In a time and age when the Gift of the Prophet and the Prophetic is so misunderstood and abused by those in the church, this workbook, **“Releasing the Seers’ Gift in You”**, brings clarity to both the operation of the Office of the Prophet as well as the gift of the Prophetic. It is not only an informative piece of work, but instructional help for those who seek Word based understanding of the Prophetic that operates in us all.

Prophet Ricky Dent truly has tapped the core of the Prophetic Heart in this insightful and instructive writing and workbook. One can tell that the writer is seasoned in the prophetic but also that wisdom from Heaven has been imparted unto him.

I believe that as the Kingdom is constantly being propelled forward in its Mandate of equipping the Saints of God, **“Releasing the Seers’ Gift in You”** is a much needed work for Leaders and Laypersons alike in the Church.

***Releasing the Seer’s Gift in You** is an exceptional book by Prophet Ricky Dent. It provides in-depth revelations that could only have come through meditation and personal experiences of listening to and living out the Rhema words of Yahweh. This book can take you to another dimension of understanding in the prophetic. But it must be read with an ear to hear what the Spirit is saying.*

**Endorsement**

**I met Prophet Ricky Dent twenty years ago in Atlanta, Georgia and God used him mightily to mentor me in the Prophetic ministry and the Word of Life. He is not only versed in the Word of God, have great insight into revelation knowledge, rightly dissecting the truth but he has great insight into the heavenly places. He seems to be one of the Elijah of our days that can say “before God whom I stand” because he is so connected with the happenings up there that I often wonder if he is an angel dwelling among men. His book “Releasing the Seers Gift In You” does not come as a surprise because he is qualified to speak on that subject.**

**The book is full of revelations of the Word and deep prophetic insight such that the eyes of the reader can open up to see by grace gifts those things**

that God has prepared for them that love him. Having read the book myself, I assure you that it will greatly enhance your knowledge of the Seer's ministry and the balance between the word and the spirit will help you to strike a balance in your life and ministry.

## **The First Frontier: Born Again Experiences Then Spirit Filled**

The born again experience for me was very surface. This is not a put down on anyone’s personal experience, I am only

sharing what happened and how I became a Seer. I had received salvation many times before I was Spirit-filled. And for me there was no big change in me. The first few times I said what the TV Evangelist asked me to say, asking Jesus into my heart, receiving somewhat of an emotional conversion with Christ but no deep change in character or life style. So I would fall back into my old habits. The enemy did not want to let me go or release his dark plans for my life. Being raised in a very dysfunctional family opened many doors to the powers of darkness. I would experience attacks from the enemy many times after receiving salvation. For example, one night after giving my life to Christ, I woke up feeling like I was being choked and hearing the enemy say **“You better not say that name! I’m thinking “What name?” Then I remembered and said JESUS!! JESUS!** Then it broke off me. It was quite an affair to return to sleep that night. This was all happening during middle school and the early high school years.

After about two or three times of trying to receive salvation and experiencing these attacks from the enemy, I simply gave up on being saved or participating in any church activities. Then my life fell into a dark period of rebellion, drugs, and crime. I was not looking for the Lord when he found me. In fact, I thought I was happy in my sinful life. I was living with an older woman doing drugs and didn’t see any need for a change. That was until I ran into an old friend from high school. He had gotten really saved and was married too. Yes, James the player had gotten married! I couldn’t believe the guy that could have any woman he wanted to have had gotten a wife! He invited me to church. I said yes, but really didn’t plan on going. I was giving lip service to the conversation. He asked me a few more times. I finally said yes just to get him off my back. I had always attended the local Baptist Church where I lived. This was one of those Holy Roller churches. The ones where they play

the loud music and everyone is running around the room like something is chasing them.

Looking back I could discern that these people had something **“in them”** that I didn't. I didn't know what it was and didn't know if I wanted it. But there was a joy to them. They seemed happy about everything, good or bad. I said to myself “These people must be on some kind of drug. They are on something for sure. Then they would start talking in these funny languages that made them act all the more wild. Then one would speak very loudly in this odd, non-English language and another one would start speaking in **English**, explaining what was just said. Wow! This was craziness to the fifth power. Yet, I felt at home with these crazy people. They liked me. I mean really liked me and they didn't even know me.

I was sitting in my chair listening to the loud music and watching all this running and jumping going on, when I heard a voice in my head that said **“why are you sitting down? At least you can get up and clap your hands to the music.”** So I got up and started to clap my hands to the beat. **Then something grabbed me!** I couldn't stop clapping and my legs were jumping higher and higher. That's when I sat down real fast and grabbed the chair and said, **“Please Lord, don't throw me on the floor and shame me in front of these people.”** The Spirit simply lifted off of me. Now I didn't know anything about the Holy Spirit or Holy Ghost at that time. I was just afraid of something taking control of me and having me act like those crazy people. **(Sometimes we all miss God!)** At this time, I felt that I was losing my self control. I got up and ran for the back door of the church. I got outside of the door and it started to rain. It was really hard rain. I then heard that voice again say **“Where are you going? Where do you have**

**to go to? Didn't you say to prove myself?"** I was always a smart mouth, saying things like **"God got to prove it to me!"** Therefore, I turned around and came back into the church, sitting on the back row. **I had come face to face with a little more truth than I was ready to handle.** I would hear those words a few more times before I was ready to face them head on. **"You told me to prove myself"**

### **Thank God! He ain't through with us yet!** **Apprehended by the Spirit**

Church service was finally over and it was time to go home. I had no plans of ever coming back to this place or so I thought. In fact, I came home and started to talk about what happened. I told people not to go up to that church. **"They've got something that will jump on you up there."** Still knowing nothing about the Holy Spirit or His power, unknowingly I was speaking against the power. Thank God for mercy and grace. There is an old saying in our community **"God looks out for babies and fools"**

### **My first encounter with a word of knowledge**

One day, I was walking through a neighborhood headed home when I heard a voice calling me. **"Bro. Ricky! Bro. Ricky!" "Bro. who?"** I said to myself? I turned to see the person calling me. It was a young girl on a bike throwing newspapers. **"Hi Bro. Ricky where have you been, we miss you at church"**

Oh God it's one of those crazy people from that church! The one that does all the running like something is chasing them. "Hi, I'm Baptist", I said, thinking she is trying to get me saved or something, I'll tell her I'm already saved I'm Baptist, I'm already in the Club. **"No that's not what he told me to tell you,"** she says. Then she begins to tell me

**“The Lord showed me you with this woman.”** She gave details of the event. My mind was blown. I was mad, afraid, and excited all at the same time. **“He said you need to stop doing that. He loves you.”** And she took off on her bike. I was standing there blown away. “What just happened? How did she know all of that?” Then that little small voice again in my head said **“You told me to prove myself.”** Now I wanted to disbelieve yet. I can’t. Something is happening to me on another level.

I returned home after this experience and start a major fight with the older woman. I asked her **“Have you let anyone into this house? I met this little girl that told me all of our personal business today”** She says, **“No one has been in this house today and what little girl? Are you crazy?”** The carnal mind is always trying to disbelieve God on any level.

A few nights later I was still living with this woman, with no plans of leaving, (so I thought.) Yet, I am getting this strong inner feeling of going to get saved, to go back to the church and see if all this is real or to determine if I am going crazy. That little voice is continuing to talk to me more and more now. It is saying the words **“You told me to prove myself.”**

My old friend James, who initially invited me to church, was hounding me. He stopped by my mother’s house every day. All I knew was that I didn’t have any peace with the woman that I lived with, she hadn’t changed. I had, but how?

