### **THE POWER OF PRAYING IN THE HOLY GHOST:**

# **The Divine Revelation of Speaking In Other Tongues**

It is of paramount importance to highlight the divine truth that speaking in tongues is an often-misunderstood subject in the Christian fraternity today. People who are not open to the supernatural tend to dismiss the gift of speaking diverse tongues citing that it was a miracle that happened on the Day of Pentecost, and that it doesn't happen anymore. Those who advocate for this school of thought cite that God did it once and this gift is no longer in operation. As a consequence, failure to use the gift has crippled the church and prevented believers from maturing to higher gifts. What was intended to be a source of supernatural power and a catalyst for deep intimacy with God has been reduced to a mere theological position in many charismatic churches.

On one extreme end are those who erroneously presume that tongues have been done away with, because the Bible says that tongues will cease. The truth is that the Bible of course does say that one day, tongues will cease (1 Corinthians 13:8–12), but that is not referring to this present Church Age. In Heaven, there will be no necessity for tongues, because that which is perfect would have come (1 Corinthians 13:10). On the other extreme end are those who purport to believe in speaking in tongues but do not feel that tongues are necessary for all believers. They are like a soldier who is holding a fully loaded gun, yet he does not believe in the power of the very weapon he is holding in his hands. To put this concept to its correct divine perspective, it's important to understand that there is a difference between the gift of tongues that accompanies the baptism in the Holy Spirit, which every believer can receive, and the gift of tongues that is a ministry gift. The baptism in the Holy Spirit is for all those who believe (Acts 2:38–39); therefore, speaking in tongues as an evidence of the Spirit's infilling is also for all those who believe.

Owing to the the above-mentioned reasons, many believers have been robbed of the blessings God intended them to have by believing that speaking in tongues

isn't for everyone. Yet the Word shows us that every believer needs to be filled with the Holy Ghost and that when we get filled with the Holy Ghost, we will speak with tongues (Acts 2:4). The truth is that speaking with tongues does not occur as just one initial experience of being filled with the Holy Ghost, and then it ceases. Speaking with tongues is a continual experience for the rest of one's life. Notice that in writing to the Church at Corinth, Paul very definitely encouraged the Corinthian Christians to follow the practice of speaking with tongues in their own private prayer lives and he gave a number of reasons for it.

The gift of tongues is one of the most powerful gifts bequeathed upon a New Testament believer. God's desire is to have an intimate relationship with His children and praying in tongues is direct spirit to Spirit communication that the enemy cannot understand. It is also a means by which God's power can saturate our spirit and invade the very core of our beings. When we activate the Holy Spirit by speaking in tongues, not only will it make us stronger spiritually, but it will also bring peace to your mind, healing to the sick, and God's life into every situation. In the natural realm, we all feed and groom ourselves and take care of our physical bodies, but how well do we look after our spiritual bodies? The answer is very simple: By praying more in tongues. It is for this reason that in this book, Apostle Frequency Revelator teaches you the "what," "how" and "why" of speaking in other tongues and unveils the tremendous benefits it holds for the New Testament believer in Christ.

## **Demystifying The Myths And Misconceptions Centred On Speaking In Tongues**

■

To demystify some misconceptions held for ages concerning the gift of tongues, the truth is that tongues is not some spiritual merit badge we receive when we are baptized in the Holy Spirit, use it for a season, and then put it out to pasture. Evangelist Reinhard Bonnke comments on the gifts of the Spirit, emphasizing that "Tongues are not badges of honor but tools for the job." This implies that speaking in tongues is not exclusive to the super-spiritual. It's not exclusively preserved for those who seem to have attained a stratospheric pinnacle of

enlightenment in the things of the spirit. It does not even signify elevated spiritual maturity. Instead, tongues is a gift. It is powerful, available and absolutely life-changing heavenly gift God has given to humanity to be effective in the realm of the spirit. Secondly, tongues are not we are speaking but the Spirit speaking using our voice. The words come from the Holy Spirit and that is why the Bible says, he who speaks in tongues speaks in mystery. No wonder Paul says let him that pray in an unknown tongue pray that he may interpret.

It is also worth noting that tongues is not something that just appeared in the New Testament. Although the veracity and magnitude of its manifestation was executed to a heightened degree at Pentecost, its origin dates back to the early days of creation when God created man with one language. Tracing the historical background of tongues, the Bible in Genesis speaks of the people of the earth who were one accord to build a Tower of Babel which reached up to Heaven and God came down to confuse them. Why? Because God said if they are united with one language, no one will be able to stop them. Noticeable is the realisation that God said no one could stop the language which these people speak. This is the same language that God brought back in Acts 2:1, a language of the spirit that cannot be stopped. A heavenly coded language that when you utter, there is no ending or interruption. There is a new formula of utterance of the Holy Ghost.

## **CHAPTER TWO**

■

### **UNDERSTANDING THE GIFT OF TONGUES**

## What Are Tongues?

*Likewise, the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered. (Romans 8:26).*

What are tongues? How do they operate? How do I receive tongues? Who should speak in tongues? Are tongues still relevant? These are a myriad of questions that have lingered in the minds of many as they seek answers on the authenticity of tongues today. While those sailing their boats through shallow streams of spiritual understanding continue to criticise and ridicule the use of tongues in Church, the gift of tongues is a very powerful gift God has made available to all believers in the New Testament Church. This is a special ministry given by God both to deliver a message in an unknown tongue and to interpret it, which sometimes can even be delivered in a song.

### Definition Of Tongues

■

**Tongues refers to a dialect which is a heavenly coded language used by born again believers to communicate mysteries of the Kingdom under the inspiration of the Holy Spirit. It is a divine utterance of heavenly mysteries and secrets using a heavenly coded language, which is beyond the faculties of human comprehension. Speaking in tongues therefore connotes to the practice of uttering a series of rapidly-spoken, indiscernible syllables and reflects a “heavenly” tongue of an inexplicable variety. Remarkable is the observation that the Holy Spirit’s supernatural transmission of this language from within your spirit is what gives you the ability to be able to**

**Speak this language out.**

Praying in tongues is what we describe in spiritual language as praying in the spirit. Just one word in tongues is worth more than a million words in your understanding. There're times when, in spite of the nudging and prompting you might have in your spirit to pray, you're just not sure exactly what to pray about or the words with which to articulately express yourself to the Lord. Also, there're things that concern us which we don't even know about, but God knows. So, at such times, the Holy Spirit inspires us to pray; He takes charge for us. He ministers and makes intercession for you or through you, according to the will of God. How does He pray through you in such situations? That's what we read in our theme verse; He does it with deep sighs or groanings that can't be uttered in articulate speech. When you pray in tongues, you give vent to the Spirit to express Himself; your spirit is activated.

### **At What Point Does One Receive "Tongues?"**

■

There is Biblical evidence that we receive tongues at New Birth. When a person accepts Jesus Christ as Lord and Savior, he is born again which means his spirit is recreated and receives a new divine nature of God (1 Corinthians 5:17). When this person receives the infilling of the Holy Spirit, the Holy Spirit imparts his spirit with the ability to communicate in a new heavenly language, which is generally called tongues. In Mark 16:17-18, Jesus said "...they shall speak with new tongues...." This is one of the New Testament realities. The people of the Old Testament didn't have this privilege. The closest reference to it is in Isaiah 28:10-12. Now, All can Receive this Ability The ability to speak in tongues is a glorious gift that is available to every child of God who has received the Holy Spirit. If you are born again but you haven't been filled with the Holy Spirit, the Lord wants you to receive Him today. Your salvation is the only qualification you require to receive the Holy Spirit. Now you can simply ask by faith and receive Him into your Spirit.

## **How Do I Speak In Tongues?**

■

You speak in tongues by allowing the Holy Spirit to speak mysteries through your vocals. The question you should ask yourself at this stage is: Who gives me the words to speak in tongues? It's the Holy Spirit. The Bible says we speak in tongues according to the utterance given to us by the Holy Ghost (Acts 2:4). The Holy Spirit gives you utterance, which is the ability to speak in tongues. The Holy Spirit puts the language in your spirit; so that when you speak in tongues, they're words of the Spirit! You speak forth the words that the Holy Spirit has formed within your spirit; what a way to pray without limitations. Your mind may not remember all the things you need to pray about; you may not even know what to say about them; but the Holy Spirit does, and therefore gives utterance to your spirit. Praying this way is a most effective way to effect changes and take charge of situations. Praying in the Spirit helps you deal with issues and puts things right in your life, in line with God's perfect will! (1 Corinthians 14:2; Philippians 4:6-7, Psalms 119:113-176; 1 Corinthians 7, Colossians 1:19-29; Jeremiah 7).

## **Demystifying The Myths Centred On Speaking Of Tongues:**

■

There is a lot of controversy centred on the gift of Speaking in Tongues, spoken of in first Corinthians chapter 12. In some Christian circles speaking in tongues has been totally dismissed as a demonic language. For the most part, the people who say this do not understand the gift and this is why they come to the conclusions they have. Many of those who criticise the speaking of tongues think that there is only one type of 'speaking in tongues'. What they fail to realise is that the tongues which the 120 Disciples spoke during Pentecost when they left the Upper Room were an earthly language, but the Unknown language

that the Apostle Paul speaks about is a heavenly inspired language.

