yourself to make sure that there are no loopholes for the enemies to capitalise on.

You must be adequately prepared - Sometimes, you need to prepare by fasting. Other times, you may only need to prepare your mind towards it.

Stubborn faith - You must possess stubborn faith. Stubborn faith is the kind of faith that does not give up: the blind Bartimaeus kind of faith.

You must issue aggressive challenge.

You must be living a holy life - Any form of unrighteousness will render a person powerless.

THE STRATEGIES OF SPIRITUAL VIOLENCE

- *Identify clearly what you are fighting against.*
- *All fear must go because anything can happen at the war front. You must never be afraid.*
- *You then declare war against the situation with the word of God, prayers, fasting and holy living.*

When you put these strategies into operation, many things that you did not know, belonging to you but previously captured by the enemy, will be restored. Sometimes, we harass God as if He is the thief. The devil is the thief and he is the one to be harassed.

A lot of people know that the devil does not understand any other language apart from violence. He does not recognise grammar or certificates. He does not want to know whether you attended a Bible college or not. He recognises somebody who is violent against him and is ready at all cost to deliver what he has stolen.

PRAYER POINTS

1. (Lay your right hand on your head and pray this way) Anything in my life cooperating with my enemies, depart now, in Jesus' name.
2. I fire back every arrow of household wickedness, in Jesus' name.
3. (Stretch your two hands forward as if you want to receive something and pick the things you want in your spirit one after the other and say) I receive it back from the hands of the enemies, in Jesus' name.
4. Now say: You devil, return it sevenfold, in the name of Jesus.

Message Three

Lord, Behold Their Threatening

In Acts 4, the apostles had been pushed around. They had been warned not to preach in the name of Jesus. Then in verse 29, they started praying.

And now, Lord, behold their threatenings: and grant unto thy servants, that with all boldness they may speak thy word.

A lady who told me that she had been born again for thirty-three years, came to me for counselling sometime ago. But recently, she met a member of Mountain of Fire and Miracles Ministries who started praying with her. And right from the time that she started praying with her, it was as if she was not born again at all. She said that the way the prayer was rendered and the kinds of prayer points the sister called were strange to her, although she had been born again for thirty-three years.

Despite the fact that the prayer points were strange, she prayed them, and she was getting results instantly for the first time. Her life was never the same again. According to her, this sister who prayed with her did not seem to recognise that there is something called fear. When you say something is big and terrible, she just moved in and demolished it with prayer. She said several weeks back, somebody fired an arrow at her and one hand and one leg got paralysed. That sister just came with what she called anointing oil, applied it on her, and everything disappeared. She said she asked the sister if she was a pastor and she said no.

She told her that she was only an ordinary member. Then she said to the sister, "If you, an ordinary member can be this good, I must come and see your pastor." Those are the kinds of testimonies that encourage us. And not those who would say, "When my husband was talking rubbish, I just gave

him a dirty slap and later, asked the Lord to forgive me." My prayer is that you too, will be a good example. And your life will record testimonies.

Any power militating against a true child of God is looking for problems. Such a power wants to sink into the Red Sea after the order of Pharaoh. It is also seeking to be destroyed by God's anger after the order of Senacherib. One angel defeated 185,000 people. I am very sure that nobody has up to 185,000 enemies.

Any power militating against a true child of God is seeking to fight and oppose itself. It is seeking to receive the stones of fire, after the order of Goliath.

Any power militating against a true child of God is seeking to be substituted in the evil that he or she is trying. Such a power wants to receive what we call divine hail stones.

Any power militating against a true child of God is looking for compulsory and forceful burial after the order of Korah, Dathan, and Abiram. It is seeking to be eaten up by worms, after the order of Herod and to be pursued by terrifying noises after the order of the Syrians.

Few months ago, I heard another testimony that gladdened my heart. The testimony was that the co-tenants of one of our members came to report him. What did he do? He said since this brother moved into their compound, the whole place was always hot at night.

Apart from that, his wife who used to attend witchcraft meetings to assist him could no longer do so because the brother has blocked her way. Then I said, since you could see that this man is praying and because he is praying, he has blocked the journey of your wife, why don't you seek to get the kind of power that he has? He said, "We are just appealing to him, we don't mind refunding what he has paid; but he should leave." I said this is good for a change.

That is how it should be. The wicked should run when they see a Christian. They are the ones who should be having the problems, not

believers. Not the kind of testimony where somebody comes and says, "Pray on these prayer requests for me sir, my co-tenant, the man on the first floor is a herbalist and the other one a witch; they are harassing me at night." This one was different, he was the one harassing them. Take the following prayer points with holy anger:

Every witch living in my surrounding, receive the stones of fire, in the name of Jesus.

Any evil vessel conveying my information to the evil world, be paralysed now, in the name of Jesus.

THE PRINCIPLE OF PRAYING TO GET RESULTS

What is the principle of praying to get results?

There are many examples in the Bible of those who prayed and got results instantly. For us to understand the principles of praying to get results, we shall study the prayer points of some people who prayed and received instant answers in the Bible. There are many examples but we will look at three.

EXAMPLE ONE

In Numbers 16. Korah, Dathan and Abiram offended God by offending his servant, and in verses 28 - 33, that servant of God began to pray;

And Moses said. Hereby ye shall know that the LORD hath sent me to do all these works; for *I have not done them* of mine own mind. ²⁹If these men die the common death of all men, or if they be visited after the visitation of all men; *then* the LORD hath not sent me. ³⁰But if the LORD make a new thing, and the earth open her mouth, and swallow them up, with all that *appertain* unto them, and they go down quick into the pit: then you shall understand that these men have provoked the LORD.

³¹And it came to pass, as he had made an end of speaking all these words, that the ground clave asunder that *was* under them: ³²And the earth opened her mouth, and swallowed them up, and their houses, and all the men

that *appertained* unto Korah, and all *their* goods. ³³They, and all that *appertained* to them, went down alive into the pit, and the earth closed upon them: and they perished from among the congregation.

EXAMPLE NUMBER TWO

1 Kings 18:36 says,

And it came to pass at *the time of* the offering of the *evening* sacrifice, that Elijah the prophet came near, and said, LORD God of Abraham, Isaac, and of Israel, let it be known this day that thou art God in Israel, and *that* I am thy servant, and *that* I have done all these things at thy word. ³⁷Hear me, O LORD, hear me, that this people may know that thou *art* the LORD God, and *that* thou hast turned their heart back again. ³⁸Then the fire of the LORD fell, and consumed the burnt sacrifice, and the wood, and the stones, and the dust, and licked up the water that *was* in the trench. ³⁰And when all the people saw *it*, they fell on their faces: and they said, The LORD, he *is* the God; the LORD, he *is* the God.

The man prayed it prayer point of about 60 words and instantly, things began to happen. Compare his wordings with the wordings of the prayer of Moses.