Over the years I have learned a few things about God, He is not looking for special people. We are all equal in his sight. He loves us all the same and on the same level. **He does pay close attention to the desperate ones.** He

knows how to get your attention and how to make you hurry for him. **I became very desperate to know the truth.** Desperation will drive you into His presence faster than you may even want to go. All my life I wanted to know if God was real or some joke and now, here He was, inviting me to come and hang out with the crazy people. Come my way, not your way son.

### **A Full Encounter With The Holy Ghost: The True Seer**

Later that night after arguing with old girl, I picked up the phone and called James. I asked him to meet me in front of my mother's house to talk. He agreed to come. It was around 12:30am, yet he gladly came. We drove to his apartment. James led me through the salvation prayer. I had done that before with the TV Evangelist. Then he asked me a question, **"Do you want the Holy Ghost?"** I asked, "What's that"? He told me that the Holy Ghost is the power to keep you. I answered him, "Yes I'm going to need all that I can get." He then laid his hand on my head. During this moment my mind was racing all over the place. The carnal mind was fighting hard saying, "You are crazier than those people if you do this. Where are you going to stay to night? You can't stay here! Are you going back to old girl? Your mother is not going to let you stay with her. You haven't been there in three years. You fool! Where are you going now"? I didn't even hear his prayer all I heard was **"You Got it!" The HOLY GHOST, YOU GOT IT.**

Please hear me out I'm not belittling the infilling of the Holy Ghost by any means, just keeping it real by sharing what happened. I didn't even speak in tongues at that moment of infilling, that happened later. God has his way of doing what he wants to us his way. I asked James to take me to my mother's house. He did take me it was around 3:30

am. My mother usually doesn't open the door for anyone this time of morning, this was my first miracle. She came to the door herself and let me in!

I hadn't lived with my mother in three years. I went to my old room, fell on the bed and started to pray a simple prayer, **"God please keep me."** I had never had any dreams other than nightmares at that point in my life. However, that night my eyes are open by the Holy Spirit to dream dreams and see visions. As it is written **"I will pour out my Spirit and your young men shall see visions and your old man shall dream dreams."** I was having full dreams and visions of the events of the next day that night in my bed. It was awesome. I saw the people I would meet. The places I would go to and the times. I would stay and return to this house.

Wow Wow is an understatement to what was to happen night after night. This went on for over a year. I don't want to appear to be sounding special. **I credit all of this to the level of desperation I was under.** God had positioned me to receive from the Holy Spirit because of my great need. I was in a desperate situation. First, I believe it was my inability to read properly. I was reading on a 5<sup>th</sup>. grade level. Therefore I couldn't read the Bible. Second, I was a drug user and dealer. When I was filled with the Spirit I received full deliverance from drugs. However, that deliverance did not cover the large debt I owed the drug dealers that sold drugs in front of my mother's home. There were times he would give me visions and dreams of when to come out the house so I would not have to face them. God has a reason for what and how he does His work in each of us. We are all originals not copies. Therefore, his ways are unique to and for us all. There may be some general connections, but his ways are past finding out. Even how He has taught and trained me in

sharing the seer gifts is unique. Speaking of His uniqueness, the young lady that gave me my first prophetic word would become my wife (of 29 years now) four years later after that prophetic word. God is just too good, real, and unique! We have two wonderful children, Nathaniel and Katelyn Dent.

## **Receiving Revelation from Scripture**

Paul's prayer for the Ephesian's church is my prayer for all who encounter this book. Eph. 1:17-18 states, "That the God of our Lord Jesus Christ, the Father of glory may give *unto you the **SPIRIT OF WISDOM** and **REVELATION** in the knowledge of him. The eyes of your understanding being enlighten...*" Revelation simply means "Divine Insight into God's view or point of view (His perception)". God has no blind sides unlike humans who all have a blind side. As we read and believe the Word of God His Holy Spirit unveils and reveals God's divine insight and point of view which releases faith and power within our spirits. The Spirit of **Wisdom and Revelation** is the tool the Holy Spirit will use to minister divine insight and understanding to the believer. Paul wanted the Ephesian Church to have spiritual insight and foresight into the plan and purpose of God for their lives. He wanted them to SEE through and by the Spirit, not just have head knowledge. You can read this book with just your logical mind and get nothing but information or you can read it with and through the Spirit of Wisdom and Revelation and have your life forever changed.

## **Ten Scripture Revelations for Seers**

1.) St John 16:13, 2.) Rev. 12:11 3.) Phil 1:6 4.) St. John 4:24

5.) St. John 12:3 6.) Heb. 1:14 7.) 1Tim 4:15 8.)  
Joshua 1:8 10.)  
9.) Mark 13:11 10.) 1Cor. 14:2

It is written in St. **John 16:13** "Howbeit when He the Spirit of Truth is come. He will lead and guide you into all truth. He will not speak of himself. But Whatsoever he hears, that shall he speak and HE WILL SHOW YOU THINGS TO COME. He will reveal present and future truth by vision and revelation. The Holy Spirit is the true Seer. One of His assignments is to reveal truth unto us as believers.

When I discovered this glorious truth, that He, the Spirit of Truth, was more than just a warm feeling; that He has inside information for me, things that I could not know without His revealing them to me. Now how was he going to SHOW ME? The Holy Spirit is going to use his gifts to talk to and show me present and future events, especially things that aid me in my calling and purpose in him. Even in the writing of this book, he is going to teach and show me what I need to know.

God's whole purpose is to teach and **SHOW US ALL.** Therefore there is a Seer within us all, to see and know the mysteries of God. The spirit of man is the candlestick of the Lord enlightening and showing us his will for our lives.

### **Learning the How of it all**

There are nine gifts which come with the Holy Spirit. They are outlined in three areas: first the Verbal Gifts: Prophecy, Divers Kinds of Tongues, & Interpretation of Tongues. Second are the three revelation gifts: **Word of Knowledge, Word of Wisdom, Discernment of Spirits.** The Third area is the Power Gifts: Faith, Gifts of Healing and Working of Miracles.

When the Holy Spirit wants to reveal or show us something he uses the revelation gifts, **Word of Knowledge, Word of Wisdom** and **Discernment of Spirits**. It is written in **Mark 13:11** to "... **Take No Thought** before hand what ye shall speak, ... whatsoever shall be given you in that hour that speak ye, for it is not you that speak, but the Holy Ghost."