## **THE DIMENSIONS OF TONGUES**

■

There are two different dimensions of the gift of tongues explained in the Word of God which casual readers of the word do not take cognisance of. Mike Bickle, the Director of the International House of Prayer, testified that he preached against speaking in tongues in his early ministry. But one verse caused him to question his position. In 1 Corinthians 14:18, Paul wrote, “I thank my God I speak with tongues more than you all.” This caused Mike to ask, “Why did he value this gift so much that he engaged in it more than anyone? He was a busy man, so why did he invest so much time speaking in tongues?” What Mike soon discovered is that Paul is describing two different types of the gift of tongues—two expressions and two different purposes. Paul spoke a lot in Private tongues in his private space as opposed to the Public tongues spoken in a church context. This means that Tongues can be put into two categories. One category is called Public Tongues and the other one is Personal or Private Tongues.

There is a difference between the gift of tongues given to a few for the profit of the corporate body when the speaker speaks to men (1 Corinthians 12:7), and the gift of tongues given to all as a devotional prayer language for the profit of the individual who speaks privately to God. (1 Corinthians 14:2, 4). The former connotes to public speaking of tongues and the latter connotes to the private speaking of tongues. The confusion of many Christians in the realm of tongues is that they do not realize the two types of tongues. One is the speaking of tongues (praying in tongues) unto the Lord which does not need interpretation. After all, God understands every tongue. The other is the speaking in tongues (a ministry gift of the Holy Spirit) which needs interpretation. The speaking in tongues (prayer in tongues) unto the Lord is praying in the spirit. It is our spirit man praying (1 Corinthians 14:14, 15). Every born again Christian needs to allow

their spirit man to pray. And when their spirit man prays, according to the apostle Paul, their understanding will be unfruitful as it will be in unknown tongues (1 Corinthians 14:14). This means that it is the speaking of unknown tongues (prayer in tongues) each time the spirit man prays. All Christians have a spirit man and their spirit man needs to pray; and when the spirit man prays, prayer is in unknown tongues (implying that every Christian can pray in tongues although every Christian might not have the gift of speaking in tongues in public).

On the other hand, there is the speaking of diverse tongues in the church which is a gift that only some will manifest (1 Corinthians 12:10, 28, 30). This manifestation of tongues needs to be interpreted because it is not speaking unto the Lord but it is speaking for the Lord unto men. Since men do not understand tongues (unless as in some cases, the tongue is in a known language to the hearer although unknown to the speaker), we need to allow this gift of tongues to function in an orderly manner with interpretation in our Christian services.

### **The Two Dimensions of the Gift of Tongues**

▪

#### **Public Speaking Of Tongues As A Prayer Language.**

▪

#### **(Public Edification Language)**

The first dimension of tongues is the gift of tongues for the corporate body as enumerated in 1 Corinthians 12. This is a gift where a believer speaks in a corporate setting such as a church service or small cell group and then someone

interprets what has been spoken. This type of tongue needs to be heard by other people, so that someone with the gift of interpretation can give the meaning (1 Corinthians 12:10; 14:27). This gift edifies the body, allowing the Lord to speak to His people. Paul is clear that not all believers have this gift: “Do all speak with tongues?” he asks in 1 Corinthians 12:30). Yet in 1 Corinthians 14:5, he says, “I wish you all spoke with tongues.” That means he is talking about two different types of tongues here.

In 1 Corinthians 14:27-28, now this type of Tongue is also a public Tongue that is spoken within and to the church for all to hear. But the Apostle Paul gives us some guidelines on how to use this gift. He tells us that if you speak in an unknown Tongue to the church loudly for all to hear, you must have an interpreter. If you do not have an interpreter, then you must keep silent. It is also important that we understand the context in which these words were spoken. It was during the time when the people in the church of Corinth were abusing the gift of tongues such that they would speak in a disorderly fashion, causing confusion in the process, hence Paul had to correct them and set an order of how they should speak in tongues in a public setting.

In 1 Corinthians 14:6-33, Paul explains the importance of order for the corporate gift of tongues. He even limits the number of people who can speak openly to two or three, and each in turn, so that the interpretation can come forth (1 Corinthians 14:27). “But if there is no interpreter, let him keep silent in the church, and let him speak to himself and to God” (1 Corinthians 14:28), meaning that believers can always pray quietly in the Spirit as long as they are not disrupting others. Sometimes in a corporate setting, the room will engage in a time of singing or praying together in the Spirit to build strength, war spiritually, or give joyful praise to God. These tongues are being spoken to God, not men, and there is no requirement for interpretation—although believers can ask God for the interpretation, since tongues speak mysteries that the Spirit wants to reveal (1 Corinthians 14:2; 14:13).

With regard to the public speaking of tongues, the first time we hear about this

gift was in Acts chapter 2:4-14, when the 120 Disciples of Jesus came down from the Upper Room speaking in other Tongues. Everyone who heard them speak in strange languages thought that they were drunk with new wine. But then there were others that could hear the 120 speaking to them in their own native tongue. The Apostle Peter then explained to the crowd of 3000, that this was a fulfilment of the prophecy of Joel. The Tongues with which the 120 spoke when they left upper room, were Tongues that were for a sign to the Unbelievers, hence why they could speak in an earthly language that they've never heard or learned. This language was translated by the Hearer or the Unbeliever who heard it.

▪

### **Private Speaking Of Tongues As A Prayer Language.**

▪

#### **(Personal Prayer Language)**

The second dimension of tongues is a personal prayer language that edifies the one who is speaking. This is what Paul was referring to when he said, "I thank my God I speak with tongues more than you all" (1 Corinthians 14:18). This edification is interpretation for the speaker's own use. It is this personal prayer tongue that Paul used frequently, praying to God with his spirit (Ephesians 6:18). This allowed him to "pray without ceasing" (1 Thessalonians 5:17). The Apostle Paul tells us that when someone speaks in an unknown Tongue, he is speaking mysteries in the spirit. Now, if someone understood the language that the speaker was speaking in, then it would not be a mystery because somebody would understand it. Speaking in unknown Tongues is the only way that you can edify yourself or build yourself up in the spirit (1 Corinthians 14:4). For this reason, Jude says in his epistle that we must build ourselves up on our most holy faith, praying in the Holy Ghost.

Jesus included speaking in tongues as one of the signs that would follow those who believe in Him (Mark 16:17). Believers can receive this gift by asking for it and are even exhorted by Paul to ask for it, along with the other spiritual gifts (1 Corinthians 14:1). “As you pray for the release of the gift of tongues, you may simply feel the presence of God lightly, or just a gentle urge to speak out,” I encourage you to speak out the words that come to you and see what the Holy Spirit does. In Romans 8:26, now, this is when the Apostle Paul is speaking about how the Spirit makes intercession for us with groanings that cannot be uttered. This type of Tongue, also personal, is what is done in private. When you are praying in unknown Tongues, sometimes the Spirit leads you into deep intercession and the Unknown Tongue turns into a groan. This is when you know that the Spirit is interceding for you or for someone else.

My question has always been, how do you do that? Praying in unknown Tongues is how you build up your most holy faith. You’ll always find that Saints who pray in unknown Tongues for extended periods of time, are always on a high level when it comes to their walk with God and revelation of the things of God. Another observation of mine over the years is that those who do not speak in unknown Tongues also do not move in the nine gifts of the spirit, and if they do, it’s on a very very limited basis. In a practical sense, before ministering to a group, I seek to pray in the Spirit to position myself to receive impressions, mental pictures, phrases, and direction from the Spirit to guide and help me. It is good to pray for the interpretation of what you are praying for (1 Corinthians 14:13). As you do, the Holy Spirit may give you insight into what is on His heart for a particular situation.

### **THE TWO TYPES OF TONGUES:**

▪

## **Tongues Of Man Versus Tongues Of Angels**

**"If I speak in the tongues of men and of angels, but have not love, I am a noisy gong or a clanging cymbal." (1 Co1osians 3:1).**

**Did you know that there are tongues of men (language which man uses in the natural realm) and tongues of angles (dialect which is a heavenly coded language used by angels for communication purposes)? Owing to a lack of revelation of God's Word, many believers casually read the above scripture and presume that tongues of man and tongues of angels is one and the same thing yet it's not. Let's clarify these differences before:**

## **Tongues Of Man**

■

Tongues of men refers to a natural language which man uses in the natural realm to communicate with others in his or her sphere of contact. In other words, it is any language spoken by humanity on earth be it English, Chinese, Greek and so forth, something that can be understood by humanity. It qualifies to be a tongue

of man when it is spoken by or understood by humanity under unnatural or uncommon circumstances beyond human explanation. Man can be granted a supernatural understanding of another man's language, which is completely foreign to him. Do you remember when Jesus's disciples spoke in tongues for the very first-time during Pentecost when they left the Upper Room? The type of tongues they spoke were the Tongues of man which I'm explaining here. Why do I say so? Because the Bible says each man from every nation under Heaven heard the disciples speak as if it were in their own language.

This is how Tongues of man operates. The fact that they are called Tongues of man does not mean that they are less spiritual or carnal, but it simply means that when they are spoken, they come out as an earthly language, which can be easily understood by human senses. For example, a story is told of a brother in Christ who visited a certain country to minister the Gospel but was hindered by the fact that he couldn't understand the language of people in that nation. Suddenly, under the unction of the Holy Spirit, he sensed an upwelling from within his mouth and started speaking that foreign language and after the preaching was done, he could no longer continue communicating in that language. On a different occasion, another man was addressing a crowd in Chinese and sitting in a crowd was a man from Africa who never knew or understood a word in Chinese. But as he listened, suddenly, God opened his mind and he could fully understand what that Chinese man was saying even though he never understood the foreign language before. This is how tongues of man operates.