EXAMPLE NUMBER THREE

In Acts 4, the apostles had been beaten up. They had been told not to preach in the name of Jesus. They had been threatened that if they continued to preach in that name, they would be killed. Verses 23 - 27 say

And being let go, they went to their own company, and reported all that the chief priests and elders had said unto them. ²⁴And when they heard that, they lifted up their voice to God with one accord, and said, Lord, thou *art* God, which hast made heaven, and earth, and the sea, and all that in them is: ²⁵Who by the mouth of thy servant David hast said, Why did the heathen rage, and the people imagine vain things? ²⁶The kings of the earth stood up, and the rulers were gathered together against the Lord, and against his Christ. ²⁷For of a truth against thy holy child Jesus, whom thou hast anointed, both

Herod, and Pontius Pilate, with the Gentiles; and the people of Israel, were gathered together.

Verses 29-31 say,

And now. Lord, behold their threatenings: and grant unto thy servants, that with all boldness they may speak thy word, ³⁰By stretching forth thine hand to heal; and that signs and wonders may be done by the name of thy holy child Jesus. ³¹And when they had prayed, the place was shaken where they were assembled together; and they were all filled with the Holy Ghost, and they spake the word of God with boldness.

THEIR MAJOR CHARACTERISTICS

What are the characteristics of these three passages?

1. A petition was filed to God. The Bible says, plead your cause before the Almighty.
2. The troublers of Israel were reported directly to God as if God did not see them. We too should form that kind of habit. Talk to God as a friend. When you wake up at night and you don't like the kind of dreams you had, you can sit down and say, "Father, when I slept last night, I had so and so dream. I don't understand what this means, explain to me and teach me what to do. Report the case to God, as if He did not know about the dream.
3. A war was declared against the opposing forces.
4. Instant divine intervention was requested. That is, even if God is not going to give you the cash now, you can at least go with the cheque. That is a good way to start with.
5. They prayed from the bottom of their hearts. There is a difference between surface prayer and deep prayer. Whenever prayer comes from the bottom of the heart, it yields results.
6. There were instant faith and holy expectancy.
7. They prayed using the standard of somebody who is divinely

dissatisfied. You have to declare today too that you are divinely dissatisfied with your unfavourable situation.

8. They asked for divine judgment against opposition.
9. They made an urgent request for the display of the supernatural.
10. Signs and wonders were expressly requested.

THEIR PRAYER POINTS

Having looked at the major characteristics of these three passages, let us consider the prayer points.

I was not there but from what I can see in the word of God, I have an idea of the kind of prayer points they prayed. They must have prayed the kind of prayer point we sometimes pray in our meetings at the Mountain of Fire and Miracles.

For example,

Let God be God in my Red Sea situation. When you check what Moses, Elijah and the apostles said; Let it be known that I do this thing, because You sent me; therefore, let it be known, that thou art God.

They might have also prayed:

Let it be known that you are God in every department of my life. Or, Lord, do a new thing to my enemies that will permanently destroy their powers. God did a new thing to Korah, Dathan and Abiram. They broke records. They were the first men to go to hell fire without dying.

They must have prayed like this:

O Lord, utilise uncommon techniques to disgrace my opposition.

They must have said,

Let the earth open up and swallow every stubborn pursuer.

O Lord, God of Abraham, God of Isaac, God of Jacob, manifest Yourself in Your power.

O Lord, answer me by fire and roast every single stronghold.

Every power challenging the power of God in my life, be disgraced.

Let every rage of the enemy quench.

Let every evil imagination fashioned against me be frustrated and disgraced.

Let every satanic plan that concerns my life be rendered a failure.

Every evil ruler assembled against me, be scattered unto desolation.

O Lord, behold these powers threatening me, give me divine boldness to disgrace them.

O Lord, stretch out Your mighty hand to perform signs and wonders in my life.

These are examples of the kind of prayer they prayed and had instant results.

Many of us, whether we like it or not, have arrived at our Red sea situations. Some got theirs very early in life. Some have arrived now, some have just started to hear the sound of Pharaoh running after them.

A woman came to me and broke down and cried saying, "This is disgusting, if I had known that Nigeria was like this. I would have kept my husband in England. Immediately, we got here, he just forgot us and started running after other women who he brings to the house and they take anything they like and go away. The first time I tried to challenge them, three of them beat me up. O, what kind of thing is this!"

Then I said, "Well, if you want to cry, I give you one week to do that and when you finish, you can come back." She said, "I have stopped, sir." I told her so, because prayer and crying do not work together. You may only cry for your sins, that is fine.

Exodus 14: 30 says,

Thus the LORD saved Israel that day out of the hand of the Egyptians; and Israel saw the Egyptians dead upon the sea shore.

That was the end of that contest. They sank like lead in the Red Sea.

A sister came all the way from Ijebu-Ode for the anointing service. She brought her boy who was five or six years old. The boy had never talked. At his young age, he had arrived at the Red sea. It is like when you go for an examination, and immediately you get to the door of the examination hall, the examiner asks you to bring your answer sheet. You give it to him. You have not even answered any question and he says, "Minus fifty!"

A lot of people are like that. Their enemies start with them from the womb. He had removed fifty marks from one hundred before they even became adults. That was the case of that boy.

At the anointing service, there was a word of knowledge that somebody who could not speak would speak. After the service, the mother gave him the anointing oil and they travelled back to Ijebu-Ode. They both slept. And suddenly, the woman started to hear, "Amen, Amen, Amen! And by the time she looked up, it was her boy making the sound. The first sound that this boy produced in five to six years was, 'Amen'! That was how the boy started to talk.

Many people are presently camping by the Red Sea. They were moving forward only to find out that they cannot move further. They have arrived at the Red Sea! Things were moving smoothly and suddenly, the smoothness just faded out. Heaven became brass and the coloured prophets began to make money out of them. And the herbalists started using their money to build their own houses.

A man told me that one prophet told him to sell his big house in Allen Avenue, Ikeja, Lagos for three million naira; a house he spent 11.5 million to build. This prophet told him to sell it and use the money to work for Jesus. He did and the prophet collected the whole money and went away. That was

the only house he had.

The door of escape for some people is getting farther and farther. That is the Red Sea. The joyful morning of some is bringing in fearful nights now, Red Sea! The nice flower in the hands of some people is being buried. Red Sea!

A boy used to fail all available examinations. He failed the school certificate exam several times. Every year, he had F9 in all subjects. There was a particular year he did not enter for the examination, W. A. E. C. still sent him a result of failure. It was that bad. What am I trying to say? He was barricaded on every side. Some people are under hot pursuit. They are being pursued by forces with evil rage, it is a Red Sea.

Perhaps, you too have been hearing the battle cry of the enemy, the battle cry of witches and wizards, sounding right there in your ears. I have news for you now; The Lord shall fight for you.

Jesus has all the strength and victory. All creatures, which are living now, which have lived and which shall be, are less than the smallest dust before the power of Jesus.

When the Israelites were being pursued, they could not fight. They had no army, no chariots, no horses, and no trained soldiers. Everything seemed to be working in favour of Pharaoh until something happened. A voice spoke from heaven and immediately, that was the end of the contest.

The Lord said, "Speak unto the children of Israel that they go forth." Then Pharaoh learnt a big lesson: that man is nothing. He even learnt a second lesson: that God can use the instrument that saved His children to destroy another. That was what He did in the same Red Sea. The Israelites passed through. The same Red Sea swallowed the Egyptians.