In order to get a clearer understanding of "**Take No Thought**" we need to look at how the human mind works. It runs on thoughts; the analyzing or reasoning of thoughts as well as imaginations. Another verse says "it shall be GIVEN you." Given thoughts are usually found within the imagination which is the visionary side of our thinking. The Bible speaks of inspired imagination and vain imagination. We are told in **2Cor.10:5** "*Casting down vain imaginations and every high thing that exaleth itself against the knowledge of God.*"

One of the basic levels of the seer gifting is inspired imagination and visions given by the Holy Spirit, which are called a Word of knowledge or a Word of Wisdom & Discernment, which reveals present and future answers. The world calls them "**Aha moments,**" when foresight and wisdom are revealed about things unknown before hand. The human brain has two sides the creative side (imaginative) and the reasoning side (the logical). The scripture which confirms the fact that there are two sides to the brain is St. **John 4:24** "*God is a spirit: and they that worship him must worship him in **SPIRIT** and in **TRUTH**.*" Spirit is the right or creative and imaginative side of the brain while Truth is the reasoning and logical side. Most religious people favor truth over the spiritual side. Yet we are call to worship in Spirit and Truth, with our whole heart and mind. God speaks to the automatic side of our brains first, which is the creative and

imaginative side. When I say automatic I mean there are parts of our brain that work without any thinking on our part. For example the heart beats, we breathe. Our eyes bat. They work on a subconscious level. We are conscious of thoughts that tell our legs and hands to rise, all this works from the truth side. This is one of the ways to know that God has revealed something to you, it sticks or is set. Things that are developed and revealed to your subconscious have a way of becoming apart of our automatic system. When operating in the gifts of the Spirit there is a automatic flowing not a lot of thinking is done, the Spirit is at work.

### **Example of a Word of Wisdom while sharing with a woman.**

We were ministering at a prophetic school. I ask the Lord to give me a word for the people, I knew I would be ministering prophetically to the students. So when a student came up to me I began to see in the Spirit, I saw her stand before me with two young children standing beside her. Yet in the natural it was only her standing before me. Then I began to say what I was seeing *"I see two children standing beside you as you stand. She begins to cry."* I didn't know but God did know that she was engaged to be married to a man that has two small children. She wanted the Lord to let her know if she was to marry him or not. As we ministered to her I said *"these are your children"* not knowing in the natural or by reasoning or the logical mind if she even had any children. However the Lord knew what she needed to hear. Amen.

There are three phases to receiving revelation from the Word. The first is the **BELIEVING** phase. The scriptures say that the devil believes, even fears, when he thinks about the Word. Yet, for so many this is the only level of faith we know **"BELIEVE."** However, we must move from believing to

**KNOWING**, which is when the Holy Spirit gives you an encounter or experience in the Word of truth. You know by experience. The third stage is **REST**. At this point we have full assurance. When truth becomes what we know, there is a rest we enter into. It is call 30 fold, 60 fold then 100 fold production and growth of the seed of truth. True revelation is not automatic or instant. Inspiration is instant.

As we read we are inspired, or enlighten, by the Holy Spirit, but full and workable revelation requires more. The Holy Spirit has to get the Word into the “good ground” of our hearts as spoken of in the parable of the sower sowing seed into difference areas and levels. Some (seeds lay) by the **wayside**, some on **stony ground** others **among thornes** then the **good ground**. There is a process to growing deeper in the things of God, it is not microwavable. It is the cultivating and formation of inspired thoughts, inspired images and rhema moments that determine how far we will grow and go in God’s kingdom. We all are not taken straight into heaven to receive deep encounters yet we all can develop and grow into these experiences. The process does increase as our spirits grow and develop. I want to encourage every one that reads these new glory encounter books and seers material not to faint or give up, just enjoy your journey short or long. Remember two thirds of how we spell God is **Go** & backward is **do**, so just keep going and doing what you’re learning and continue experiencing more of him.

Now back into our scripture, **St. John 16:13**, “Howbeit when He the Spirit of truth is come. He will lead and guide you into all truth. He will not speak of himself. But whatsoever he hears that shall he speak and **HE WILL SHOW YOU THINGS (Rhema) TO COME.**” The inspired

thought or rhema thoughts that the Holy Spirit enlighten for me was ***He will show you rhema to come.*** I had read this verse many times yet, at that time this was what the Lord wanted to focus on. It was what he was enlightening for me to meditate on and to plant deep within my spirit. God picks the rhema words or enlighten thoughts but we must do the planting of them within our hearts. This is where the lost art of biblical meditation comes. We must plant the word by meditating on it as stated in **Joshua 1:8** *“This book of the law shall not depart out of thy mouth, but thou shalt **MEDITATE** therein day and night, that thou mayest observe to do according to all that is written therein; for then thou shalt make thy way prosperous, and then thou shalt have good success.”* No matter how beautiful a rose may look if it is kept out of water or the ground long enough it will wither and die. We are the plantings of the Lord. In short, wondering Christians don't last very long. We only keep what is planted deep, when you turn that vision or dream in the night into a message in the day, or a book to help someone alone the way. You become productive and grow as you go.

Unfortunely, the world corrupts our inspired thoughts with its overwhelming lusts (self-willed desires) and vain imaginations that constantly assorts us daily. The prophets of old were trained to listen and be still in His presence. They developed prophetic schools with this purpose, to learn and to hear the still, small voice of God. We run in and out of church demanding to hear the word of God within 45 minutes or less. We have lost the art of Biblical Meditation and a trained ear to hear. We want it all, but (quickly) microwavable. None of this is hard or impossible to learn but none of it can be learned fast. Time and discipline is the key to real growth as a Seer. This book is a vital key to the journey. Our goal is to get you, the reader, headed in the right direction on your journey.

## **Memory Activation Exercise**

Commit to memory the above Ten scriptures to open your heart to see more into the Kingdom. As you memorize **St. John 16:13** focus your meditation on ***“...He will show you things (rhema) to come.”*** You want to not just think on the words. Move into your imagination and see what the Spirit is focusing on. The way the Spirit will begin to open up fresh vision and insight to you will amaze you. That will become revelation that moves you from believing to knowing this awesome truth.

## **The Lost Art of Biblical Meditation**

A spirit focused & developed mind is a powerful tool against the enemy and a sign of spiritual growth. We spend most of our productive years developing the reasoning side of the brain. Very little is done with the creative and imaginative side unless we are in entertainment and the arts. The enemy has gained much ground in these areas of our thinking by keeping us out of the invisible world and stuck in the natural. The highest paid jobs go to entertainment, such as sports, music etc. These individuals, along with the magic words of fame and stardom.

We spend most of our time in negative meditation which is old fashion worry, or prolonged thoughts in the wrong direction to the point it takes over our lives. Job said ***“... the things I so greatly feared is come upon me.”*** The power of negative meditation! Wow what if we did it right from a positive biblical mind set. Imagine all the possibilities. If we are to mature in the revelation gifts we must mature in the art of biblical meditation. Our sight is weak because our mind is filled with vain and lustful imaginations. It is a proven fact that at the end of high school most of our children have

a larger left brain (logical side) than right. And the only time we discover the right brain's value is in the entertainment of ourselves and others.

Looking at the last presidential election. Now it doesn't matter who you voted for. However, I am still amazed at the mental creativity of the winner, the unique way the elections were run.

Technology has been used on a new level at the start of the 2008 election. The positive power in a cell phone and the internet were used by creative minds. While some were still using signs in front yards, others were getting play by play texts on their cell phones.

The prophets of old were not blessed to be filled with the Holy Spirit yet they may have been more productive with their visitations than we are with our habitation. What did they know that we do not or have lost? Could it be the power of a focused mind through meditation? When God spoke they had to remember, it could be years before he would speak again. There were no tape recorders or YouTube play backs. All these tools are wonderful in their place yet they can make us mentally lazy. For example there is no need to learn to spell, we all have spell checker built on our word processors.