## **Tongues Of Angels**

■

On the other hand, tongues of angels refer to a dialect which is a heavenly coded language used by angels for communication purposes. Although this language is used by angels for communication purposes, when they make contact with human beings, humans can be granted the grace to communicate with angels and understand them in their language. It is called tongues of angels because it is a

language spoken by angels. Speaking in tongues of angels therefore connotes to the practice of uttering a series of rapidly-spoken, indiscernible syllables and reflects a “heavenly” tongue of an inexplicable variety. It implies a foreign language that you will not be able to speak out on your own, and only the Holy Spirit’s supernatural transmission of this language out of your spirit will give you the ability to be able to speak this language out. And whatever tongue the Holy Spirit will give you, you will be able to use it 24/7, whenever you want. It will be your own personal, private, prayer language between you and God.

Tongue of angels enables you to effectively function in the angelic realm whereby you give orders or instructions for angels to undertake certain tasks on behalf of the Kingdom of God. Because you have been elevated to a level where you are communicating in a spiritual language which angels understand, angels will hearken to your word, cooperate with you and bring to pass whatever you command them to do. Tongues of angels is the very language that God uses when communicating with angels. They hear him in their own spiritual language and hearken to every word he instructs them to. Tongues of angels release angels on the scene whenever it is spoken.

## **CHAPTER THREE**

### **THE IMPACT OF SPEAKING IN OTHER TONGUES**

The full benefit of praying in tongues has yet to be tapped by the church of Jesus Christ. It has been observed that many Christians, after they have been baptized in the Holy Spirit, do not continue exercising prayer in tongues because they are not taught the benefits. Remember that Paul said that praying in tongues is praying in the spirit (1 Corinthians 14:14). When we pray in tongues, we are spending time in the spirit realm and therefore are growing more sensitive to the spiritual world. Praying in tongues, is a vital aspect to our spiritual growth, walking in the supernatural and being sensitive in the spirit. There is no way around it! If you want to grow in the anointing, it is imperative that you become a person of prayer. Jesus was a man of prayer as was the Apostle Paul and the early church was birthed and based on prayer. The Holy Writ shows that prayer and specially 'tongues' played a very prominent role in the life of the early church and it must play a prominent role in your life.

One of the greatest ministers who ever graced this earth was Reverend John G. Lake. Although he went through terrible hardships, he was a world shaker. What was the secret to John G. Lake's deep revelations, extraordinary manifestations, and the success of his ministry? Here is an excerpt from his own mouth: "I want to talk with the utmost frankness and say to you, that tongues have been the making of my ministry. It is that peculiar communication with God when God reveals to my soul the truth, I utter to you day by day in the ministry. Many times, I climb out of bed, take my pencil and pad, and jot down the beautiful things of God, the wonderful things of God that He talks out in my spirit and reveals to my heart." Notice these words: "Tongues have been the making of my ministry." Tongues will be the making of your life. Another great man who knew the power of praying in tongues was Smith Wigglesworth. Here was an uneducated plumber who, when he partook of the blessing of tongues, was transformed into the apostle of faith. The miracles, boldness, and manifestation of the supernatural became evident in his life and ministry. The church and the world are waiting for end time apostles who will be carriers of power and deliverance. You can be so as you develop the habit of praying in tongues! Apart from the obvious and common knowledge ones, let me list two benefits that you will enjoy as you partake of this marvellous blessing:

It is the first entry point of contact with the realm of the spirit. For you to experience appreciable spiritual growth, you must speak in tongues often. Praying in tongues is an effective means of spiritual communication with the Lord; it transcends the natural mind or intellect (1 Corinthians 14:14). You're stirred when you speak in tongues, the anointing wells up like currents from your spirit. According to our opening verse, you edify yourself when you speak in tongues. "Edify" derives from the Greek word "oikodomeo," which means to construct or build up, much in the same sense as building or constructing an edifice. The idea given to us by the Spirit of God is that when we speak in other tongues, we build up ourselves, like an edifice, brick by brick, as you would a physical structure (Jude 1:20).

In Acts 20:32, Paul said to the brethren at Ephesus "And now, brethren, I commend you to God, and to the word of his grace, which is able to build you up...." Connecting this with our text lets us know that speaking in tongues works in conjunction with the Word to build your spirit. If you want to grow stronger spiritually, not only should you study and listen to God's Word, you should also speak in tongues frequently. The Bible says, "But ye, beloved, building up yourselves on your most holy faith, praying in the Holy Ghost" (Jude 1:20). Speaking in other tongues is therefore a necessary requirement for your spiritual growth and upliftment. If you're born again and have received the Holy Spirit, you can and should speak in tongues frequently. You don't need to wait for special prayer times; wherever you are, speak in tongues. It will condition and programme your spirit for the life of success and dominion

## **THE IMPACT OF SPEAKING IN OTHER TONGUES**

*Why Should We Pray In Tongues?*

■

## **Speaking in Tongues Consistently builds your faith and edifies you**

■

For you to experience serious spiritual growth, you must speak in tongues consistently. The apostle Paul contended, He that speaketh in an unknown tongue edifieth himself...(1 Corinthians 14:4). Praying in tongues is an effective means of spiritual communication with the Lord; it transcends the natural mind or intellect (1 Corinthians 14:14). You're stirred when you speak in tongues; the anointing wells up like currents from your spirit. That anointing works on your mind such that you're transported to the higher realms of the supernatural. According to our opening verse, you edify yourself when you speak in tongues. "Edify" derives from the Greek word "oikodomeo," which means to construct or build up, much in the same sense as building or constructing an edifice. The idea given to us by the Spirit of God, through the Apostle Paul in 1 Corinthians 14:4 is that, when we speak in other tongues, we build up ourselves, like an edifice, brick by brick, as you would a physical structure.

In Acts 20:32, Paul said to the brethren at Ephesus "And now, brethren, I commend you to God, and to the word of his grace, which is able to build you up...." Connecting this with our text lets us know that speaking in tongues works in conjunction with the Word to build your spirit. If you want to grow stronger spiritually, not only should you study and listen to God's Word, you should also speak in tongues frequently. Besides, when you pray in other tongues, you build your faith: "But ye, beloved, building up yourselves on your most holy faith, praying in the Holy Ghost" (Jude 1:20). Speaking in other tongues is therefore a necessary requirement for your spiritual growth and upliftment. If you're born again and have received the Holy Spirit, you can and should speak in tongues frequently. You don't need to wait for special prayer times; wherever you are, speak in tongues. It will condition and programme your spirit for the life of

success and dominion. Father, I thank you for the wonderful blessing and the refreshing of the Spirit which I experience today as I speak in other tongues; my life is transformed, and my spirit is conditioned for success, dominion and victory, in the Name of Jesus. Amen. (1 Corinthians 14:2;1 Corinthians 14:14,14:39: Proverbs 29-31 ;2 Corinthians 11:1-15: 2 Thessalonians 3:11-18 ;Jeremiah 29).

■

### **Tongues is the entrance or doorway into the supernatural realm**

■

*For he that speaketh in an unknown tongue speaketh not unto men, but unto God...howbeit in the spirit he speaketh mysteries (1 Corinthians 14:2).*

Praying in tongues is beneficial because it is the gateway into the spirit realm. There is a doorway into the realm of the spirit, and it is through tongues. John said, "I was in the Spirit on the Lord's day" (Revelation 1:10). No wonder Christians have no knowledge of entering the spirit realm. Technically speaking, praying in tongues helps you to log-in into the realm of heavenly website in order to download God's manifold mysteries (Daniel 2:22; Jeremiah 33:3; Ephesians 1:15-17). Tongues is the key that unlocks the spirit world. As long as Satan can keep you away from tongues, he can keep you away from the miraculous. Notice the words, "howbeit in the spirit" (1 Corinthians 14:2). When you pray in tongues, you are automatically in the spirit. Paul was stating that God is in the spirit, and when we pray in tongues we are in the spirit where God dwells. In other words, when you start praying in tongues you are entering God's miracle zone. I want you to understand this fact: tongues is the prayer in the New Testament.

Speaking with tongues is the doorway into all the other spiritual gifts. Some people want to experience all the gifts of the Spirit at once, but you have to go through the door to get into the supernatural. Also, it is as the Spirit of God wills, not as we will (1 Cor. 12:11). In other words, you can't force or "put on" a manifestation of the gifts of the Spirit. The Bible teaches us to desire spiritual gifts (1 Cor. 14:1). The Bible also teaches us to earnestly covet the best gifts (1 Cor. 12:31). But remember that those words were written to people who already spoke in tongues. They weren't written to people who did not speak with tongues. I have found in my own life that the more I speak in tongues—the more I pray and worship God in tongues—the more manifestation of the other gifts of the Spirit I have in my life too. And the less I speak in tongues, the less manifestation of the supernatural gifts of the Holy Spirit I have operating in my life.

The Holy Spirit knows what is coming in the future, and I am thoroughly convinced that if we will be sensitive and responsive to Him, He will show us things to come (John 16:13). He will equip each of us for what lies ahead in life, if we will yield to Him. Praying and speaking with tongues is one way to do that; it is one way to be built up spiritually in order to prepare and be ready for whatever may come in the future. God has given each of us a supernatural means of edifying ourselves, or building ourselves up, spiritually. God has given to us a supernatural means of communicating with and worshipping Him.