All the tests and their preaching did not work as far as God was concerned.

Therefore, beloved, I want you to close your eyes and pray with holy madness like this:

Let impossibility be disgraced before me today, in the name of Jesus.

I want to apply a parable from Matthew 22:11-13

And when the king came in to see the guests, he saw there a man which had not on a wedding garment: ¹²And he saith unto him, Friend, how camest thou in hither not having a wedding garment? And he was speechless. ¹³Then said the king to the servants, Bind him hand and foot, and take him away, and cast *him* into outer darkness; there shall be weeping and gnashing of teeth.

Notice certain points about that parable. A king invited people to his east. He did not force people to attend but there was an enemy at the feast. Every enemy at the feast of your life, shall be disgraced today, in the name of Jesus. The enemy who walked in by his own legs became the criminal. Then the executioners of the firing squad quickly removed the criminal. But it is interesting that the members of the firing squad were also present at the feast.

Whenever God is doing something good in people's lives, a proportion of unworthy forces try to attack them. Whenever God is doing something great in your life, a proportion of members from the camp of the enemy will attend the meeting. No matter how good your spirit system is, they creep in unawares.

God wants to use good materials. If a person then decides to be a useless material, the person will have himself to blame. People should understand that just as this man went from the wedding feast to hell fire, the same thing happened to Korah. Dathan and Abiram. There are powers like that. The feast is what God is doing in your life, the king is Jesus, those invited, the guests without the wedding garments are the enemies that have come in; satanic agents. All such agents shall be paralysed now, in the name of Jesus. So this is why God calls His people, the apple of His eye, the delight of His eye and the joy of His eye.

Make this declaration:

Evil powers might be drinking other people's blood and wasting their lives, my case is different. Every power designing shame and embarrassment for me, be paralysed, in the name of Jesus. Any power that says I should eat sand, should eat sand, in the name of Jesus.

All those who have been harassing the children of God are probably not reading their Bibles. They have read about Pharaoh, Haman, or those who threw Daniel into the lions' den. The big truth is this, there is no one who has battled against the saints who were not ruined by the God of the saints. Check it out.

Those who fought against Daniel were ruined by the God of Daniel.

Those who fought against the Israelites including Pharaoh, were ruined by their God. An angel just gave Herod a little slap, not a big one because if he did, that would have roasted him.

In fact, we need to ask for angelic assistance today because when God sends His angels, they can slap our enemies, block their transport routes, they can invite special fire, attack with the sword or give a last warning.

Angels too can issue curses. They can stretch out their hands for destruction. They can chase or persecute people. So, when you see the Psalmist praying, "Let the angels of God pursue them. Let them have no rest day and night."

At this juncture, I would like you to pray like this:

Let the angel of God pursue and persecute all the enemies of my soul, in Jesus' name.

PRAISE & THANKSGIVING

You are to use these prayers of praise and thanksgiving before each prayer session.

Sing songs of thanksgiving and praises unto God. For example-

I will enter His gate with thanksgiving in my heart

I will enter His court with praise

I will say this is the day, that the Lord has made

I will rejoice for He has made me glad.

Jehovah is Your name, Jehovah is Your name

Mighty warrior, great in battle,

Jehovah is Your name.

Who is like unto Thee, O Lord? Who is like unto Thee, O Lord?

Amongst the gods, who is like Thee?

Glorious in holiness, fearful in praise,

Doing wonders Hallelujah.

Praise ye the Lord, praise Him

In His sanctuary praise Him

In the firmament of His power.

Thou Art worthy O Lord,

To receive glory, honour and power

For Thou hast created all things and for Thy pleasure

They are and were created.

What the Lord has done for me, I cannot tell it all [x3]

He saved me and washed me in His blood

***So I can shout Hallelujah. I can shout Hallelujah,
I can shout praise the Lord.***

For our God is a great God, a great King above other gods.

25. All the blessings of life,
26. Your greatness, power, glory, majesty, splendor and righteousness,
27. Silencing the foe and the avenger,
28. You are at my right hand and I shall not be moved,
29. You are trustworthy and You will help Your own,
30. Not allowing my enemies to rejoice over me,
31. Your wonderful love,
32. You are great and greatly to be praised,
33. Delivering my soul from death and my feet from stumbling,
34. You are my fortress and refuge in time of trouble,
35. Your faithfulness and marvellous deeds,
36. Your act of power and surpassing greatness,
37. Dispersing spiritual blindness from my spirit,
38. Lifting me out of the depths.
39. Preserving me and keeping my feet from slipping,
40. The name of the Lord is a strong tower, the righteous run into it and he is safe.

PRAYING THE SCRIPTURES

God has empowered His word with awesome power, therefore the Word of God represents God. When a believer uses the Scriptures in prayer, great things happen. The Bible says, "God honours His word above His name. (Psalm 138:2).

Spiritual warfare goes into a new dimension when you learn how to pray the Scriptures.

This kind of prayer enables you to pray powerfully. You are empowered to lift up the banner of God's word against all unrepentant enemies. The devil will find it impossible to contest the word of God. Your prayers will spell disaster in the satanic kingdom and attract attention in heaven.

The Scriptures are the words of the king and the Bible says, "Where the word of the kings is, there is power" (Eccl. 8:4). Scripture prayer points are so powerful that, they will produce fantastic results when other types of prayer points appear inadequate.

Handle the Scripture-based prayer points and you will experience outstanding miracles and unprecedented breakthroughs in any area of your life.

Before you pray these prayer points, go into a period of praise and thanksgiving.

1. The Lord bless . . . and keep . . .; the Lord make His face shine upon . . ., and be gracious to. . .; the Lord lift up His countenance upon . . ., and give . . . peace.
2. I pray the Lord of harvest to send out labourers into His harvest to minister to . . .
3. Lord, open . . .'s understanding, that he/she might comprehend the Scriptures.
4. Lord, grant to Your servant that with all boldness he may speak Your

word, by stretching out Your hand to heal, and that signs and wonders may be done through the name of Jesus.