**1Tim. 4:15** "Meditate upon these things (rhema) give thyself wholly to them, that thy profiting may appear to all." As the Apostle Paul writes to his spiritual son Timothy instructing him to give attendance to four main things in the development of his ministry and walk in the Lord. Give attendance to **first READING, second to EXHORTATION, third to DOCTRINE**, then **fourth**. Neglect not the **GIFT** that is in thee. The gifts are developed and matured through meditation.

Meditation is as old as the prophets and is found within every culture. It is spoken of directly in the bible in scriptures like **Joshua 1:8** *“This book of the law shall not depart out of thy mouth, but thou shalt **MEDITATE** therein day and night, that thou mayest observe to do according to all that is written therein; for then thou shalt make thy way prosperous, and then thou shalt have good success.”* To truly get an in-depth understanding and revelation of this verse we need an in-depth understanding of how the mind and human spirit functions. Because the natural bears witness or reflects the spiritual and invisible. In short God did not design us in his image to work against that image or creation. The image starts in three folds, which is God the Father, God the Son and The Holy Ghost three yet one, then Man, spirit, soul & body. When God created and developed the brain in man, it is to work in both worlds the visible and invisible or spiritual. Therefore he developed the logical and reasoning side of the brain to respond to the natural work, and the creative an imaginative side to connect to the spiritual world, for He is a Spirit, and He must communicate with his man Spirit to spirit. Remember it is written, “God is the light on the candle stick of mans spirit and mind. The mind of man is much larger and greater then the brain and the imagination is the door way into the mind and man’s creative and spiritual side. It is also the part of man that is constantly under attack by the enemy to pervert or break its connection to God or godly truth. It always amazes me that as long as the mind is used by the world, man can imagine anything no matter how perverted or horrible. Just look at our current movies and the crazy story lines; there is no limit to how far the human mind can travel in that direction.

Scientist have proven that the brain operates on a wave system called **Beta waves, Alpha waves, Theta waves & Delta waves**. The brain is in its best state of meditation is at the **Alpha & Theta wave states**. Sometimes it blows my

mind to see how smart God is, He created the the gifts of tongues to put us in a meditative state so that the He could enlighten and develop our creativity and godly imagination then download fresh rhema and revelation into us. It is written **1Cor.14:2** “...Howbeit in the Spirit he speaketh mysteries.” Yes! Speaking in tongues is more than just some funny sounds that do not make any sense in the natural. The frequency of sound waves is what changes the wave states of the brain.

The gift of tongue helps bring the mind into the **Alpha & Theta wave state of meditation**. God will give us nothing that subtracts from the natural creation, everything works together in harmony, the spiritual and the natural. As it is written **Rom.1:20** “For the invisible things of Him from the creation of the world are clearly seen being understood by the things that are made even his eternal power and Godhead...” We are all still learning the types and shadows of unseen truth. When we pray in the spirit while mediating on scripture we are planting the word deeper in our spirits and opening up to mysteries and revelations to be developed within us.

### **Meditation Activation Exercise**

Take each scripture and mediate on them while praying in the Holy Ghost daily. For the next ten weeks. And watch what will be revealed and increased in your Faith & Seer gifting. Focus on the parts of scripture the Holy Spirit enlightens into you. These are **your personal rhema focus points of study**.

### **Testimony about a prophetic seer deliverance.**

I was ministering in a small church in a state up North. When you come into some small churches with the title Prophet people want to know if you are real or false. So I was conducting an altar call and someone brought up a teenager that had tried to end her life about four or five times. You could see that she was under demonic control when they brought her into the prayer line. Her eyes were white, completely rolled back in her head. I felt they were saying in short, "yea prophet pray for this one your the great man of God." As I took her by the hand I could see all the cuts and bruises on her arms and neck where she had been cutting herself. Now she is standing before me looking like a zombie. Then I heard the word "*tell her about her prom night.*" So I began to look and imagine what it would be like I missed my own any way. I began to describe it.

**"I see you at your prom you are dancing, you are dressed in white. You walk out to the car it's a limo."** As I talked her eyes begin to slowly come down to the point I could see the bottom of her pupils. A tear is starting to fall out of one eye. Then the Lord said tell her about her wedding! As I look for it I saw her at a church still dressed in white, she is getting married to young man. It is at the end, They are walking out of the church, rice is being thrown as she gets in the car, they drive off, I tell her all this. By now she is in full tears and shaking in my arms. The demonic force is no longer present. **I see you drive up to a little white house with a white fence your husband is carrying you into the house."** She was delivered by a vision from a word of wisdom; no laying on of hands or screaming come out you devil. The deliverance came by restoring her sight that God had an expected end for her and it was beautiful.

God let me use my imagination to see someone's freedom. To see beyond the moment into God's **Jer. 29:11** "*For I know the thoughts I think toward you, saith the Lord, thought of peace and not of evil to give you and expected end.*" What if I would have just ministered to the circumstances, the presence events of what the enemy had done? Her deliverance was in God's expected future for her not her presence events. Many times the trials of life can become so overwhelming that we want to put a period at a point that God is calling for a comma. God has not put a *period* on prophets or seers just a *praise breaking comma* to give us time to get more understanding of his awesome will and ways.

## **Receiving Inspired Thoughts, Visions and Devine Imaginations**

"...I do that which I see my father do. He doth the works...." Jesus operated as a Seer while in his earthly ministry. **Psalms 46:10** "*Be still and **KNOW** that I am God*" As you learn to mediate, there is a stillness that come into you, the logical left brain is very busy most of the time. Notice I have bolded the parts of scripture I want you to focus and meditate on. In your meditation imagine the word **KNOW** not just from its intellectual definition, but connect other scriptures that unveil the word to you. Example **Gen. 4:1** "*Adam **KNEW** Eve his wife....*" Sometimes our intellectualism gets in the way of revelation. The Hebrew and Greek have their place, yet some types and shadows can only be seen as the Holy Spirit open them up by revelation and relationship one to another.

## **Inspired Thoughts**

Inspired Thoughts are the seed way and doorway to visions and revelations. The starting point is discerning the

rhema moments within our daily walk. God hides and reveals himself in simplicity. Everything is usually seed based, we overlook the simple and under value the small things of our spirituality, thou missing a great deal of truth.

The astronaut James Benson Irwin walked on the moon in 1971 during the Apollo 15 mission. As he stood there looking back to earth. He thought about the strife among nations, poverty, hunger, and rampant evil, then he received an inspiring thought. ***“what is more important then my walking on the moon is God walking on the earth.”*** Inspired thought can be given to anyone especially when we are contacting God in prayer. What Irwin was saying that if God would walk on the earth, these situations could change. When Colonel Irwin returned to earth he devoted the rest of his life to God through ministry. **Inspired thoughts** can lead to a greater revelation and understanding as we continue our journey deeper in meditation and prayer.

## **Scriptural Visions**

We are so blessed to have the written scriptures as our starting point for biblical seeing of visions. This is a perfect place to release our imaginations and watch God turn them into inspired images and imaginations for his glory. It's the safest place to learn and grow. So lets dig in deep into the gospels and let our imagination flow as we watch the Master on our imaginary Emmaus Road of discovery and enlightenment.

Imagine for a moment walking on the Emmaus Road and spending three wonderful life changing years in His presence seeing the miracles, blinded eyes opening, the dead raised, and the lame walk. Yet at this point you don't see him. Your

mind is filled with the death and the horror of it all. The cross, the blood, the end of all your dreams, yet not His just yours. So He returns just like he said he would but you are so overwhelmed by your emotions and logical thinking you don't see him. And he is right here in your presence.