In one of my spiritual experimentations, I prayed in tongues non-stop for forty-eight hours. I was in a different realm by that stage. I literally saw into the spiritual world as if they were natural objects. It is important to spend at least an hour of prayer in tongues every day. One hour seems to be the break-even point of the spirit realm over the soul and body. Jesus asked His disciples if they could wait in prayer an hour (Matthew 26:40, 41). If you have never experienced the stillness of mind yet, take time off to spend a whole day in prayer in tongues.

■

## **Speaking in tongues prepares a fertile ground for your inward man to show up.**

■

Fear creates the perfect environment for satanic activities. The latter part of our opening scripture shows how you can build your spirit strong against fear. It says in 1 Corinthians 14:3-4), "...He that speaketh in an unknown tongue edifieth himself...." The word "edifieth" derives from the Greek word "oikodomeo" which means "to build up or to make bold. "When you speak in tongues, you embolden your spirit; you charge up your spirit. Your spirit, at that point, rises like a giant from within you and dominates the outward man—the body with its senses. Thoughts of fear are at once dispelled, while boldness and faith are stirred within you! This is the solution to fear and timidity. Praying intensely and passionately in other tongues is a means of energizing your spirit for victory. In 1 Corinthians 14:18, Paul said, "I thank my God, I speak with tongues more than ye all." That was his secret. Through speaking in tongues, the life and power of God inherent in his spirit was activated such that it completely inundated his physical body! So much so that on a certain occasion, while on the Islands of Malta, a venomous viper fastened itself on his hand, yet Paul wouldn't respond in fear. Rather, very calmly, he shook the snake into the fire and suffered no harm (Acts 28:1-5). His spirit had gained the ascendancy over fear. 2 Timothy 1:7 says, "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind." However, you have to activate that power from within through speaking in tongues. This makes your spirit come alive, such that your faith proclamations in crises are from a vantage position of rest and power.

*As I speak in other tongues today, my inner man is stirred and energized for victory and success; thoughts of fear, timidity and weakness are dispelled, and I take dominion over every adversity, walking on transcendently, in Jesus' Name. (Act 4:31; 2 Timothy 1:7; Isaiah 54:15; Ezra 1-3; Acts 9:32-43; 2 Corinthians 7:1-8; Isaiah 8).*

■

## **Praying in tongues is a direct line to God**

■

*For he that speaketh in an unknown tongue speaketh not unto men, but unto God... howbeit in the spirit he speaketh mysteries (1 Corinthians 14:2).*

Tongues is your hotline to God. It synchronizes you with what heaven is doing. It aligns you with the heartbeat of God. It enables you to pick up signals from the realm of the spirit and catch the heavenly airways. How many people would love to have an audience with God? Literally millions! There are people all over the world doing all kinds of crazy things to get their god to hear them. Some are offering all kinds of sacrifices, but Paul reveals to us a direct line to the Almighty. People of all religions know that when we get an audience with God, miracles will flow.

Through tongues, you and I can have direct access to God. The Word says, “no one understandeth him...” (see 1 Corinthians 14:2). This means Satan does not understand when you pray in the spirit. He knows what you are doing, but he cannot understand what you are saying. He is helpless to sabotage your prayer. It is funny how people say, “Tongues is of the devil,” and yet Paul says, “Tongues is talking to God.” Through tongues, you have direct access to God. So, tongues are the believer’s direct access to the throne room. Do you get that? This is very important for you to grasp! Paul prayed a lot in tongues, and I believe the power of God had surrounded his whole body like an aura that even demons could recognize his identity in Christ because in Acts 19:15.

When praying in tongues, you are speaking directly to God. As you pray in tongues, you have a direct line to the president of the universe. Sometimes while praying in our native languages, we have the tendency to veer off and get distracted. We may start complaining. We may start going through the routine laundry list of prayer requests—and by the time we are finished reading them off to God, we feel more burdened than refreshed (because we actively thought of every single one of those circumstances as we listed them off in prayer). Tongues keeps us talking directly to God, praying in agreement with His perfect will (Rom. 8:26-28).

■

### **Praying in tongues is the highest level of communication in the Spirit**

■

Not only is speaking in tongues a direct line to God but it is the highest level of communication in the Spirit. Praying in tongues allows you to communicate at the God level. It is communication that is out of this world. It's comparing spiritual with spiritual. It is spirit to spirit. It is communication that is beyond the throes and frailties of the earth realm. At this communication level, there are no limitations, only possibilities. You are not communing with man, but with God (1 Corinthians 14:2). What a privilege! This is fellowship of the God-kind. It is too vital and honorable to be missed. When you pray in tongues, your spirit is engaged. You are sensitive to the sublime signals of the Spirit and as Pastor taught us, you are synchronized with the accuracy of God's plans, purposes and timing. One of the New Creation realities is that the Holy Spirit dwells in us.: "The Holy Spirit doesn't want to live in us to be apart from us, but to be so mingled with us that we are one entity!" (1 Corinthians 6:17).

■

### **Speaking in tongues refreshes your spirit**

■

It is worth exploring the divine truth that speaking in tongues refreshes your spirit. It is for this reason that Peter declared: Repent ye therefore, and be converted, that your sins may be blotted out, when the times of refreshing shall come from the presence of the Lord (Acts 3:19). How wonderful to know that you can be refreshed, renewed, strengthened and invigorated every day, by the Holy Spirit! It's part of His ministry in your life; His indwelling presence brings refreshing and restoration, such that you're never discouraged, but rather suffused with might in your inner man for every task. Isaiah 40:31 says, "But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint." This is the work of the Holy Spirit in your life: His love, faithfulness and power can so touch and uplift you that you'll never be defeated or discontented in life. You can have times of refreshing every day, especially when you pray or study the Word of God; you can be overwhelmed by that awesome presence of the Holy Spirit!

Jesus said you shall receive power—the ability to cause changes—having received the Holy Spirit (Acts 1:8). He wasn't talking about an external power, but inherent power; that is, power that resides within you. That power, when activated, will refresh and make you produce outstanding results. This is one of the benefits of speaking in other tongues. The Apostle Paul realized this great blessing and advantage of the indwelling presence of the Holy Spirit in the believer, when he said, "He that speaketh in an unknown tongue edifieth himself." (1 Corinthians 14:4). When you speak in other tongues, you're revived and refreshed; and it's the Holy Spirit who makes it possible for you to speak in other tongues. It's so important for every Christian to receive the Holy Spirit. No one can fully live the authentic Christian life without the Holy Spirit. Read Nicodemus' powerful statement to Jesus in John 3:2: "...Rabbi, we know that thou art a teacher come from God: for no man can do these miracles that thou doest, except God be with him." How true! Living to your best potentials and walking in the supernatural are only possible through the Holy Spirit. You couldn't even understand the Scriptures without Him. Father, thank you for

teaching me how to activate the power of the Holy Spirit that's in me. As I hear, study the Word, and pray in tongues, I declare that I'm refreshed, revived and renewed, with the divine strength and enablement I require to accomplish every task today, in Jesus' Name. Amen. (2 Timothy 1:6; Isaiah 28:11-12; Matthew 9:18-38 Genesis 29-3).

▪

## **Praying in Tongues Gives You Supernatural Understanding of God's Mysteries**

▪

“For he that speaketh in an unknown tongue speaketh not unto men, but unto God, howbeit in the spirit he speaketh mysteries.” (1 Corinthians 14:2).

Praying in tongues is speaking divine mysteries—divinely coded secrets. Notice the word mysteries in our opening verse. This is a loaded word that has multiple meanings, which are eye-opening. Some versions translate this word as “secrets.” The Greek word is *musterion* and the meanings are: Hidden things, divine secrets, coded language, secret will or plan, secret counsels that govern God in His dealing with the righteous, hidden from the ungodly and wicked men but plain to the godly, knowledge withheld from ungodly, but truth revealed to the righteous and images and forms

W.E. Vine's Expository Dictionary of New Testament Words defines mysteries as “primarily that which is known to the mustes, meaning they initiated from *mueo*, which means to initiate into the mysteries.” In the New Testament, the word *mystery* does not denote “the mysterious,” as with the English word. Rather, it denotes that which, being outside the range of unassisted natural

apprehension, can be made known only by divine revelation, and is made known in a manner and at a time appointed by God to those who are illumined by His Spirit.

In the ordinary sense, a “mystery” implies knowledge withheld; its Scriptural significance is truth revealed. Look at First Corinthians 14:2 again. It says, “no one understandeth him.” This means Satan does not understand what you are saying when you pray in the Spirit. Therefore, he cannot sabotage your prayer. Now look at this stated meaning, “But that which, being outside the range of unassisted natural apprehension, can be made known only by divine revelation.” Therefore, when you pray in tongues, secrets or plans will be made known to you. When you pray in tongues, you are declaring the secrets of God, which will impart blessings and impact your life. You are prophesying your God-ordained future. By praying in the Spirit, you are making a path of blessings and power for you to walk in and enjoy.

The Holy Spirit can be best describes as the Google, or “search engine of heaven.” God is mysterious, yes, but the Spirit who knows everything about the mysterious, expansive, glorious God is the same Spirit who lives inside of you! And furthermore, He wants to reveal mysteries to you about God, His will, your life and the circumstances you are facing. How do we access this revelation? Communion with the Holy Spirit on His level—in His language. Remember, Paul defines Holy Spirit as the One who “searches out everything and shows us God’s deep secrets” (1 Cor. 2:10, NLT). As you pray in the Spirit, you will discover things that were previously mysterious and unknown will start coming into greater focus and clarity.