5. Lord, open . . .'s heart to heed the things spoken by Your ministers.
6. Now may the God of hope fill . . . with all joy and peace in believing, that . . . may abound in hope by the power of the Holy Spirit.
7. God of our Lord Jesus Christ, Father of glory, give to . . . the spirit of wisdom and revelation in the knowledge of You, the eyes of . . .'s understanding being enlightened; that . . . may know what is the hope of Your calling, what are the riches of the glory of Your inheritance in the saints, and what is the exceeding greatness of Your power toward . . . who believes, according to the working of your mighty power which You worked in Christ when You raised Him from the dead and seated Him at Your right hand in the heavenly places, far above all principality and power and might and dominion, and every name that is named, not only in this age but also in that which is to come. And You put all things under Christ's feet, and gave Him to be head over all things to the church, which is Christ's body, the fullness of You who fills all in all.
8. I ask that . . . does not lose heart, for this reason I bow my knees to the Father of our Lord Jesus Christ, from whom the whole family in heaven and earth is named, that You would grant . . ., according to the riches of Your glory, to be strengthened with might through Your Spirit in the inner man, that Christ may dwell in . . .'s heart through faith; that . . ., being rooted and grounded in love, may be able to comprehend with all the saints what is the width and length and depth and height to know the love of Christ which passes knowledge; that . . . may be filled with all the fullness of God.
9. And this I pray that . . .'s love may abound still more and more in knowledge and all discernment, that . . . may approve the things that are excellent, that . . . may be sincere and without offense till the day of Christ, being filled with the fruits of righteousness which are by Jesus Christ, to the glory and praise of God.
10. I do not cease to pray for . . ., and to ask that . . . may be filled with the knowledge of Your will in all wisdom and spiritual understanding; that . . . may have a walk worthy of You Lord, fully pleasing You, being fruitful in every good work and increasing in the knowledge of God;

strengthened with all might, according to Your glorious power, for all patience and longsuffering with joy; giving thanks to You Father who has qualified . . . to be partaker of the inheritance of the saints in the light, you have delivered . . . from the power of darkness and translated . . . into the kingdom of the son of Your love, in whom . . . has redemption through Christ's blood, the forgiveness of sin.

11. I pray for . . . that his/her heart may be encouraged, being knit together in love, and attaining to all riches of the full assurance of understanding, to the knowledge of the mystery of God.
12. I pray that . . . may stand perfect and complete in all the will of God.
13. And may the Lord make . . . increase and abound in love to all, so that He may establish . . .'s heart blameless in holiness before our God and Father at the coming of our Lord Jesus Christ with all His saints.
14. Now may the God of peace Himself sanctify . . . completely; and may . . .'s whole spirit, soul and body be preserved blameless at the coming of our Lord Jesus Christ.
15. I also pray for . . . that our God would count . . . worthy of this calling, and fulfill all the good pleasure of His goodness and the work of faith with power, that the name of our Lord Jesus Christ may be glorified in . . ., and . . . in Him, according to the grace of our God and the Lord Jesus Christ.
16. May God comfort . . .'s and establish . . . in every good word and work.
17. Now may the Lord direct . . .'s heart into the love of God and into the patience of Christ. Now may the Lord of peace Himself give . . . peace always in every way.
18. I desire that . . . shows the same diligence to the full assurance of hope until the end, that . . . does not become sluggish, but imitates those who through faith and patience inherit the promises.
19. I pray that . . . may prosper in all things and be in health, just as his/her soul prospers.

(For Ministers)

20. I pray that . . . utterance may be given to . . ., that . . . may open his/her

mouth boldly to make known the mystery of the gospel.

21. I pray also for . . ., that God would open to . . . a door for the word, to speak the mystery of Christ, that . . . make it manifest, as . . . ought to speak.

22. I pray for . . ., that the word of the Lord may have free course and be glorified, and that he may be delivered from unreasonable and wicked men.

PRAYING THE PRAYER OF THE PSALMIST

The Psalmist understood spiritual warfare. His prayer points may appear to be too hot for junior students in the school of spiritual warfare because they contain dreadful pronouncements against the enemies of God.

The Psalms, is a handbook on the warfare of the righteous against demonic forces, Many Christians claim that the prayers of the Psalmist contradict Our Lord's injunction to love our enemies. True, it is a sin to hate any human being. But it is also a sin to love demons and hard-core satanic agents. The Psalmist refused to kill King Saul, his human enemy, even when he found the opportunities.

You must pray against spiritual enemies and not human foes who are mere instruments. Always remember, the only language understood by the enemies of our souls is VIOLENCE and RESOUNDING DEFEAT. Spiritual warfare prayers are to be directed against the powers of darkness and not human beings.

The challenge posed by increased strategies of the power of darkness, most especially against Christianity, calls for an aggressive and violent warfare prayer to counter such satanic revival.

Before you pray these prayer points, go into a period of praise and thanksgiving.

1. Let the powers of the wicked be blown away as the chaff which the wind is driving away, in the name of Jesus.
2. Let the way of the wicked powers assigned to any department of my life perish, in the name of Jesus.

PRAYING THE BLOOD OF JESUS

The blood of Jesus is the greatest weapon of victory for the believer.

The Bible says "And they overcame him by the blood of the lamb and by the word of their testimonies and they loved not their lives unto death" (Revelation 12:11). The blood of Jesus gives us the seal of victory over satan and all his hosts. It is crystal clear that satan can't withstand the power in the blood of Jesus. When we use the blood of Jesus as our weapon in prayer, victory is sure.

These prayer points are useful when Christians want to go into strategic spiritual warfare. All demons, satanic agents and stubborn pursuers will flee when they come face to face with the weapon of the blood of Jesus.

The blood of Jesus gives us victory in battles, healing in sickness, success in life endeavour, power over stubborn pursuers and victory in the human court. If you have tried other prayer points without achieving your desired goal, you can pray the blood of Jesus and you record outstanding success.

Confessions

Rev. 12:11: And they overcame him by the blood of the Lamb, and by the word of their testimony: and they loved not their lives unto the death.

In the name of Jesus Christ, I am a beloved child of God. I believe in God. I believe in Jesus Christ and I believe in the blessed Holy Spirit Who is dwelling in the inside of me. I believe in the unshakeable and eternal power in the word of God. I believe that life and death are in my tongue. I believe that as I make this confession unto life with the power in my tongue, according to the words which the Lord has this day put in my mouth. I shall prosper.

It is written that Jesus Christ offered His blood as a drink, and His flesh as bread that whosoever drinks and eats it shall not die forever. Now, with

strong faith in my heart, I hold in my hand a cup containing the blood of the Lamb of God and I drink it, that I may have life eternal.

I receive unto myself the virtues, strength, power, might and anointing in the blood. And I say, let the blood quicken all that is dead within me. Let all sucked, sapped and paralysed spiritual milk and strength of my life be resurrected by the blood. Let the blood re-energise, revitalise, reactivate and revive all dead potentials and spiritual gifts within me.

Let the blood flush out of me all inherited or self-acquired evil deposits in my system. Let it purify my blood system. Let it make old things pass away in my life and transform everything to become new. Let the power in the blood clean my spiritual vision and wash my spiritual pipe that I may be receiving of the Lord unhindered.

I eat with the heart of faith, the flesh of Jesus; For it is written. His flesh is bread indeed. I eat it now so that I can also eat with Him in His glory; I eat the flesh of Jesus to receive new spiritual strength and vigour strength and vigour to put under subjection all works of the flesh, to paralyse the desires of my flesh, strength and vigour to paralyse the power of my flesh and make it obedient to the laws of the Lord.

As I eat and drink the flesh and blood of my Lord Jesus Christ. I renew my covenant with Him and I receive the life therein; for it is written, life is in the blood. Thus I possess the life and the Spirit of Christ in me. Amen.

Jeremiah found the word of God and did eat it, and it became the joy of his heart. I have found the word of God and now like vitamin pills I throw it into my mouth and chew and digest it. Let it produce within me the power to rejoice in the Holy Ghost, the power to be steadfast in following God, the power to walk circumspectly, the power of holy living and the power of unashamed faithfulness in all circumstances.