Your mind can be your biggest asset or your biggest liability. It all depends on how you see what you see. He rebuked them, He preached to them, yet they did not see, it was only when he communed with them their eyes were open. The imagery of the communing process open their eyes not the strong Words (rebuking) or the good talking to (preaching). As he broke bread with them they saw it was the Lord. Remember our verse in **Psalms 46:10** "*Be still...*" The sitting down to do something that required little thinking or prolonged thought processing. The non-thinking process of eating, something they had done over and over again, their minds were on auto pilot. They could see and feel the words now, as they stated **Luke 24:32** "*...did not our hearts burn within as He talked to us alone the way and while He opened to us the scriptures?*" The power of visions is right within the scriptures, it's the best starting point for seeing deeper into the spiritual realm. The Holy Spirit gives inspired thought when we pray and read the Word of God. It's our job to plant and let them develop and grow within our hearts and minds. We water them by prayer and meditation until they become mature functioning revelations. We can walk out by faith, know by experiencing his presence and manifested glory. Thereby receiving a personal testimony of faith in Him

## **Divine Imagination**

Divine Imagination is the spiritual building blocks and positive strongholds that lays the foundation of living and walking in the supernatural. As we learn to cast down vain imaginations we build divine imagery for God to build his kingdom within us. The spiritual blue prints of everything God has is within us all. Yet divine imagination is the doorway to manifestation in the natural and spiritual world. I have often ask myself and God, why? Why the process? Why is it always this step then the next step of faith? Then it came to me.

Our God love to see us increase in our faith and faithfulness towards him. This is why the need for the process. God is perfecting everything about us as we grow in him. He took the children of Israel on a 40 year journey that could have been completed in about 11 days, and God called the journey in the wildness his **honeymoon** with them.

Active and workable imagination is simply our Testimonies in action. It is written in **Rev. 12:11** '*and they overcame him by the blood of the lamb and by the word of their **testimony...***' Testimonies are the positive strongholds and spiritual building blocks of our faith. They make our God a reality within present day truth. Most other religions have only a information based facts and incomplete history, but no true manifested (**testimonial**) truth that He lives in our present world. Your salvation must be greater then past truth of what happened two thousand years ago. A Christian stands on the rock of a ever present **NOW** God, with testimonies of his presence and power. That Jesus is greater then the past, but a ever present **NOW** God who rules the present and the future.

Testimonies are divine imaginations that covert our faith into reality. The tools by which we overcome the enemy of

religious belief and information based facts. Without testimonies this book would simply be filled with information about what I think may work or not work. In fact you can go to my ***facebook.com/ricky.dent*** page and view some of the testimonies from the people that these events happen to, from there very own words. We will continue to add them as time allows. The angelic encounters , the words of wisdom, and knowledge, the present day miracles all confirm His presence in our present world. As we learn to develop our divine imagination. We start with scriptural proof and personal testimonies of what He is doing in our present lives. Remember how powerful your witness was when you first received Christ? You couldn't stop talking about him. The enemy of our faith tries to steal our testimony or make us forget them as the years go by. That is why we must keep them fresh in our memories, re-live them through meditation, then add testimonies to them.

### **Releasing The Revelation Gifts**

Could you just imagine for a moment if all your thoughts that you have had or will every have are your very own? What a lonely world it would be for you. To you there would be no God or devil, heaven or hell, just you. In a world that you could not share, a world without people; just you totally alone with your thoughts.

We live in a world filled with thoughts, ideas, concepts and feelings. It is a rich world of insightful exchange flowing of ideas and colorful feelings that make life wonderful, great, inventive, joyful, happy, sad and frightening at times. Thoughts color our world with a fresh array of choices and opportunities to enjoy life.

The revelation gifts which are called a word of knowledge, a word of wisdom and discernment of spirits are how God administrates thoughts-past, present and the future. The management of Gods ideas towards and through his man. Administrating his feeling and divine input into this world. The bible is the written administration and management of God's ideas and thought while the revelation gifts are the spiritual administration and management of his thoughts towards his body and the world. For he is a Spirit that communicate to His man; Spirit to spirit, and thought to thought. His completed thought flows as the Spirit and the Word agrees.

This process keeps us from truly being alone with only our personal thoughts, he will never leave us alone amen.) The comforter has come to fill the world with His presence and power. Yet in all this we humans have been given control of our own thought processes. Yes we can disbelieve or believe at will. The thoughts that flow in and from your mind we can control for good or bad. Our mind is free because of our will. It is renewable and programmable for great and mighty things. Unfortunately we have given up too much control to the enemy to do the programming for us, thus we are calling good evil and evil good many times. The Lord would have us take back control of what He gave us starting with out minds and then the world for his glory.

### **Releasing The Revelation Gifts**

I am taking it slow to help you see the awesome power of an idea or thought from God. And how that all through your life he has been giving them to you. Remember **“You told me to prove myself”** Even when I was running from the Lord he was still talking to me, calling me to Himself.

Now thoughts have three basic places they are formed and created. First is God, then ourselves (the human mind) or the enemy (the devil.) He mostly forms thoughts (twisting and squeezing) which is different from creating thought. This is the root of his down fall, he was not created to form or create his own thoughts. **His first “I will ....”** brought him down from heaven. Therefore because the enemy has no creative abilities he only turns and perverts mankind’s thoughts. What we form and create he twist and perverts your emotions, ideas, feeling and view of your world. Then blames it back on you. **“See what you did, how could God love you?”**

We could write a whole book on this subject. Just remember the enemy is a **thief**, and a **robber** and a **killer**. Question, why steal something that you already have or control? You see he has nothing but a head full of lies. As a Christian you will spend a great deal of time growing to understand this truth.

As simple as it may sound it has a very profound meaning to and for you. This is the foundation of learning to move in the revelatory gifts, which is discerning the thoughts of God from your own and the enemies grant illusions. Because we were created in His image, we have an advantage over the enemy. We are his complete thought; he is a fallen fading memory, The scripture say the day will come when we will **“narrowly look upon him and say is this he that destroyed kingdoms that brought nations to not?”** Fallen so far from his former glory that one will have to stretch their eyes to even see him. **Saints we have come into that day. Amen!**

We have been created in His image, that of a three fold being. As He is so are we! A spirit being with a soul (will,

emotions and intelligence) within a body. Given us legal right to rule and rain in both worlds the visible earth and the invisible world of the spirit. God is a Spirit. He has chosen thoughts and ideas, through visions and dreams to communicate with his man. He has released His Spirit the Holy Spirit, to teach and demonstrate how he communicates to and through us. The gifts of the spirit are his communication tools to and for us.