■

**Praying in other tongues is an evidence of being filled with the Holy Ghost**

■

Let's refer to three scriptures to establish the doctrinal reality of this divine truth. As evidence in the word, there every time people who spoke in tongues when they were filled with the Holy Ghost, they spoke in tongues. It infers that the infilling of the spirit triggered the speaking in tongues. Acts 2: 4 and they were all filled with the Holy Ghost and began to speak with other tongues. Acts 10:44-46, as Peter began to speak, the Holy Ghost fell upon all them that heard the word. And the gentiles received. How did they know that the gentile received the Holy Ghost...because they heard them speak in tongues...if they didn't not hear them speak, they would not have known? So, it infers that the speaking of tongues is an evidence of an inward filling of the Holy Ghost. It's an outward evidence of an inward infilling. Paul asked to have you received the Holy Spirit since you believed. And they said they have never heard of the Holy Ghost Paul laid hands on them and the Holy Ghost came upon the man they spoke on tongues and prophesied. Laying of hand is one of the doctrines for impartation or transferring of spirits from one person to the other. Paul says in Ephesians 5:15-20 he proceeds further and begins to enumerate the will of God- speaking to yourself, hymns and speaking in tongues. It is the will of God for every believer to be filled with the Holy Ghost continuously it therefore follows that it is also the will of God to be speak in tongues continuously because speaking in tongues is a sign or evidence of having been filled with the Holy Ghost.

■

### **Praying in tongues builds and anchors your spirit and Spiritual Edification**

■

“He that speaketh in an unknown tongue edifieth himself” (1 Cor. 14:4).

Our spirit man is built up and energized when we pray in tongues (1 Corinthians 14:4). Tongues are a means of spiritual edification. In our opening verse, the word “edifieth” means to build up. Further down in the chapter, The Amplified Bible reads, “My spirit [by the Holy Spirit within me] prays, but my mind is

unproductive” (1 Cor. 14:14). So, praying in tongues is not for mental edification, but for spiritual edification.

In 1 Corinthians 14:4 (Amplified) says the one who prays in an unknown tongue edifies himself. The amplified version adds the synonym “improves” himself. This means that when you pray in tongues, you can expect to be improved! Pastor phrased it as: the self-improvement program of the Holy Spirit for you! So now, there’s no limit to how much you can improve. Nothing or no one can set a limitation on you. Most remarkably, Jude verse 20 (Amplified) says “make progress, rise like an edifice higher and higher praying in the Holy Spirit”. This means you can make progress and rise like an edifice as you pray in the Spirit. An edifice by any imagination is an unavoidable structure. It means you make progress till you can’t be ignored! When you refer to an edifice, you don’t look down for it, you always look up for it. That’s how you become. Your stature in life is improved. Your influence and impact cannot be ignored, regardless of the sphere you are involved. Thanks be to God!

■

### **Praying in tongues activates the power of the Holy Ghost in you**

■

When you are born again and filled with the Holy Ghost, the power of God comes to reside in you. This power is activated, triggered off or set in motion when you speak in other tongues. When we pray in tongues, it is our spirit man that prays (1 Corinthians 14:14). Our spirit man is activated and dominates our whole being as we pray in tongues. So, as we pray in the spirit, we activate the power and increase the influence of the Spirit over our spirit, mind, body and affairs. We are subsumed under His influence so that our expressions are now under his influence and control. In this state, mistakes are impossible. You function rightly and accurately all the time! Getting more out of my Prayer Times. 1 Corinthians 14: 14-15 shows us a simple but profound truth about the pre-eminence of praying in tongues. Train yourself to always start by praying in

tongues instead of praying with your understanding. The spiritual is greater than the physical. Why start with the lesser? And in most cases, the understanding is limited so if you are faced with a situation you don't understand, and you are praying in your understanding, that will be quite frustrating. Always pray with the spirit first, and then with your understanding if required, for by then your understanding would have been energized and under the influence of your spirit. This is the order. It works. When you pray in tongues, stay engaged long enough for the power to rise within you. It may take a while, as you try to keep distractions out, but stay with it. Pray until divinity takes over. You will know when this happens.

■

**Praying in tongues gives you the ability to command angels to perform certain ministerial tasks**

■

When raising the dead, in some instances, you might be given a prompting by the Holy Ghost to speak in other tongues as a way of effectively dealing with the spiritual phenomenon of death and settling matters in the realm of the spirit. In some cases, the dead can be raised just by speaking in tongues, without uttering any word in your understanding. The Bible speaks of diversities of tongues or divers' kinds of tongues (1 Corinthians 12:10), meaning there are of different kinds. As much as there are warfare tongues, worship tongues and prophetic tongues, there is another flavour of tongues which I call Tongues of Resurrection or Resurrection Tongues. When you speak in this type of tongues, while in the natural realm, you might be heard speaking in other tongues, in the realm of the spirit, you are actually commanding the spirit of death to loosen its grip on the dead or even commanding Angels of life and resurrection to bring back the departed spirit into the body. And since speaking in tongues is the highest level of communication in the spirit, spiritual subjects such as the spirit of death, angel of death and demons of death or any other satanic cohorts which manipulates hell as their playground, shall respond swiftly by releasing the captured soul back into its body.

■

**Praying in tongues is strengthening your inner self with might.**

■

Ephesians 3:16 tells us, “That He would grant you, according to the riches of His glory, to be strengthened with might by His Spirit in the inner man.”

The Weymouth New Testament words it like this, “To grant you—in accordance with the wealth of His glorious perfections—to be strengthened by His Spirit with power penetrating to your inmost being.” To strengthen means “to make stronger.” It also means “to increase in strength and force.” According to the apostle Paul, when you pray in tongues, you are strengthening or fortifying your spirit man with might. Obviously, he would know more about the might of tongues, as he declared to the Corinthian saints that he prayed in tongues more than them all (see 1 Cor. 14:18). The word ‘might’ is the Greek word ‘dunamis’, and it means “miracle power and explosive power.” The more you pray in the spirit, the more you are increasing in spiritual force on the inside of you. The more you pray in tongues, the more explosive power and miraculous power are growing inside of you. How can you be depressed when the strength of God is within you? Just like barbells will build up your arms, praying in tongues will build up your spirit. When your spirit is strong, it will help to keep that flesh body of yours in line. The more you pray in the spirit, the more you are increasing in spiritual force within.

■

**Praying in tongues is part of the offensive of the armor of God. It is the lance that will shoot down the enemy.**

■

*Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; And your feet shod with the preparation of the gospel of peace; Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked. And take the helmet of salvation, and the sword of the Spirit, which is the word of God: Praying always with all prayer and supplication in the Spirit and watching thereunto with all perseverance and supplication for all saints.”*  
(Ephesians 6:13-18).

Praying in tongues, which is praying in the spirit, is a part of our spiritual weapon against Satan. Just like barbells will build up your arms, praying in tongues will build up your spirit. In our opening verse, pay attention to the words ‘whole armor’ referring to the Greek word panoplia, meaning “whole, complete set.” It was a word used to depict the full armor of a hoplite or heavily-armed Roman soldier. Whenever the Roman soldier would put on his full armor, there were seven things that he would put on. The apostle Paul listed all the other Roman weaponries by name except for the lance. No Roman panoply would be complete without the lance. Since six is “the number of man” and seven is “the number of God,” seven stands for completion. That is why in the Old Testament we see and read of the seven feasts of Israel, seven sacrifices, seven furnitures of the tabernacle, seven lamps of the candlestick, seven pillars of wisdom, and seven cities of refuge to name a few. The New Testament, specifically the Book of Revelation talks of the seven churches, Seven Spirits of God, seven golden candlesticks, seven stars, seven lamps of fire, seven seals, seven horns and seven trumpets to name a few.

God does things in sevens, and the seventh weaponry of the armor of God is the lance of prayer in the spirit. The Roman lance was called a pilum. It was the typical legionary weapon together with the short sword gladius. It was designed to penetrate the shield as well as the soldier holding it, and to bend upon impact

to make it unusable for another opponent. The pilum was used for long distances by throwing it, and for shorter distances they would use it to charge. It was a very offensive weapon. Praying in tongues is an aggressive and offensive weapon to put holes in the cover of the devil. The lance of tongues is designed to paralyze the movements of the devil against your life. No wonder the devil fights tongues so much, as it causes great harm in his kingdom.

When Peter's life was threatened by Herod, the church tapped into 'the unceasing prayer of tongues' and reversed the death sentence and demonic assignment. Tongues will make your progress unstoppable! Pray in tongues! If you want to be baptized in the Holy Spirit and speak in supernatural languages, or if you want to lead others into this gift, check out this new mentoring tool from Sid Roth, PTT – Personal Trainer for Tongues.

The Holy Spirit personally crafts or creates a special and unique language that enables a Christian to speak to God in prayer, praise, and thanksgiving. This gift is not a human language that one might encounter in some foreign country, but a Spirit-empowered capacity to speak meaningful words that are only understood by our Triune God: Father, Son, and Holy Spirit (unless, of course, God provides the interpretation through the one speaking or through another believer.

In the past, I had a vision in which I saw myself continue praying in tongues although it was a struggle. Suddenly, out of my lips came a white light that looked like a laser beam and it knocked the demon out. The demon screamed and slowly crawled away from me in fear. Immediately, I got up and heard the Lord speak to me about the importance of speaking in tongues and the impact it has on the spiritual world. In another vision, I saw the world covered by a dense thick cloud of darkness. From the earth I could see powerful beams of light breaking through the darkness and reaching to the Throne of God in heaven. In the vision I saw that the beams of light were the prayers of Christians, many of them praying in tongues. From these two experiences, I began to seriously pray

long hours in tongues. I noticed that when we pray long hours in tongues, there is a moment when our mind suddenly becomes still. When we reach that point, the awareness of the presence of God in our lives is heightened. At first it may take us six to eight hours of prayer to reach that stage but as we become familiar to the experience of God's presence, we will take a shorter and shorter time to reach it. With experience, we reach the quietness of mind within five minutes. It is also in this quietness of mind that the inner voice of God seems loud and clear.