The word of God is spirit and it is life. It entered Ezekiel and he was put back on his feet. Let the word of God raise up in me every downtrodden area of my life. Let the word like fire purify me and restore any parts stolen or destroyed by the enemy. Let the word build me up and give me inheritance amongst all sanctified brethren.

Let the joy of the Lord strengthen me. Let His right hand of

righteousness uphold me. Let His countenance brighten up my life. Let the horn of His salvation lift me up out of the valley of life and let His living anointing oil fan on me like the dew of Hermon and fill my life.

Lord, make me drunken with the blood of Jesus and I shall be full of life eternity.

Father Lord, as it is written, that I should be strong in the Lord and in the power of His might. I ask that You be my might and strength all the days of my life. Gird me with Your strength and let me not fall into the pit of my enemies and I will praise You all the days of my life.

With my heart I believe the word of God. With my mouth I have confessed unto salvation and justification. Oh Lord. let it be performed unto me as I have prayed. in Jesus Christ's only mighty name. Amen.

CLOSING THE DOORS AGAINST WITCHCRAFT

Original meaning of the word 'Witch' means to bend to change. The primary function of witchcraft is to bend or what is straight to make it crooked. They change and refashion things to conform to their wicked intentions.

Witchcraft is much more complicated than we can ever imagine. It is deeply entrenched in the heavenlies. It has a lot to do with the sun, the moon and the stars. Witches and wizard are wicked. No matter how much love they claim to have for their children, they still go ahead to sacrifice them.

The operations and manifestations of witchcraft have become very complex in our days. Sad enough, witchcraft has infiltrated into the house of God. A lot of things are now happening. Most of these strange occurrences are pure manifestations of witchcraft which have become part and parcel of the life of many.

You can use these prayer points to bring litigation against the powers of witchcraft, and to close all the doors of your life against witchcraft agents. Take these prayer points with holy anger and you will experience total freedom.

NOTE: These prayer points are to be done from midnight to 3:00 a.m. for 3 days. At least, one day dry fast is recommended. Victory is yours, in Jesus' name.

Confessions: Isaiah 49:25-26: But thus saith the LORD, Even the captives of the mighty shall be taken away, and the prey of the terrible shall be delivered: for I will contend with him that contendeth with thee, and I will save thy children. ²⁶And I will feed them that oppress thee with their own flesh; and they shall be drunken with their own blood, as with sweet wine: and all flesh shall know that I the LORD *am* thy Saviour and thy Redeemer, the mighty One of Jacob.

Luke 10:19: Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

Col. 2:15: *And* having spoiled principalities and powers, he made a shew of them openly, triumphing over them in it.

Psalms 35:1-28: Plead *my cause*. O LORD, with them that strive with me: fight against them that fight against me. ²Take hold of shield and buckler, and stand up for mine help. ³Draw out also the spear, and stop *the way* against them that persecute me: say unto my soul, I *am* thy salvation. ⁴Let them be confounded and put to shame that seek after my soul: let them be turned back and brought to confusion that devise my hurt. ⁵Let them be as chaff before the wind: and let the angel of the LORD chase *them*. ⁶Let their way be dark and slippery: and let the angel of the LORD persecute them. ⁷For without cause have they hid for me their net *in* a pit. *which* without cause they have digged for my soul. ⁸Let destruction come upon him at unawares; and let his net that he hath hid catch himself: into that very destruction let him fall. ⁹And my soul shall be joyful in the LORD: it shall rejoice in his salvation. ¹⁰All my bones shall say. LORD, who *is* like unto thee, which deliverest the poor from him that is too strong for him, yea, the poor and the needy from him that spoileth him? ¹¹False witnesses did rise up; they laid to my charge *things* that I knew not. ¹²They rewarded me evil for good *to* the spoiling of my soul. ¹³But as for me, when they were sick, my clothing *was* sackcloth: I humbled my soul with fasting; and my prayer returned into mine own bosom. ¹⁴I behaved myself as though *he had been* my friend or brother: I bowed down heavily, as one that mourneth *for his* mother. ¹⁵But in mine adversity they rejoiced, and gathered themselves together: *yea*, the abjects gathered themselves together against me, and I knew *it* not; they did tear *me*, and ceased not: ¹⁶With hypocritical mockers in feasts, they gnashed upon me with their teeth. ¹⁷Lord, how long will thou look on? rescue my soul from their destructions, my darling from the lions. ¹⁸I will give thee thanks in the great congregation: I will praise thee among much people. ¹⁹Let not them that are mine enemies wrongfully rejoice over me: *neither* let them wink with the eye that hate me without a cause. ²⁰For they speak not peace: but they devise deceitful matters against *them that are* quiet in the land. ²¹Yea, they opened

their mouth wide against me, *and* said. Aha, aha, our eye hath seen *it*. ²²This thou hast seen, O LORD: keep not silence: O Lord, be not far from me. ²³Stir up thyself, and awake to my judgment, *even* unto my cause, my God and my Lord. ²⁴Judge me, O LORD my God, according to thy righteousness; and let them not rejoice over me. ²⁵Let them not say in their hearts, Ah, so would we have it: let them not say. We have swallowed him up. ²⁶Let them be ashamed and brought to confusion together that rejoice at mine hurt: let them be clothed with shame and dishonour that magnify *themselves* against me. ²⁷Let them shout for joy, and be glad, that favour my righteous cause: yea, let them say continually, Let the LORD be magnified, which hath pleasure in the prosperity of his servant. ²⁸And my tongue shall speak of thy righteousness *and* of thy praise all the day long.

POWER AGAINST HOUSEHOLD WITCHCRAFT

Household witchcraft activities are wickedness beyond comparison. You cannot really enjoy your life on earth until you deal thoroughly with the problem of household wickedness.

You cannot live as ordained by God except you paralyse all wicked household forces.

Witchcraft has no authority over you unless you give it the authority.

You should not be ignorant of the limitation of their powers, their powers are limited. Jesus has redeemed us from their powers. When Jesus said it was finished on the cross, the legal authority of witchcraft was neutralised. We are to enforce their defeat. Do not provide any area of your life for satanic establishment.

Submit your life unto God and exercise your authority in Jesus' name, and as a result witchcraft will bow before you.

Note: *You must be a genuine born again child of God before you these prayer points can work for you. You also have to make your way plain before God by confessing your sins and asking the Lord to forgive you and wash you with the blood of Jesus.*

Confessions

In the name of Jesus. I believe the word of God is steadfast and unshakeable, endures forever and powerful, and it is the power of God that is able to deliver me out of any bondage.

The word of God is God Himself speaking and not man. Therefore, nothing shall be impossible for me because of the word of God I believe in my heart and confess with my mouth.

Father Lord, as I make this confession now. I pray that You will watch over Your word to perform it, because You are a faithful God. You are not a man that You should lie, neither the son of man that You should repent. You

will riot break Your covenant, nor alter the word which has gone out of Your mouth.

It is written, when I ask, I should believe and receive. As I make this confession and go into prayer, I will receive dominion and power, according to the word of God, because I know God will prove Himself strong on my behalf, for my heart is stayed on Him.