The gifts enable God to keep his promise of never leaving you alone, but always being in and with you till the end. As a Spirit filled Christian you are never alone with just your thoughts. He imparts His thoughts, feelings ideas and concepts into you through a word of knowledge, a word of wisdom and discernment of spirits. The scripture speaks of **THOUGHTS BEING GIVEN** to you of what to say **Jer. 29:11** states "I know the thoughts I think towards you, saith the Lord..." The process is gradual from receiving a "**inner witness within your conscious to clear insight of given thoughts**" from the revelation gifts. One of our first impressions or inner witnesses comes from the revelation gifts is **Rom. 8:16** "*The Spirit itself beareth witness with our spirits that we are the children of God.*" I like to say it this way when I'm conducting my prophetic schools. The first gift that operated in you was a **WORD OF KNOWLEDGE.**

The Holy Spirit used a **word of knowledge** to confirm to you that you were saved. Therefore your salvation is much more than just head knowledge, it is confirmed by "**His Spirit bearing witness with your spirit that you are saved.**" **Given Thoughts** are what has caused most problems for the carnal side of the mind or left brain. This side of our mind is mostly analyzing information, it was designed to work in this earthly world. It thinks thoughts, it doesn't do well with receiving "**given thoughts,**" The logical mind can play with insights, inner witnesses, but a

complete given thought or ideas is a little beyond its design. However the imagination and right brain are at home with **“given thoughts.”** Lets look at **Rom. 8;16** again look at the wording *“The Spirit itself **bearth witness** with our spirits....”* Bearing witness with our conscious which is a left brain function the subconscious is a right brain function. Now the whole mind knows, its just that God wants you to be conscious of you salvation on every level.

The scripture speak of **“given thoughts”** in **Mark 13:11** *“**Take No Thought** before hand what ye shall speak,... whatsoever shall be **given** you in that hour that speak ye, for it is not you that speak, but the Holy Ghost.”* Now how do I move from analyzing thoughts or thinking for myself to **“given thoughts”**? **Psalms 46:10** *“Be **Still** and **KNOW...**”* Biblical Meditation develops the **STILLNESS** needed to discern **GIVEN** Thoughts. The stillness the scripture is talking about is as if one is watching a movies or TV screen, images and thoughts just flowing across the mind. This is why the enemy perverts this area of our mind so, it is the window into the spirit world, the imagination. Is the center of the enemies attack, introduction vain imaginations on every level, trying to block and close this door into the spirit. So when you tell people God wants to speak to you through your imagination they look at you as if you have lost your mind because they know very well how perverted that area of thinking is even for Christians. For some it is literary a spiritual junk yard of vain and perverted imaginations, and twisted lies. Biblical Meditation is the tool to help clean up and renew this area of our minds. It will take some work for sure yet it is very do able.

### **On Campus Prophetic Deliverance**

We have been conducting prophetic schools for many years now. I remember the time we did a prophetic school on a local college campus. It was one of our oldest colleges in the city. The main reason I felt led to do the school was the Christian background and foundation I felt the school had lost. What angered me so was the fact that here was a college founded on Christian principals yet so far from its founding fathers. I could see how so many of the Christian families, fathers and mothers were sending their children to this so called Christian base school. Yet the enemy was using the spirit of homosexuality to turn them out. The campus was full of homosexuals to the point that it was affecting the P.K. Kids; (preachers' kids). One of the football players came to me for deliverance from a homosexual spirit. After the power of God was demonstrated he came crying for deliverance. God allowed us to raise up a twenty-four man prophetic team of Spirit-filled Christian girls and boys. Once they were trained and the power and gifts of the Spirit were being demonstrated the enemy had to back down. We conducted free car washes and ministered to the other students by a word of knowledge and a word of wisdom. Many were saved and delivered from the homosexual life style.

### **Stirring Up The Revelation Gifts**

In **2Timothy 1:6** the Bible says to "*stirring up the gift of God, which is in thee by the putting on of my hands.*" The revelation gifts are the Seer gifts. They give one the ability to see in the Spirit realm. We must understand that stirring up is not the same for every gift.

Remember they are section into three areas first the verbal, then revelatory, then power gifts. To activate and stir up (in flame) the revelation gifts means to **LOOK** and **ENVISION** with our imaginations or subconscious. Looking within not with the conscious or carnal mind, but with the imagination to see what or if the Lord is projecting any images or thoughts across it.

### **Word of Knowledge While Standing in the CVS Drug Store**

I was standing in CVS's drug store picking up some medicine, the line was somewhat long. Therefore while I was standing I asked the Lord for a word to bless the woman at the counter. As I look into my spirit (imagination) I see her standing in a door with a little girl holding onto her right leg. The little girl is crying. Then I ask the Lord who is this child, then He says this is her child, she is not feeling well. Now I have this inside information called a **word of knowledge**. I'm going to need wisdom in ministering this to her. She doesn't know me. By now I'm standing in front of her at the counter. So I ask her a question, do you have a little girl? She looks shocked and gave me the how did you know this look. I said ha, "I'm not a stalker I'm a minister. Let me tell you what I just saw. So I begin to share the vision, and she begins to cry. Then she says that's my little girl she wasn't feeling well this morning and she didn't want me to come to work she was holding onto my leg. Then I asked "can I pray for you and your daughter. By now everyone in the line is wondering what is going on? Why is this woman crying? What is he saying to her? Then just before I prayed for her I said please don't fall down, the others will not understand. Besides that big security guard may think the wrong thing." When you learn how to look you just see.

## **Pastor Becomes Chaplin To Police Department**

I was ministering in a church in Atlanta doing prophetic presbytery, as I was ministering basic prophecy which is exaltation, edification, and comfort to a man, a Word of Wisdom came to me that said”

The thought came that said you are not going home to pastor your church. ***“Your Apostolic anointing is going to be released to the Police Department of your city. God is going to make you the Chaplin to the Police Department of your local town.”*** Now none of this was in my head before I started sharing with him and my left brain doesn’t have a leg to stand on. He smiles is not believing a word (sometimes you just know you are out here, just you and God). Then I said and ***“you are not to go looking for this job, they will come looking for you. Don’t fill out any applications or resumes, the Chief of Police will call upon you.”*** A few months later I received a phone call from him ***“Prophet of God everything you said came to past just like you said it, word for word. I am now the Chaplin to the police department, God is awesome. The Police Chief called me into his office and offered me the job, just like you said.”***

Now lets look at what was going on inside of me at that time. I want to be as clear as I can. The thought was not from my logical thinking or conscious mind. None of this made any sense to just jump out and say all of that, my **analytical mind** would not have allowed me to do that. However because of some past experiences with **“GIVEN THOUGHTS”** I didn’t run from it I embraced it. I simply continued to say what I was seeing. I was standing on the revelation within the scripture **Mark 13:11** ***“Take No Thought*** before hand what ye speak ... whatsoever shall be

*given you in that hour that speak ye, for it shall not you that speak, but the Holy Ghost.” We must learn to act on **Psalm 46: 10 BE STILL** and watch the screen of your **human spirit the (imagination)**. I am reminded of the **Prophet Elijah** trying to hear the voice of God: He listened to the **wind**, yet God was not in the wind, then the **thunder** yet God was not in the thunder, then he covered himself and heard the **STILL SMALL VOICE OF GOD. He had to look in to see out.***

## **Releasing Angelic Support**

As we have demonstrated from the beginning of his book, that all revelations are supported by scripture, and demonstrational testimonies. Likewise, this area of the angelic will be a demonstration of current testimonies and scriptural proof. **Psalms 91:11** states *“For he shall give his angels charge over thee, to keep thee in all thy ways (12) They shall bear thee up in their hands, lest thou dash thy foot against a stone.”* This verse is also quoted to Jesus by Satan in **Matt. 4:6** *“And saith unto him, If thou be the Son of God cast thyself down; for it is written. He shall give his angels charge concerning thee, and in their hands they shall bear thee up, lest at any time thou dash thy foot against a stone”* Therefore the question should be does every believer have angelic support, and when would it **not be** “tempting God” to release or use

it? **Heb. 1:14** *“Are they (angels) not all ministering spirits, sent forth to minister **FOR** them who shall be **HEIRS** of **Salvation?**”* Therefore as we look at the new testimony scripture we see that the same focus of angels ministering **FOR** and with believers is a valet point. Now our first testimonial demonstration comes from the biblical history books within the life of the modern day founder of the faith moment; **Kenneth Hagin**. He wrote that he used the scripture in **Heb. 1:14** to release angelic support for his ministry. He credits the building of **Rhema Bible College** to the releasing of angelic support even to the point of receiving personal offering after ministering during a service. God used the angels to help him stay on budget many times. He goes into great detail in one of his books, stories and testimonies of how he received angelic support throughout his ministry. This ministry has given good fruit for over 60 years, and is still bearing great fruit.