### **Praying in Tongues Grants You Access to Other Revelatory Gifts of the Holy Spirit**

■

*"For to one is given the word of wisdom through the Spirit, to another the word of knowledge through the same Spirit ... to another prophecy, to another discerning of spirits, to another different kinds of tongues, to another the interpretation of tongues" (1 Cor. 12: 8, 10, NKJV).*

Praying in tongues actually unlocks other revelatory gifts of the Holy Spirit in your life, namely the word of wisdom, word of knowledge, prophecy and discerning of spirits. Remember, you are not praying on a natural dimension, but rather engaging on a purely spiritual one. Don't be surprised if, while praying in tongues, the Holy Spirit gives you supernatural insight about something, leads you to pray for people and unlocks clarity over people, situations and even regions, enabling you to effectively pray for and break off the spiritual strongholds that are influencing them.

■

## **Praying in Tongues Opens Up the Bible in a New, Living Way as You Read It**

■

*"However, when He, the Spirit of truth, has come, He will guide you into all truth; for He will not speak on His own authority, but whatever He hears He will speak" (John 16:13).*

For some modern believers, reading the Bible can feel like a life-draining experience. It's not just history. It is not a mere record of facts. Scripture isn't just stories. The same Holy Spirit who inspired the writing and assembly of the Holy Scriptures lives inside of you. He wants to guide you through the Bible, make the words jump off the page, give you understanding on confusing matters, empower you to apply God's Word to your everyday life, share prophetic promises with you and help you discover your role in God's unfolding story. Corey describes praying in tongues as a way the Holy Spirit "shines a flashlight on Scripture."

■

## **Praying in Tongues Empowers You to Engage Spiritual Warfare From the Position of Victory**

■

*"Praying always with all prayer and supplication in the Spirit" (Eph. 6:18).*

Prayer in tongues helps us against infirmities (Romans 8:26). The word

‘infirmity’ is the same word that is used when Jesus is said to have borne our infirmities and sicknesses (Matthew 8:17). Praying in tongues creates a spiritual force in and around us that makes us immune to sicknesses. Praying in tongues is not some magic formula that guarantees us some free and easy lifestyle of health, wealth, prosperity and all of those fixings. Jesus assured us that in this life, we will experience tribulation (John 16:33). In the same passage, the same Jesus declared that He has overcome the world. Victory has already been secured at Calvary.

In times of trial and assault, it is easy for us to become weary in the place of prayer, often not knowing what or how to pray. Praise God for the Holy Spirit! Paul reminds us "for we do not know what we should pray for as we ought, but the Spirit Himself makes intercession for us" (Rom. 8:26). When in the heat of spiritual combat, it is easy to start praying prayers that agree with the size of the attack, emphasizing the problem rather than focusing on the size of the blood-bought victory that Jesus purchased at the cross. Praying in tongues empowers you to agree with God’s victorious battle plan for your life and your circumstances, no matter what is going on around you. It does not deny reality; it simply positions you to agree with the higher truth of Scripture: Victory has been purchased, and it is yours through Jesus Christ.

### **Speaking in tongues Enhances our Worship**

■

Praying and singing in tongues helps us to worship God at a higher level than our understanding permits (1 Corinthians 14:15; John 4:23, 24). For the believer who is filled with the Holy Ghost, his tongues are given to him to use constantly in his worship and devotion to God. The Bible says in Acts 10:46 concerning Cornelius and his household when they began to speak with tongues, “For they heard them speak with tongues, and magnify God” Speaking with tongues is a

supernatural way to magnify God.

*Let the word of Christ dwell in you richly teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord. (Colossians 3:16)*

One of the goals of 24/7 prayers is to worship God from a flowing heart. Praying in the spirit sensitizes our hearts to the things of the Spirit (Jude 20). Both singing with our spirit and with our understanding is important in our spiritual life. Paul taught that if we sing to God from our hearts, we would experience God's grace and the Spirit's presence:

One way we are filled with the Spirit is by singing spiritual songs in our heart to the Lord. I have discovered the power of spontaneously singing Bible passages to God and intermittently singing in tongues, which often results in the Holy Spirit's touching the deep chambers of my heart. Singing the Word impacts our hearts more than just speaking it or hearing others speak it. God designed our heart to be touched deeply by music and singing. As we sing the Word and sing with our spirit, we receive mysteries (impressions from the Holy Spirit) and gain insight from the Word. The Spirit will give us more and more if we will sing the Word and sing with our spirit consistently."

It equips believers to communicate with God on a unique level and empowers us to effectively live the supernatural life. In short, it would make a lot of sense that the enemy would tirelessly fight against something that has such strong potential to pillage his expansion of darkness in our lives and on the earth. As a Christian, God expects you to be a vehicle for the Holy Ghost, not a prison. Praying in tongues makes us useful to the Holy Ghost in bringing forth the agenda of the Father on the earth, whereas not doing so is caging what could have been released.

Praying in tongues makes us pick peculiar choices of God from the book of life, David picked five stones, five peculiar stones that he was guided to pick and conquered Goliath. There is a river of God (Psalm 46) that flows with everything you need. Praying in tongues enables us to gather accurately by fishing from that river of provisions of God. It is important for us to know that not every scripture is the sword of the spirit, e.g., you cannot use 'I shall not die but live' when you want to do an examination. Therefore, your sword of the spirit for the moment you use it must be accurate enough to cut the devil.

Praying in tongues helps us to know the scriptures that can handle the questions that the devil throws at us at a particular instance. Praying in tongues are prayers that have answers to life's questions. There are rivers also that are let loose when we pray in tongues (John 7:37). It opens dams in the spirit. Likewise, 1 John 2:20 becomes a reality because we know all things we ought to pray about. Mental prayers are simply wasted prayers and have limitations, but when we pray beyond professionalism, beyond being experts in a particular field, then we press on beyond the scope of mental capacity to receive things in the spirit.

Praying in tongues helps us to progress in the things of God (Jude 20), building ourselves up. Praying in tongues helps our partnership with the Holy Ghost to birth the purposes of God on the earth (Acts 15:28). 1 Corinthians 2:9-10 gives us access into the deep things of God. The truth is that kingship on the earth is determined by how much we can search out in the spirit.

***Through speaking in tongues, you can pray out the plan of God for your life by the power of the Holy Spirit. For this reason, I would like to encourage you to speak a lot in other tongues for a minimum of 3 hours a day. You will be thrilled at how your spirit will rise like a giant to dominate all situations and give you untold breakthroughs and victory in every area of your life.***

### **THE TECHNOLOGY OF SPEAKING IN TONGUES**

If you will know the value of speaking in tongues, you will speak all the time. If we realize how much wisdom flows when our mouth speaks in tongues, we will never again neglect speaking in tongues. But we have to move deeper, as we say there are different qualities of speaking in tongues and different levels; we have to move into the level where the interpretation starts flowing. That's when there is a relationship. You will feel like what Paul says, it's no longer I who live but Christ who lives in me. There is somebody inside you who advises you, not just giving you counsel but He is a counsellor who is ever-living in your life and wants to upwell and bubble form within you. Through the interpretation of tongues, you will understand what He says.

There is one brother in Christ who shared that he had a friend who travelled to Russia and was waiting for his next flight at the airport. Due to difficulties in understanding the local Russian language, he did not know what to do, hence he went up to a Russian man and asked for some directions. He asked in all languages that he possibly could yet the Russian man scolded him. Imagine yourself being in a country where everybody is saying something that you don't understand. The same applies with speaking in other tongues. Tongues is the wisdom of God that is so extensive, powerful and deep that no human languages could fully express it. We have a semblance of that in natural knowledge. The longer your vocabulary, the deeper your concept can be and you cannot comprehend deeper concepts because your vocabulary is lacking.

Can you imagine that all the languages in this world are not good enough to convey the wisdom of God? So, God says, I will give my people a new language that will not be limited to their vocabulary. There is only one snag - every time you want the wisdom that flows out from you, you have to ask for the interpretation because it's so deep. One or two sentences of that could take 200 sentences of our understanding to comprehend it. There are times when God spoke one word to me and I took one week to understand just that one word, the full extent and meaning of what He is trying to say. Imagine just one word and grasping its full breath and length is a mission. That's how great God's wisdom is. So, there is only one snag, we have all the wisdom of God inside us but most

people lack the interpretation. We have an interpreting system that God has inbuilt inside our human spirit. Our human spirit seems to understand everything because it's our spirit that speaks. Paul says 1 Corinthians 14: 15:

“I will pray with the Spirit and I will also pray with the understanding. I will sing with the Spirit I will also sing with understanding.”

Do you notice in our reference scripture above that Paul says he will pray in both his understanding and in tongues? In other words, he will come up with an appropriate mixture of tongues that is the exact recipe needed to effect changes in the spirit realm. He will mix it together and flow along with both. It is that kind of mixture that will invigorate your spirit and cause the Spirit of God in you to spontaneously bubble and flow out through you. Sometimes it happens this way where as I need a direction from God, I would just let the tongues flows out because the tongues are the wisdom of God. They are mystery. He that speaks in tongues speaks in a mystery. So, I would flow along and speak in tongues so as to tap into the deep mysteries of God. Until I sense my interpreter turn on, I could feel a tiny little figure reaching out into the spirit realm. From the spirit realm into the understanding and out comes something from the spirit that wants to be conveyed in English. So, when I sense it, the wisdom begins teaching my mind.