I know who I am in Christ. I have been purchased by the blood of Jesus Christ that was shed for me on the cross of calvary. I am a child of God. I am called by the name of the Lord. I am bought by the blood of the Lamb of God. I believe the power in the blood of Jesus. Jesus has translated my life from the kingdom of darkness into His own marvellous kingdom of light and peace. I now belong to the kingdom of God. I have the keys of the kingdom of God in my hands to bind and to loose. I have the authority to trample under my feet, serpents, scorpions and all the power of the enemy.

Through death, Jesus Christ has destroyed satan, who had the power of death. Jesus has delivered my life from death and damnation. Before Jesus ascended, He first of all descended into the lower parts of the earth and stripped the devil of all his power over me. Jesus has taken from satan the keys of death and hell and has given me the keys to bind and to loose.

By virtue of the work Jesus Christ did on the cross, I have power over all the power of the enemy. He has wiped out all the handwriting of requirements that were against me, taking them out of the way, having nailed them to the cross, He disarmed principalities and powers and made a show of them openly, triumphing over them in it.

I hold in my hand now the victory won for me on the cross of calvary by my Saviour Jesus Christ, and I say, "Be shattered Oh you witches and powers of wickedness and be broken in pieces. Give ears all you powers of wickedness in my place of birth or origin, gird yourselves and you shall be broken in pieces. Take your counsel together, it will come to nothing. Chant your incantations, they will not stand, for the Lord is with me as a mighty and terrible one. Therefore, you shall stumble and fall.

"Encamp against me. my heart shall not fear, for in the name of the Lord, I will destroy you. The Lord is the strength of my life, of whom shall I be afraid. Surround me like bees and I will quench you all like a fire of thorns.

"Fashion your weapons of wickedness, they will not prosper. Rise up against me in judgement with all your legal grounds against me, you shall all be condemned because that is my heritage as a servant of God.

"I shall not die but live. Any power that has ever led me captive shall go into captivity. They that afflict and oppress me shall be ashamed. God will contend with all who contend with me. He will feed those who oppress me with their own flesh and they shall be drunken with their own blood as with sweet wine, for the Lord will bring upon them the day of doom and destroy them with double destruction.

It is written that God will light my lamp and enlighten my darkness. But every satanic agent or power oppressing me shall grope in the day time as in thick darkness.

It is written that I should be strong in the Lord and in the power of His might, therefore. I ask that as I go into prayer right now, the Lord will be my strength; strength to run through a troop, to leap over any wall, to pursue and overtake my enemies, to recover my stolen property, to beat them small as the dust, to withstand and overcome all spiritual oppositions and distractions.

I hold in my hand the shield of faith, for it is written that whosoever is born of God overcometh the world. And this is the victory that overcometh the world and its wickedness, even my faith.

In faith, I go into this prayer session. In faith, I have the victory. In faith, my enemies are all subdued under my feet and none can escape.

My heart steadfastly believes the word of God. I have confessed with my mouth and by the word of my mouth, let me be justified Oh Lord, and let all my enemies be condemned. I seal my confession with the blood of Jesus. Amen.

Before you pray these prayer points, go into a period of praise and thanksgiving.

POWER AGAINST STUBBORN SITUATIONS

Stubborn and unpleasant situations sometimes do require stubborn measure of violent prayer.

Obadiah 1:3-4: The pride of thine heart hath deceived thee, thou that dwellest in the clefts of the rock, whose habitation is high; that saith in his heart, Who shall bring me down to the ground? ⁴Though thou exalt thyself as the eagle, and though thou set thy nest among the stars, thence will I bring thee down, saith the LORD.

More often than not stubborn situations arise because of satanic embargoes. Rejoice, beloved, because no matter how powerful the power behind the problem is, the Lord will disgrace it. The enemy has won long enough, he has been boasting long enough. The time to silence him has come. Pride goes before a fall. Goliath was the pride of the Philistines. He boasted against Israel for 40 days and 40 nights only one stone from David's sling killed him.

It doesn't matter how long the situation has been there as you pray these prayers with spiritual violence, God will fight for you. (Exodus 14:14)

POWER AGAINST SPIRITUAL MARRIAGE

How real is evil spiritual marriage? Is it spiritual?

"And it came pass when men began to multiply on the face of the earth, and daughters were born unto them, That the sons of God saw the daughters of men that they were far and they look them wives of all which they choose" (Gen. 6:1-2).

Here we are told that sons of God saw that the daughters of men were far. What is the significance of that statement? Just as a man sees a lady and he is fascinated or attracted to her, so a spirit being can admire a normal human being and decide to strike a compulsory marriage deal with her.

Let us examine Gen. 6:4: "There are giants in the earth in these days; and also offer that when the sons of God came in unto the daughters of men, and they bare children of them the same became mighty men which were of old, men of renown."

Evil spiritual marriage is more complex and real than many people would imagine. Unfortunately, it is a legal marriage, even though it is conducted in the spiritual realm. The results are visible in the physical realm. We are aware that legal contracts are binding to those who are involved in it. I play those who are legally married in the spiritual realm but have no inkling of the reality of the marriage. Aggressively pray these prayer points for total deliverance and victory.

POWER AGAINST DESTINY KILLERS

The weapons of the Christian's warfare are the most powerful on earth. They can demolish all the attackers of your destiny who are trying to prevent you from reaching your goal in life.

1 Cor. 2: 7,8: "But we speak the wisdom of God in a mystery even the hidden wisdom which God ordained before the world unto our glory; which none of the princes of this world knew: for had they known it, they would not have crucified the Lord of glory."

The devil seeks to destroy the destiny of the children of God. He and his agents have devised many means of discovering the destiny of the children of God. For example, when a baby is born, they use his stars, read his palm, and use light and sand to discover his destiny. They would then manipulate and abort the destiny. They also manipulate people's destiny by manipulating their placenta, using charms and covenants, throwing things in the sea and by witchcraft.

When Jesus was born, Herod, (the spirit that kills good things in infancy) tried to kill Him. Joseph was warned by an angel to take Him to Egypt, thus His life was spared.

The devil, using human agents like Herod and Pilate and the religious rulers of the day, got Jesus crucified. The devil did not realise that the death of Jesus marked the beginning of his defeat. The day Jesus died, he jubilated. He thought he had destroyed God's plan. On the resurrection morning, he wept as the Lord of glory rose from the dead. God's prophecy had come to plant the seed of the woman making it impossible to destroy the destiny of Jesus. By killing Jesus, the devil helped Him fulfil His destiny.

DEALING WITH THE HEAVENLIES

Although the heavens are above your head, we know very little about the heavenly hosts.

Satan works very hard to pervert the sun, the moon and the stars and converting them to it's own wicked use.

Therefore, there must be some underlying purposes and truth which God has for us in the heavenlies. The early civilization was pre-occupied with the heavenlies because they could draw powers from there. Both positive and negative powers have been drawn from the heavenlies.

Bible students know that there are three heavens, the second heaven is the satanic headquarters, it is in this realm that you find what the Bible calls "Spiritual wickedness in high places." You also have spiritual check-point in that realm. The strongman which is attached to every family operates in that realm.