Like we have stated earlier in our writing most true revelations are progressive not **“instant one hit wonders.”** God inspires and enlightens a scripture then gives the believer time to plant it deep within their spirits by building personal testimonies and acts of faith developing the good ground of the heart.

Now to answer the second part of the question: *when is it* **“not tempting”** God to use angelic support? As Jesus replied to Satan in **Matt. 4:7.** The most simple response would be when the enemy is not asking you to do it. To clarify this point lets look at the principles of authority and power.

The Lord had the power to turn the stones into bread, but the devil did not have the authority to command him to do it. A natural example would be of a police man having the power to arrest you in your home, because of his gun. Yet without an arrest warrant he can't enter your home and arrest you. Satan does not have the authority to command Christ or any

believer to do any thing against or for God. Your child may have the power to do many things yet lack the authority because they don't have your permission. We are not teaching a "**command angels doctrine**" but a working relationship with who we are in Christ. Which is that we are spiritual beings, living in a body and possessing a soul. Being filled with the Holy Spirit's power within and angelic support without. Fully covered by God's grace and hand. As we develop and mature our faith around the above scriptures, we will begin to encounter the angels that are already here and available **FOR** us to work with our gifts and calling.

One of the greatest testimonies to this was **Prophet William Braham**. His gifts were covered with angelic support. You can look at many Youtube video clips of Braham ministering with angelic support.

Now to my personal testimony. I have been writing this book on "Releasing The Seer's Gift In You" using the principles

within this book to confirm the word of God. While using the meditation principles, and studying **Philemon 1:6** The scripture says *“That the communication of thy **FAITH** my become effectual by the **ACKNOWLEDGING** of every good thing which is in you in Christ Jesus.”* My definition of **ACKNOWLEDGE** is (**acting on the knowledge of**). As I begin to mediate on **Psalms 91:11**, *“For he shall give his angels charge over thee, to keep thee in all thy ways, **(12)** They shall bear thee up in their hands, lest thou dash thy foot against a stone.”* Allowing my imagination to flow in line with the scripture **Philemon 1:6**. I begin to **acknowledge** the angelic presence and support that is with me. I was not praying, it was more of an **open vision** if I had to name it, the room was filled with angels. I was talking with the Lord when I became aware of their presence. We were talking about my ministry budget which had gotten behind about \$3000.00. Then the Lord said to **“ask them for the money.”** Therefore I turn and asked. Then one of

the angels said to point to your computer cabinet and say what you want.

I did saying the following words ***“I thank you Lord for the \$3000.00 dollars I need for the ministry this month.”*** To be honest I felt foolish, my emotions that is, so I didn't awake my wife. I just went to sleep it was around 3 or 4:am in the morning. The next day I got up to pay some bills with the limited funds I did have then returned home around noon to check my mailbox. And to my wonderful surprise there was a little envelope with five money orders totally **\$3000.00** in the envelope, I was blown away. God is so awesomely real. It was a miracle. The people that sent the money had never sent that much before. It was just what we ask for the night before amen.

**Miracle Seed of \$1000.00**

Another testimony, I was in a ministry service. I was not the speaker. I came to received three miracles. Yes, I come to church looking for a miracles, don't we all? This happen in Florida. **David Hertz** was ministering. **"Glory Zone Ministries."** I had taken one of my prophetic teams down to meet him. It was about fifteen of us. The door opened at 6:00pm. Service started at 7:00pm We were the only group from South Carolina. The place was packed. Therefore, we would arrive at the church at 5:00 pm to get a seat. And I would start praying for the service. Then the Lord spoke and said I want you to pray until David starts to preach. I said Lord you know he is going to do praise and worship for a few hours. Then he would start preaching around 10:00 or 10:30 pm sometimes 11:00 pm. David doesn't move until he knew the presence of God has filled the place. And we all know there is no rushing God. So I'm praying a minimum of 3 hours each night. On the 3<sup>rd</sup>. night I heard the Lord say, I want you to give this ministry

\$1000.00. I said now Lord you know I don't have \$1000.00 to give. God said I know you don't, I'm going to give it to you. I know you. If I didn't tell you to give it you wouldn't do it. Wow! Now here I am in this service, all the praise and worship is going on and I get this word. I almost got offended so I said ok. God give me a \$1000.00 and he will get it. All the money I had in my pocket was for that night's offering and the next offering and gas money for home. This totaled about \$125.00 That was it. I didn't tell anyone about what I had heard God say. I didn't want to sound or look crazy to the students.

I knew they didn't have the money either. It was a miracle how we got to the conference in the first place. When we got back to the hotel, the bell hop asked were we going on the cruise in the morning. I said what cruise? He stated that this trip

came with a one day free cruise in the Atlanta Ocean. I ask could everyone go, and he said sure. The boat leaves around noon tomorrow. So the next day we checked out and drove about 30 minutes to the cruise ship. It's a gaming ship but the food and drinks are free. Everyone is having a great time watching the elderly gamble. We are about two hours on the Atlantic I looked at my cell phone and it says **no service** we were too far out. Then about 10 minutes later my cell phone rings. Its my wife informing me that a young man wanted to buy one of my sons cars for \$2000.00. I said to her put him on the phone. We talked. He had \$1000.00 now and would have the other half when I come back to SC. I told him the name of my bank, and told him to go there and when he got there give the bank teller the phone and I will give her my account number so he can make the deposit. Its gets more amazing as we get closer to releasing the money to the ministry. The young man does exactly what I asked . The teller deposits the \$1000.00 into my

account around 4:30 pm and around 4:50 I'm off the ship and at the bank's drive-through window with an out of town driver's license collecting the money. Now we are going to sow this seed as a group. Remember I am believing for a miracle. We arrived back at the church and its offering time. Everyone is excited about this seed. The man of God is ministering. After the offering he asked how many would like to receive gold or silver fillings on their teeth. I raised my hand. All I have is these old black fillings. Now he wants every one that believes that God is giving gold or silver fillings to let some one look in their mouth. Wow this is going to take faith. I don't have the best teeth and my breath. Ok! I'll do it. So I let seven people look in my mouth and by the 6<sup>th</sup>. person they are seeing silver fillings over the black ones.

This is awesome. I run to the rest room to see for myself. And wow, they are silver; first miracle. Next, one of the prophetic team members had a bad knee. Her knee

was healed, 2<sup>nd</sup>, Miracle, Another student is loosing her hair in the back of her head. Hair begins to instantly grow there, 3<sup>rd</sup>, miracle.