Do you know that not only is wisdom a quality of the spirit but a person that you got to relate to? Do you know when somebody wants to tell you something when you are talking? Let's say I am talking to you and as I talk, I sort of know you want to tell me something. So, that's the same sense I have in my spirit. When I am praying and talking to God, I sensed God wants to tell me something, but my mind cannot catch it. My spirit is catching it. So, what do you do when somebody wants to talk to you? You shut up. But the spiritual way of shutting up is to yield my mind, my voice and my mouth to the other person to use. Since He is speaking through me so I will be speaking in tongues and I sense that He is speaking something to me. I will not be talking to myself in a natural way. I will be speaking in tongues and suddenly God tells me something “Son, be strong in

Me”. As I continue speaking in tongues, then I hear Him say “I will open doors, and no one can shut it”. As I continue to speak in tongues again, He says, “You will know My way for my Spirit will go before you, do not fear them, just be strong.” I hear Him talking those words to me. So, I allow Him to use my mouth to talk back to me. It’s an amazing experience! It’s a powerful force to release that wisdom of God. Every time you have a situation or problem, pray in tongues, because your mind doesn’t know but your spirit knows and search in the deep depths of your spirit. Then you sense He says something to you. When you sense it, yield your lips to Him? He will speak through you and to you. Then you will hear Him saying “I will bless you and cause you to know My blessings like I have not blessed before.” It’s interesting; you are talking to the Lord and the Lord talking to you and through you. Isn’t that wonderful? He talks to you and you talk to Him. Of course, in the world people will lock you up in a lunatic asylum.

That’s what Paul is saying here, as we tap into the wisdom of God, His Spirit begins to speak in tongues in a mystery. Then we interpret the mysteries to become wisdom. Then our mind becomes strained in the wisdom of God. You could go on for hours, by the time you finish that kind of prayer relationship with God, it’s like stepping away from God’s throne after you have just met God at His throne. I mean His glory just oozes out through you, that’s what Paul mean that you shall be edified. So, the next time you have a business problem or any other problems, just sit down and have a good talk with God. Pray in tongues. Pray in tongues and you pray and pray until you reach a certain level. When you reach that level, you will hear Him talking to you. The moment you hear Him talking to you, let Him use your mouth to talk back to you. Sometimes you only have a small inclination, a word or two, let it go and suddenly more will come out. Part of the process is what Jesus outline here. In Matthew 10: 20 It says;

*When they deliver you up do not worry about how or what you should speak. For it will be given to you in that hour what you should speak.*

That is in a difficult time; He is talking about a time of crisis. He is not talking about when there is no pressure. He says when the pressure is turned on you; relax for He is inside you. And he says for it is not you who speak but the spirit of your Father who speaks in you. Life has its pressure, there are times when it is the valley, there are times when it is a mountain, but we continually remain in the mountain in the spirit. There will be times when the pressure is on and there will be time when the pressure is off. God will not let you suffer that you will be under pressure all the time. But when the pressure is on, take heart for it's not you who speak but the Spirit of God that speaks in you. As you rest in Him and tap upon Him, He comes out from you. Every problem we have is an idea problem and ideas come from God. Sunesis or understanding comes when you are related to the wisdom of God. When Jesus Christ was sitting down answering and asking questions He was hearing from God, the right question to ask and the right answer to give. It has a meaning of Him being related together with the Holy Spirit all the time and with God the Father. He says that everything He speaks, what he hears from the Father He speaks, sunesis, mysteries and a special work of speaking in tongues that God release to our lives right now.

## **CHAPTER FIVE**

▪

### **THE ART OF PRAYING IN TONGUES:**

## Praying In The Spirit Versus Praying In Your Understanding

One thing you must accord prime importance in your life as a Christian, is to always put the Spirit first; give Him the pre-eminence in your life. Never allow anything take your attention or focus away from Him; put Him before everything else. Even in prayer, the Apostle Paul shows us the prime place of the Spirit when he says in 1Corinthians 14:15:

"What is it then? I will pray with the spirit, and I will pray with the understanding also: I will sing with the spirit, and I will sing with the understanding also."

Note in the opening scripture, that praying in the spirit came first, then praying in your understanding later. A good number of Christians have this in the reverse. Many who pray in the spirit at all, pray with the understanding first, and then pray with the spirit. Such believers would have their lives dominated by natural circumstances because they put their understanding first and the spirit last. Hence, no matter what they face in life, they'd respond first from their understanding. This of course, would be a response of fear, agitation, and apprehension; because they've only trained themselves to think and reason first from the standpoint of their human understanding. Their answers come from the carnal realm.

The experience of King Asa of Judah shows that it's dangerous to live this way

as a Christian. Asa was a wonderful king, who experienced God's favour when he assumed the throne as king of Judah. The Lord helped him against his enemies several times because He put the Lord first. However, the Bible tells us that thirty-nine years into Asa's reign as king of Judah, he became "...diseased in his feet, until his disease was exceeding great: yet in his disease he sought not to the LORD, but to the physicians" (2 Chronicles 16:12). Rather than seek the Lord, Asa resorted to the doctors for help. The doctors couldn't help him, and he died of the disease. Let the Spirit always come first in your life. Make it a principle for yourself; to trust the Lord always and seek His help only! (Romans 8:14; Romans 8:6, Proverbs 14-15; 2 Corinthians 2:5-3:1-6, 1 Thessalonians 4:9-18; Jeremiah 22).

### **How Do I Practically Speak Or Receive Tongues?**

■

There're those who believe you can only speak in tongues when you've attained a certain "spiritual high" or ecstasy. They believe if you pray for a long time in your known dialect – in your understanding – you'd eventually get to that spiritual moment of ecstasy, where the Holy Spirit makes you lose your mind and then you start speaking in tongues. But that's not the way it works. Speaking in tongues is as natural to me as breathing.

The truth is that the Holy Spirit does not speak in tongues. Instead, we are the ones who speak. The Holy Spirit does not grab your mouth and force you to speak in tongues (Acts 2:4). Instead, you are the one who should speak. What the Holy Spirit gives is utterance, which refers to the ability to speak or communicate. Now, the question you could be asking right now is: Where am I going to get the words to say? It's Simple. The Holy Spirit will give you utterance. The Holy Spirit gives you the edge on the inside to speak whatever you have to speak, so you have to speak by faith. Just let the river loose, ooze from you. Now, who gives you the words to speak in tongues? It's the Holy Spirit. The Bible says we speak in tongues according to the utterance given to us by the Holy Ghost (Acts 2:4). The Holy Spirit puts the language in your spirit; so

when you speak in tongues, they're words of the Spirit! You speak forth words that the Holy Spirit has formed within your spirit; what a way to pray without limitations! Your mind may not remember all the things you need to pray about; you may not even know what to say about them; but the Holy Spirit does, and therefore gives utterance to your spirit. Praying this way is a most effective way to effect changes and take charge of situations. Praying in the Spirit helps you deal with issues and puts things right in your life, in line with God's perfect will!

### **PRAYER TO RECEIVE THE GIFT OF TONGUES:**

▪

To receive the gift of tongues, in the attitude of receiving, position yourself in the spirit dimension and say these words out loud in faith, expecting to receive:

**“Dear Heavenly Father, I thank You for the Gift of the Holy Spirit. As Your Child, I now receive Him by faith to come and dwell in my heart. I receive Him into my soul and my body. I receive Him into every fibre of my being. I am now filled with the Holy Spirit, and according to Your Word in Acts 2:4, I speak with other tongues as He gives me utterance, in the Name of the Lord Jesus Christ. Amen”.**

### **DIVINE PROPHETIC INSTRUCTIONS ON HOW TO SPEAK IN OTHER TONGUES FOR THE VERY FIRST TIME:**

▪

It is important that you understand that there is no formula on how to speak in

tongues for the very first time. Some people have testified that they received tongues while praying in church, others received tongues while praying in their own closets, others received tongues while worshiping and listening to godly music while others received tongues while unconsciously going about doing their daily chores. The truth is that there is no specific order or known formula as the things of the spirit are spiritually discerned and cannot be adequately fathomed by natural logic. However, I have documented below guidelines on how those who desire to receive the gift of tongues could engage in prophetic actions designed to provoke the manifestation of this special gift.

### **PROPHETIC ACTION ONE: DESIRE IT**

In order for you to speak in tongues, it is important that you desire to have the gift. Without desire, you will not be able to receive it because things of the spirit do not happen by accident but through desire. For this reason, the Bible says whatsoever you desire when you pray, believe and you shall have it. This implies that you must believe that you have received the gift of the Holy Spirit with evidence of speaking in tongues. Paul admonished us saying desire spiritual gifts especially the gift of prophecy. It is therefore evident that speaking in tongues as one of the gifts of the spirit (2 Cori 12) comes through desire. You must develop an insatiable appetite and unquenchable thirst to speak in tongues and before long, they shall burst forth from within your spirit and flow as rivers from the depths of your being.