The third heaven is the abode of God. There are secret divine messages hidden in the stars and the heavenlies. The early man had a sophisticated knowledge of God. The most wicked of men draw powers from the heavenlies. These people have made the moon and the stars their stronghold of power. They are strongholds of power. They also draw power from spiritual wickedness in high places.

Confession: Obadiah 1:3-4: The pride of thine heart hath deceived thee, thou that dwellest in the clefts of the rock, whose habitation is high; that saith in his heart, Who shall bring me down to the ground? THE COUNCIL OF WICKEDNESS MUST BOW

Wicked forces often form an alliance or a council. When the problems experienced by people emanate from such council of wicked forces, such problems are often complicated.

Wicked forces have one goal; to destroy what is good in every department of one's life. When the council of wickedness are allowed to gather together and go into their evil operations the result can hardly be imagined. They will perpetuate spiritual attacks, physical destruction, financial embarrassment, scandalous event, poverty and all forms of negative situations.

You must not allow the council of wickedness to go into operation against your life. You must come against them with the operation of prayer and command them to bow. You must remember that the Bible has declared that right from the time of John the Baptist the kingdom of God suffereth violence and the violent taketh it by force. You must use the weapon of violence and in order to make the council of the enemies to bow down and lick the dust.

Use these prayer points and the camps of wickedness will bow.

DESTRUCTION OF EVIL CAULDRONS (POT)

Evil caldrons are terrible weapons used by the devil to cause terrible havoc in the lives of people. It is a common phenomenon in the African continent, which has remained a source of satanic attack in the life of millions of people.

A caldron is a demonic pot in which human lives are cooked in order to programme all kinds of problems into the lives of the victims. Demonic caldrons are used to manipulate human destiny and tamper with human goodness from the spiritual realm.

A city can be a caldron. That is why the Bible says, "This city shall not be your cauldron." Unknown to most men and women their problems are rooted in the very wicked caldrons which witchcraft forces are operating in dark places. Once the life of a man or a woman is inside an evil caldron such a person can never prosper. There are countless numbers of people who labour like elephants and catlike ants just because an evil caldron is working against them.

You must declare wars against all evil caldrons. Although, the Bible has said that no weapon fashioned against you shall prosper, yet we must realise that the weapon of the caldron needs special handling. You must take these prayer points if you want to destroy all evil caldrons.

Confessions: Ezekiel 11:3: Which say. *It is not near; let us build houses: this city is the caldron. and we be the flesh.*

Ezekiel 11:7: Therefore thus saith the Lord GOD; *Your slain whom ye have laid in the midst of it, they are the flesh, and this city is the caldron: but I will bring you forth out of the midst of it.*

Micah 3:3: *Who also eat the flesh of my people, and flay their skin from off them; and they break their bones, and chop them in pieces, as for the pot, and*

as flesh within the caldron.

Before you pray these prayer points, go into a period of praise and thanksgiving.

I WILL NEVER SURRENDER TO THE ENEMY

There is fierce battle between the powers of darkness and God's people. The devil and his lieutenants are ready for a deadly battle. They are not willing to give up unless they are constantly bombarded with the weapon of aggressive prayer points.

If the devil could have his way he will want you to surrender to him each time he comes against you but, victory can be achieved through persistent and perseverance in battle.

The battle may be long but victory is sure. Therefore, you must not surrender to the enemy. The warfare will soon be over. Just put up a little more effort and victory shall be yours. Don't allow the devil's tricks to intimidate you. You will surely overcome.

Confession: Rev. 12:11: And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.

BREAKING THE THRONE OF INIQUITY

It is very important that you understand the source of your problem. A clear understanding of the source of your problems will go a long way in making it easy for you to experience victory. A lot of people are not aware of the fact that the stubborn problems which they are going through come from the throne of iniquity.

The throne of iniquity is a demonic strongroom which has been carefully built-up and used as a weapon of wickedness and destruction.

The powers behind the throne of iniquity have succeeded in shrouding their activities in secrecy. You must locate the throne of iniquity in your life and destroy all their activities.

These prayer points enable you to focus your attention on the throne of iniquity and bulldoze them with the artillery of fire prayers. If you take these prayer point aggressively, the throne of iniquity will be broken, stubborn problems will receive divine solution and impossible situations will receive the touch of divine possibility.

PRAYER OF CLEANSING OF THE HOME

There are lots of spiritual cobwebs in many homes. Once these strange objects lie hiding in homes nothing will work. The husband will count the wife as an enemy and the wife will see her husband as an unwanted stranger.

A lot of unseen objects are hanging in many homes while others are buried physically or spiritually.

Evidences of a bewitched home include mysterious death, sickness, quarrels, failure, spiritual attack, nightmares, satanic dreams, lack of progress, hatred, barrenness, miscarriages, wayward children, etc.

To enjoy your home, you must undertake the spiritual cleansing of your home. These prayer points can be used to sanitise your home and expel all demons that may be hibernating in some hidden corners. These prayer points must not be taken only when you feel that there is a problem. You must take them on a regular basis in order to ban demonic powers from throwing evil spiritual garbage in your home and to expunge whatever they have succeeded in dumping into your home.

Before you pray these prayer points, go into a period of praise and thanksgiving.

By the blood of the Lord Jesus Christ, I bind every evil spirit that is in this room and I command them to flee right now and go where the Lord Jesus Christ sends them. I claim by faith that this room is covered under the blood of Jesus Christ and no evil spirit can enter it. (Pray this over every room in the house.)

After going through every room in the house, pray like this:

I dedicate and consecrate this home to the Lord Jesus Christ; and satan has no hold on it. I surrender everything in this house to the Lord Jesus Christ and claim it under His protection. I bind every evil spirit that is in this house and command them to flee and to go where the Lord Jesus Christ sends them.

I claim by faith that everything in this house is covered under the blood of Jesus Christ from the top of the roof to the bottom of the footing and everything in between. I claim by faith that this house is surrounded by a hedge of thorns, a wall of fire, a wall of faith, and covered under the blood of Jesus Christ. I pray that warring angels would come to protect the four corners of this house and everyone inside. Thank You for the complete victory we already have in Jesus Christ. Amen!

CONFESSIONS THAT BRING PROSPERITY

There is a strong link between your confessions and prosperity. If you speak words that give room to poverty to strive in your life, poverty will make your life its dwelling place.

Poverty is against the will of God for your life. If you allow the spirit of poverty to station itself in your life, you will remain poor all the days of your life. But you can turn your situation around by making confessions and pronouncements that bring prosperity.

Prosperity can be yours if you learn how to say the same thing with God. Prosperity pictures are powerful and they can lift you up from the valley of poverty to the mountain-top of prosperity. Stop calling yourself a poor man or woman. Make these confessions until you begin to experience visible transformations in your life.

As you confess these words of God concerning prosperity, you will receive victory over poverty, debt and financial lack. Every wrong circumstance and every bad situation will be turned around. Every attack will be turned into victory. Be encouraged to confess it over and over again. Let the Word of God sink deep into your spirit. No matter how you feel, no matter what you see, no matter what you have experienced in the past, God's Word always works. It never fails. Shout your prosperity confession right into the devil's face. Make this confession a part of your daily life and expect God to work a miracle for every need you have.