She can see it growing. My son was in trouble with the law. This is a secret. One I didn't tell anyone and God moved for him. He got time cut in half 4<sup>th</sup>. miracle Supernatural Favor! I discovered this when I returned home.

### **Looking Down to See Up**

Jesus looked down to see up into the heart of the Father. Remember the woman brought to Him that was caught in the very act of adultery. (see **St. John 8:3-4**) Jesus was activating the Seer gifting by writing on the ground. Choosing not to let logic or reasoning answer the crowd, but listening for the voice of the father. The writing on

the ground simply stirred up the visionary side of his mind to see beyond the judgmental mind sets of all those around him. He needed wisdom from above. And when that wisdom was released it touches the heart and conscious of everyone present. **“He that is without sin cast the first stone.”**

The simple act of stooping down and writing on the ground opened up the Seer gifting that activates the imagery side of the mind. There was no logical reason for doing this. It just doesn't add up in the natural. This is an awesome opportunity to learn from the Master how to hear from the Father when the enemy is trying to pressure you into answering from the flesh.

Many times from our logical mind sets we try to do what the Word says, yet in the wrong spirit and heart. We commit a greater error then. I believe we are at the same place today in our response to many issues such as homosexuality, gay rights,

abortion and our present view of this country's leadership. We all know what the letter of the Word says. And our hands are filled with stones ready to throw them at any and everyone. The logical mind or reasoning would say **"WE CAN'T SUPPORT UNGODLY ISSUES"** condemn them all to Hell! Then the world looks at us as hatemongers, and the gospel pays for our attitudes. The hot topics of the day are the tools the enemy is using to offend the gospel of the kingdom.

It's time to stoop down and write in the sands of time, to open up to wisdom from above, my brothers and sisters. Activating Words of Wisdom from above, the letter kills but the Spirit giveth life. Jesus didn't overlook her sin; he simply forgave it, in light of the spirit that had presented the truth to him. They were trying to use truth to trap him in the law of Moses. It was the

old **“I’m Damned if I do and I’m Damned if I don’t”** scheme of Satan wanting Jesus to side with or against the law. It is wise to know who and why the truth is being presented to us before we make a ruling. The enemy will present truth to get some to rule against love and life. Should we sit back and say nothing, watching the world go to hell in a hand basket? The word says **be ready to give an answer to all men for the “hope” that lies within you.** Jesus gave an answer for the **“hope”** that rest within him as the coming **redeemer of all men, the life giver not taker.** And still understanding and relating to who was asking the questions, **“the accuser of the brethren.”** We have received the ministry of reconciliation therefore we faint not to extend **“hope”** to all that are out of the way. Especially to those that are blind to the way. We have the same opportunity to give an answer for the **“hope”** that rest within us to a dying world. This hope rest within all that have been reconciled. This is

a timeless hope that Jesus gave the woman caught in the very act of adultery.

The answer to today's issues can not be found fighting over who is the biggest sinner or the most sinful people on the planet. We need insight that goes beyond the circumstances into the depths of the heart of the father. Most of the circumstances only cover the letter of the issues and not the spirit behind them. We need the spirit of healing and deliverance to wash out country, a new law is not enough this time.

I am reminded of the little girl that was trying to commit suicide by cutting her arms and neck. She needed to see a future that was brighter than her circumstances; a **Jer. 29:11** future. Because her healing and deliverance was in His future not her present situation and circumstances. God has a future for you and this country, let his kingdom come and His will be done.

The true seer gift allows one to look into a deeper dimension of truth, beyond the surface of intellectual reasoning, into the heart and spirit of the Master. The seer gift opens up the conscious of every one standing in the crowd and revealed the plans of the enemy as well. Therefore His wisdom came not from the circumstances He faced, nor from past knowledge or experience, but from the heart of the father. **Behold I do a new thing saith the Lord!**

### **Unlocking The 4<sup>th</sup>.Dimensional Seer Gift Through - "LOVE"**

The love of God is called "Agape." It is a 4<sup>th</sup>. Dimensional Love meaning God's love is on a higher level than human love yet. **Eph. 3:18 - 19** defines it this way *"May be able to **comprehend** with all the saints what is the **BREADTH** and **LENGTH**, and **DEPTH**, and **HEIGHT**;"*

*Describing the Love of God in four dimensions covering this three dimensional earthly world and beyond. (19) “And to know the **LOVE** of Christ, which **passeth knowledge**, that ye might be **FILLED** with all the **FULLNESS OF GOD.**”* The love of God goes beyond this visible world, far beyond what we can see, feel or even think. It is sometimes hard for humans to love beyond what we see or feel, we love from our earthly affections. Yet the word says to “**set our affections on things above.**” The Holy Spirit is considered above, even though it is within every believer it is within another dimension which is above this three dimensional world. Example if you looked inside of a person with your physical eyes you would not see the Holy Spirit; yet it is there, in another dimension.

I am introducing you to **multiple dimensional realities**, because this is **the world that the Seers lives in and see into.** When I say I see or I’m looking into the Spirit. What I’m doing is seeing

and looking into another dimension; the spiritual world. Now the natural, carnal or conscious mind is limited to this three dimensional world, it is the imagination that is open to higher dimensions. Let me give you a natural example of the power in imaginations of seeing things that are not yet real in this three dimensional world. For example the common “**CELL PHONE**” some of you may recall that **cell phones** were first seen and introduced in a movie call “**STAR TREK.**” Yet during that time there was no technology available to produce **cell phones**, they came out of someone’s imagination.

The scripture says in **Rom. 1:20** “*For **the invisible things** of Him from the creation of the world are clearly seen being understood by the things that are made even his eternal power and Godhead...*” The Love of God that is in the “**invisible realm**” is seen and is a reflection of the

natural three dimensional love that is seen within human feelings, emotions, and acts of kindness. However it is only a fraction of the fullness of the love of God. Love's **greatest three dimensional expression** is seen on the **CROSS**, that of a man laying down his life for his brethren.

However the word says it is even deeper then that and higher. In fact **the love of God is God**, the scriptures say, **“for God is love.”** Most of us when we here this we immediately think about physical love, like feelings, emotions, kindness, sex etc. **Eph. 3:19** *“And to know the **LOVE** of Christ, which passeth knowledge, that ye might be **FILLED** with all the **FULLNESS OF GOD.**”*

The love of Christ, which **PASSETH KNOWLEDGE**. What passeth knowledge? It is **an EXPERIENCE or ENCOUNTER** with God himself. There is a dimension of Love in Christ that is greater then simply **head knowledge of Christ**. It is to experience his presence and power to

have personal testimonies that He is real. This is the being **FILLED** with the **FULLNESS OF GOD**. Our prayer and main goal in sharing the knowledge of the Seer Gifts is that you will experience that fullness of God. That you will go far pass knowledge of him into an experience that proves him to you and your world. Come join us in our **online six months boot camp**, or **one year mentoring schools**, where you will not just learn by knowledge but by experiencing the fullness of His presences and power. By the end of this online course you *“May be able to **comprehend** with all the saints what is the **BREADTH** and **LENGTH**, and **DEPTH**, and **HEIGHT**;”* of the **love & experience of God** which passeth just the knowledge of God. We welcome you to join this ministry online for the experience of a life time that passeth knowledge and bring you into the fullness of his love and grace. We want to hear your personal testimonies by the end of the course, to the glory and praise of God.