One of the most important keys to flowing in the gifts of the Holy Spirit is to earnestly desire them. Paul said in 1 Corinthians 12:31, "But covet earnestly the best gifts." He repeated that thought in 1 Corinthians 14:1 when he said, "Desire spiritual gifts." Another way of saying this is, as long as you can live without flowing in the gifts of the Holy Spirit, you will. You have to seek these gifts with all your heart (Jer. 29:13). It's also very important to understand that the gifts of the Holy Spirit are always flowing. God doesn't turn them "on" and "off." We are the ones who are "on" or "off." That's a startling statement to many people but it's true. The Lord is always ready to flow through us in the gifts of the Holy

Spirit. With this understanding, desire to speak in tongues and allow your spirit to release the gift form within you as you start uttering mysteries.

## **PROPHETIC ACTION TWO: RECEIVE IT**

It is a basic spiritual truth that in order to have or possess something, you must receive it. This is where most of the believers have a problem; they desire to have spiritual blessings, yet they do not know how to receive them. Tongues are spoken in a like manner. You must first receive tongues in order to speak in tongues. However, there is a deference between confession and receiving. How do you receive tongues? By believing that you have received them and then speak the words that comes out of your mouth. The apostles received and began to speak. In the house of Cornelius, the people received tongues and began to speak.

Receiving spiritual blessings as tongues does not always imply that we should cajole God and beg for the gift, Instead, we are to get hold of spiritual things by force. The Greek word for receiving is lambano, which means to get hold of it by faith. There is another higher level of receiving which in Greek is called catalambano, which implies grabbing spiritual things, by force. The act of grabbing it by force is in Greek called Biazo.

In practical sense, there are divergent ways through which one can receive tongues, one of which is impartation through laying on of hands. However, it doesn't necessarily mean that you can only receive tongues though laying hands. Other avenues to receive tongues include receiving it by yourself either in your prayer closet or through preaching, sharing the word, or any other spiritual act that might provoke the flow of the Holy Spirit in your life.

## **PROPHETIC ACTION THREE: SPEAK IT BY FAITH.**

In order for you to have the gift of tongues, it is important that you speak it forth. The gift is called speaking in tongues, because there is speaking involved. However, the Holy Spirit will not speak for you but gives you the ability to speak. This is what is called utterance. Experiments have been conducted across a broad spectrum of Christian cycles which prove that when someone prays in tongues, the vocal code is silent, meaning it is not him that prays but the Holy Spirit.

Jesus included speaking in tongues as one of the signs that would follow those who believe in Him (Mark 16:17). Believers can receive this gift by asking for it, and are even exhorted by Paul to ask for it, along with the other spiritual gifts (1 Corinthians 14:1). As you pray for the release of the gift of tongues, you may simply feel the presence of God lightly, or just a gentle urge to speak out. I encourage you to speak out the words that come to you and see what the Holy Spirit does.

## **PROPHETIC ACTION FOUR: YIELD TO THE EXPERIENCE**

When we come to the point of surrender, we will see the greatest manifestations of the spirit. When you speak in tongues, especially for the first time, you are enraptured and catapulted to a higher spiritual plane of communication. You need to understand that there is a spiritual law that states that spiritual things do not come by grabbing but by yielding to the spiritual experience. The instant you yield, you give the Holy Spirit power to rein over your life.

Yielding to Tongues means opening yourself to speaking in tongues non-stop,

without holding back when prompted to. It's an act that provokes a torrential flow of an avalanche of waters of the spirit from within the depths of your spirit. This means that you should provoke a perennial flow of tongues, and speak anywhere, anytime whether you are at home, on your way to work, at church, when driving on the road, when doing some household chores, when in the office and virtually in any setting or environment you are operating.

## **AUTHOR'S PROFILE**

■

Frequency Revelator is an apostle, called by God through His grace to minister the Gospel of the Lord Jesus Christ to all the nations of the world. He is a television minister, lecturer and gifted author, whose writings are Holy Ghost breathings that unveil consistent streams of fresh revelations straight from the Throne Room of Heaven. He is the president, founder and vision bearer of Frequency Revelator Ministries (FRM), a worldwide multiracial ministry that encompasses a myriad of movements with divine visions such as Resurrection Embassy (The Global Church), Christ Resurrection Movement (CRM) (a Global movement for raising the dead), the Global Apostolic & Prophetic Network (GAP) (a Network of apostles, prophets and fivefold ministers across the globe), Revival For Southern Africa (REFOSA) (a Regional power-packed vision for Southern Africa) and the Global Destiny Publishing House (GDP) (the Ministry's publishing company). The primary vision of this global ministry is to propagate the resurrection power of Christ from the Throne Room of Heaven to the extreme ends of the world and to launch the world into the greater depths of the miraculous. It is for this reason that Frequency Revelator Ministries (FRM) drives divergent apostolic and prophetic ministry visions and spiritual programmes such as the Global School of Resurrection (GSR), Global Resurrection Centre (GRC), the Global Healing Centre (GHC), Global School of Miracles, Signs and Wonders (SMSW), Global School of Kingdom Millionaires (SKM), Global Campus Ministry as well as Resurrection Conferences, Seminars and Training Centers. To fulfil its global mandate of soul winning, the ministry spearheads the Heavens' Broadcasting Commission (HBC) on television, a strategic ministerial initiative that broadcasts ministry programmes via the Dead Raising Channel (a.k.a Resurrection TV) and other Christian Television networks around the world.

Presiding over a global network of apostolic and prophetic visions, Apostle Frequency Revelator considers universities, colleges, high schools and other centers of learning as critical in fulfilling God's purpose and reaching the world for Christ, especially in this end-time season. As a Signs and Wonders Movement, the ministry hosts training sessions at the Global School of Resurrection (GSR) which includes but not limited to, impartation and activation of the gifts of the Spirit, prophetic declaration and ministration, invocations of open visions, angelic encounters and Throne Room visitations, revelational

teachings, coaching and mentorship as well as Holy Ghost ministerial training sessions on how to practically raise the dead. This global ministry is therefore characterized by a deep revelation of God's word accompanied by a practical demonstration of God's power through miracles, signs and wonders manifested in raising cripples from wheel chairs, opening the eyes of the blind, unlocking the speech of the dumb, blasting off the ears of the deaf and raising the dead, as a manifestation of the finished works of the cross by the Lord Jesus Christ. The ministry is also punctuated with a plethora of manifestations of the wealth of Heaven through miracle money, coupled with the golden rain of gold dust, silver stones, supernatural oil and a torrent of creative miracles such as the development of the original blue print of body parts on bodily territories where they previously did not exist, germination of hair on bald heads, weight loss and gain, as well as instantaneous healings from HIV/AIDS, cancer, diabetes and every manner of sickness and disease which doctors have declared as incurable.

The author has written a collection of over 50 anointed books, which include The Realm of Power to Raise the Dead, How to become a Kingdom Millionaire, Deeper Revelations of The Anointing, Practical Demonstrations of The Anointing, How to Operate in the Realm of the Miraculous, The Realm of Glory, Unveiling the Mystery of Miracle Money, New Revelations of Faith, A Divine Revelation of the Supernatural Realm, The Prophetic Move of the Holy Spirit in the Contemporary Global Arena, The Ministry of Angels in the World Today, Kingdom Spiritual Laws and Principles, Divine Rights and Privileges of a Believer, Keys to Unlocking the Supernatural, The Prophetic Dimension, The Dynamics of God's Word, The Practice of God's Presence, Times of Refreshing and Restoration, The Power of Praying in the Throne Room, Understanding Times And Seasons In God's Calendar, How To Defeat The Spirit Of Witchcraft, The Practice Of God's Presence, 21 Ways Of How To Hear God's Voice Clearly, Miracles, Signs And Wonders, Understanding Prophetic Dreams And Visions, Deeper Revelations Of The Glory Realm, The Prophetic Significance Of Gold Dust, Silver Stones, Diamonds And Other Precious Stones, The Power Of The Apostolic Anointing, Deeper Revelations Of The Five-Fold Ministry, The Anatomy And Physiology Of The Anointing, How To Activate And Fully Exercise The Gifts Of The Spirit, Healing Rains, The Realm Of Love, The Revelation Of Jesus, The Second Coming Of Jesus and Rain of Revelations, which is a daily devotional concordance comprising a yearly record of 365 fresh revelations straight from the Throne Room of God.

Apostle Frequency Revelator resides in South Africa and he is a graduate of Fort Hare University, where his ministry took off. However, as a global minister, his ministry incorporates prophecy, deliverance and miracle healing crusades in the United Kingdom (UK), Southern Africa, India, Australia, USA, Canada and a dense network of ministry visions that covers the rest of the world. As a custodian of God's resurrection power, the apostle has been given a divine mandate from Heaven to raise a new breed of Apostles, Prophets, Pastors, Evangelists, Teachers, Kingdom Millionaires and Miracle Workers (Dead raisers) who shall propagate the world with the gospel of the Lord Jesus Christ and practically demonstrate His resurrection power through miracles, signs and wonders manifested in raising people from the dead, thereby launching the world in to the greater depths of the miraculous. To that effect, a conducive platform is therefore enacted for global impartation, mentorship, training and equipping ministers of the gospel for the work of ministry. Notable is the realization that the ministry ushers a new wave of signs and wonders that catapults the Body of Christ into higher realms of glory in which raising the dead is a common occurrence and demonstrating the viscosity of the glory of God in a visible and tangible manner is the order of the day. Having been mightily used by God to raise the dead, in this book, Apostle Frequency Revelator presents a practical model of how one can tap into the realm of God's resurrection power to raise the dead, impact the nations of the world and usher an unprecedented avalanche of billions of souls into the Kingdom, Glory to Jesus! May His Name be gloried, praised and honored forever more!