Before you make these confessions, go into a period of praise and thanksgiving.

I DECLARE WAR

Those who understand warfare know that there are two methods of fighting a war; defensive and offensive warfare. It is very good to be able to defend your territory but it is more noble to launch an offensive warfare against your enemy.

Declaration of war is essential for a tested and trusted soldier. You cannot experience total victory or success until you are able to learn the art of launching an offensive attack against the camp of the enemy.

The prayer points under this topic are tough and aggressive. You must take cognisance of the fact that we are not wrestling against flesh and blood but against wicked spiritual forces. These powers will not allow you to enjoy what God has provided for you until you learn how to declare and wage war against them. These prayer points will enable you to receive the power to become a victorious warrior.

Take these prayer points and watch stubborn enemies fall flat on their faces.

Confession: Rev. 12:7: And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels.

Before you pray these prayer points, go into a period of praise and thanksgiving.

BE DRUNKEN WITH YOUR OWN BLOOD

The devil is a blood thirsty personality together with an array of blood sucking demons. They attack innocent victims. Witchcraft forces go about night and day looking for fresh blood to suck.

If care is not taken, you might become a victim. Do not wait until you are attacked. Rise up like a soldier and command wicked spiritual forces to be drunken in their own blood.

Use these prayer points as means of giving the enemy 'fire for fire' by commanding every enemy of your soul to be drunken with their own blood.

This is the end time and satanic agents are more wicked than ever before. Rather than allow them to drink your own blood, make them drink their own blood until they get drunk and begin to stagger. The situation in your life must change and you must not remain a victim of satanic wickedness.

Pray these prayer points as if your survival depends on it. Do not allow the devil to gain an inch of the plan of your life. Expel all blood sucking demons.

Confession: Isaiah 49:24-26: Shall the prey be taken from the mighty, or the lawful captive delivered? ²⁵But thus saith the LORD, Even the captives of the mighty shall be taken away, and the prey of the terrible shall be delivered: for I will contend with him that contendeth with thee, and I will save thy children. ²⁶And I will feed them that oppress thee with their own flesh; and they shall be drunken with their own blood, as with sweet wine: and all flesh shall know that I the LORD am thy Saviour and thy Redeemer, the mighty One of Jacob.

Before you pray these prayer points, go into a period of praise and thanksgiving.

RELEASING CONFUSION ON THE ENEMY

God does not expect you to remain a victim of satanic attacks. You must get to a point where you quit the camp of those that are being pursued and become a pursuer. It is lack of maturity to cringe before the enemy each time he attacks you.

Power must change hands in your life. Junior students in the school of spiritual warfare often panic and look for solutions whenever the devil attacks them. But tested and trusted soldiers have constituted themselves into threats before the enemy.

You must use the weapon of prayer as a means of releasing confusion into the camp of the enemy. By allowing the enemy to remain calm, organised and strong, you grant him the power of attacking you but when you go into strategic warfare by bringing confusion into the camp of the enemy through these prayer points you will be able to enjoy peace, progress, stability, promotion and prosperity. Do not spare the enemy. Release confusion into his camp and he will no longer be able to make you an object or a victim of his attacks.

Confession: 2 Chron. 20:20: And they rose early in the morning, and went forth into the wilderness of Tekoa: and as they went forth, Jehoshaphat stood and said, Hear me. Stubborn curses will leave its victim in the valley of life. Everything that a victim of stubborn curses touches will become a plague. Life will become unpleasant and things that are generally achieved with ease will become a burden to victims of stubborn curses.

LET THE POSITIVE SWALLOW UP THE NEGATIVE

There are two distinct forces on earth; positive and negative forces.

Negative forces are responsible for all kinds of problems and satanic attacks.

Positive forces on the other hand represent what is good. If you allow negative forces to a bound in your life, you will experience problems whenever you turn to.

However, if you allow the positive to swallow up the negative, your life will be filled with blessings. Do not worry about any satanic attempt to introduce the negative into your life. You can destroy the enemy with his negative forces by praying that the negative will be swallowed up by the positive.

Your problems can become testimonies, and you can turn every stumbling block into stepping stones. Through these prayer points you can demand and tell the negatives in your lives to be swallowed up by the positive power in the blood of Jesus.

PRAYING AGAINST FRAGMENTED LIVES

Fragmented lives are easily noticed.

A victim of such a spiritual attack will find it difficult to hold himself or herself together. Such people are generally confused, disgruntled and they generally have a disjointed personality. Victims of fragmented lives are always at war with themselves. They react as if their lives have been divided into irreconcilable fragments. Such people often quarrel with people for no just reason.

If you have noticed that your life is filled with contrary goals and ideas you are suffering from spiritual fragmentation. People whose lives are fragmented cannot achieve meaningful results as efforts made will yield no positive result.

You cannot continue to live a fragmented life and achieve the plan of God for your life. You must take these prayer points until there is decency, order and spiritual decorum in every department of your life. As you begin to take these prayer points, you will begin to notice a coming together of disjointed parts. Confusion will give way to peace and harmony and chaos will be swallowed up by glorious harmony. Inner wars will cease and divine order will be introduced into your life.

DEALING WITH DRAWERS OF POWER FROM THE HEAVENLIES

There is more to the sky above than what is seen by the eye.

In the spiritual realm, the heavenlies plays a dominant role. What happens on earth emanate from the heavenlies.

Many people battle with what they can see without knowing that the unseen is the real issue. Certain powers reside in the heavenlies and their main preoccupation is to attack innocent men, women and children. These powers are aided and abetted by human agents who draw power from the heavenlies in order to control human life and destiny.

You must therefore deal without the heavenlies if you want to put an end to domination by evil powers.

Confession: Joshua 10:12-13: Then spake Joshua to the LORD in the day when the LORD delivered up the Amorites before the children of Israel, and he said in the sight of Israel, Sun, stand thou still upon Gibeon; and thou. Moon, in the valley of Ajalon. ¹³And the sun stood still, and the moon stayed, until the people had avenged themselves upon their enemies. Is not this written in the book of Jasher? So the sun stood still in the midst of heaven, and hasted not to go down about a whole day.

BREAK DOWN THEIR EVIL ALTARS

Spiritual evil altars are built and mounted in the spiritual realm by satan and his hosts. Once an evil altar is in place, a lot of things will begin to go wrong.

Unfortunately most evil altars function while the victims do not know what is responsible for the problems. If you attack every other thing and you leave evil altars untouched, the devil will continue to have his way. You must locate and break down all evil altars.

These prayer points are meant for the destruction or the breaking down of satanic altars. The prayer points in this section may appear somewhat strange to novice in the school of spiritual warfare. However those who are tutored in spiritual warfare know that stubborn problems can only be taken care of when demonic altars are destroyed. You may have to spend armful time on these prayer points. It may take a very long time before all the strongholds that are located on the evil altars are totally destroyed.

Do not stop praying until an evil altars are destroyed.
